THE COMPANIES ACT, 1948

COMPANY LIMITED BY SHARES

Articles of Association

OF

MEDICA LIMITED.

REGISTERED

14 NOV 1953

PRELIMINARY.

1. Subject as hereinafter provided the regulations contained in the First Part of Table "A" in the First Schedule to the Companies Act, 1948, (hereinafter referred to as Table "A") shall apply to the Company.

2. Clauses 6, 23, 24, 25, 26, 27, 28, 53, 58, 75, 76, 78, 88, 128, 129 and 136 of Table "A" shall not apply to the Company, but the Articles herein-after contained, and the remaining clauses of Table "A", subject to the modifications hereinafter expressed, shall constitute the regulations of the Company.

PRIVATE COMPANY.

3. The Company is a Private Company within the meaning of Section 28 of the Companies Act, 1948 and accordingly (1) no invitation shall be issued to the Public to subscribe for any shares or debentures of the Company; (2) the number of the Members of the Company, (not including persons who are in the employment of the Company, and persons who, having been formerly in the employment of the Company were whilst in that employment and have continued after the determination of that employment to be members of the Company) shall be limited to

fifty, provided that, for the purpose of this provision, where two or more persons hold one or more shares in the Company jointly they shall be treated as a single Member; (3) the right to transfer the shares of the Company is restricted in manner and to the extent hereinafter appearing.

SHARES.

4. Subject to any agreement between the Company and any other person, firm or company, the shares shall be at the disposal of the Directors and they may allot or otherwise dispose of them to such persons at such times and generally on such terms and conditions as they think proper, subject always to Article 3, and provided that no shares shall be issued at a discount, except as provided by Section 50 of the Companies Act, 1948.

5. The Company may pay a commission to any person in consideration of his subscribing or agreeing to subscribe, whether absolutely or conditionally, for any shares in the Company or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares in the Company, provided that the commission does not exceed 10 per cent. of the price at which such shares are issued, or an amount equivalent thereto, and such commission may be paid in whole or in part in cash or fully or partly paid shares of the Company, as may be arranged. The statement required by Section 53 of the Companies Act, 1948, shall be duly delivered to the Registrar of Companies for registration, and Section 52 of the same Act shall where necessary be duly complied with, and the amount of any such commission shall be stated in the balance sheets and annual returns of the Company as required by Section 149(2) and 124 of the same Act.

6. The Company shall have a first and paramount lien on every share, whether fully paid or not, registered in the name of each member, whether solely or jointly with others, and upon the proceeds of sale thereof in respect of his indebtedness to the Company on any account whatsoever, whether solely or jointly with any other person and such lien shall extend to all dividends from time to time declared in respect of such share.

7. Until otherwise directed by the Company in General Meeting and subject to any agreement

between the Company and any other person, firm or company, any new shares from time to time to be issued or created shall, before they are issued, be offered to the Members in proportions as nearly as may be to the number of shares held by them. Such offer shall be made by notice specifying the number of shares offered, and limiting the time within which the offer, if not accepted, will be deemed to be declined, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may, subject to these Articles, dispose of the same in such manner as they think most beneficial to the Company. The Directors may, in like manner, dispose of any shares as aforesaid, which, by reason of the proportion borne by them to the number of persons entitled to such offer as aforesaid or by reason of any other difficulty in apportioning the same, cannot in the opinion of the Directors be conveniently offered in manner hereinbefore provided.

TRANSFER OF SHARES.

8. Any Member proposing to transfer any share shall give notice in writing to the Company which thereupon will by notice in writing offer the same to the remaining Members in proportions as nearly as may be to the number of shares registered in their names at the date of such notice limiting the time within which the offer if not accepted will be deemed to be declined. In case any difference arises between the proposing Transferor and the purchasing member as to the fair value of a share the Auditor shall at the request of either party certify in writing the value and such certificate shall be final and fix the price to be paid. Subject as aforesaid no transfer of any shares in the capital of the Company shall be made or registered without the previous sanction of the Directors, who may, without assigning any reason, decline to give any such sanction and shall so decline in the case of any transfer the registration of which would involve a contravention of Article 3. The Directors may also suspend the registration of transfers during the fourteen days immediately preceding the Ordinary General Meeting in each year. The Directors may decline to recognise any instrument of transfer unless (a) such fee, not exceeding Two shillings and less (a) such fee, not exceeding Two shillings and sixpence, as the Directors may from time to time determine, is paid to the Company in respect thereof, and (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to

make the transfer. The Directors may decline to register any transfer of any shares on which the Company has a lien. If the Directors refuse to register a transfer of any shares they shall within two months after the date on which the transfer was lodged with the Company send to the transferees notice of the refusal as required by Section 78 of the Companies Act, 1948.

PROCEEDINGS AT GENERAL MEETINGS.

9. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Two Members present in person or by proxy shall be a quorum.

10. At any General Meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or by at least two Members entitled to vote at the meeting or by the holder or holders present in person or by proxy of at least one-tenth part of the issued share capital of the Company, and unless a poll is so demanded a declaration by the Chairman that a resolution has on a show of hands been carried, or carried unanimously or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the minute book of the Company, shall be conclusive evidence thereof without proof of the number or proportion of the votes recorded in favour of or against such resolution. Subject to the provisions of the Act, a resolution in writing signed by all the Members for the time being entitled to receive notice of and to attend and vote at General Meetings (or being corporations by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a General Meeting of the Company duly convened and held.

DIRECTORS.

11. The number of Directors shall not be less than two nor more than seven. The names of the first Directors shall be determined in writing by the Subscribers of the Memorandum of Association.

12. The remuneration of the Directors shall

be fixed by the Company in General Meeting. The Directors may repay to any Director all such reasonable expenses as he may incur in attending meetings of the Board, or of Committees of the Board, or General Meetings, or which he may otherwise incur in or about the business of the Company.

13. Any Director who serves on any committee or who devotes special attention to the business of the Company or who otherwise performs services, which in the opinion of the Board, are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of salary, percentage of profits or otherwise as the Board may determine, which shall be charged as part of the Company's ordinary working expenses.

POWERS AND DUTIES OF DIRECTORS.

14. The Directors may borrow or raise from time to time for the purpose of the Company such sums as they think fit and may secure the repayment or payment thereof by mortgage or charge upon all or any of the assets of the Company or by the issue of debentures.

15. The Directors shall cause proper minutes to be made of all general meetings of the Company and also of all appointments of officers of the proceedings of all meetings of directors and committees and of the attendance thereat and all business transacted at such meetings and any such minute of any meeting, if purporting to be signed by the Chairman of the next succeeding meeting whether of the Company or the Directors shall be conclusive evidence without any further proof of the facts therein stated.

16. Clause 86 of Table "A" shall be modified by omitting therefrom all the words therein after the words "Committee of Directors" in sub-clause (c) of such clause.

17. In the event of the Directors being of the opinion that any Shareholder has taken or permitted any action which directly or indirectly shall have the effect of causing the Company to cease to be an exempt private Company within the meaning of Section 129 and the Seventh Schedule to the Companies Act 1948 the Directors may by seven days

previous notice in writing, request the Shareholder to make full disclosure of such action and to take such Counter action as they may consider necessary to preserve the exemption of the Company and in default the Company may forthwith sell in such manner as the Directors think fit the shares of the Shareholder in manner prescribed by clause 13 of Table A and pay the proceeds of sale less expenses to the Shareholder.

DISQUALIFICATION OF DIRECTORS.

18. The Office of a Director shall be vacated:-

- (1) If by notice in writing to the Company he resigns the office of Director.
- (2) If he becomes bankrupt or insolvent or enters into any arrangement with his creditors.
- (3) If he is found lunatic or becomes of unsound mind.
- (4) If he ceases or is prohibited from being a Director by any statutory provision or any Order made under a Statutory provision.

19. Notwithstanding the provisions of Section 185 of the Companies Act 1948 or any extension or modification thereof no Director of the Company or any person capable of being appointed a Director shall vacate his office or be disqualified or be ineligible for such appointment by reason of the fact that he has attained the age of seventy.

PROCEEDINGS OF DIRECTORS.

20. Clause 102 of Table "A" shall be modified by the addition of the words "And/or such other persons not being Directors of the Company" after the words "of their body".

ALTERNATE DIRECTORS.

21. If any Director shall be unable through

illness or otherwise to attend any meeting or meetings of the Directors, he may by writing under his hand, appoint any person to be his substitute; and every substitute shall be entitled to attend and vote at meetings of the Directors and shall have and exercise all the powers, rights, duties, and authorities of the Director appointing him, but shall not be required to hold any share qualification; Provided always that no such appointment of any person not being a Director shall be operative unless or until the approval of the Board shall have been given and entered in the Directors' Minute Book. A Director may at any time revoke the appointment of a substitute appointed by him, and (subject to such approval as aforesaid in the case of an appointee who is not a Director) appoint another person in his place, and if a Director shall die or cease to hold the office of Director the appointment of his substitute shall thereupon cease and determine. Any revocation under this clause shall be effected by notice in writing under the hand of the Director making the same, and any such notice, if left at the registered office of the Company, shall be sufficient evidence of such revocation.

CAPITALISATION OF RESERVES ETC.

22. The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend, or for the redemption of redeemable shares, and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company, including premiums received on the issue of any shares, debentures or debenture stock of the Company, or (b) being undivided net profits in the hands of the Company, be capitalised, and that such sum be appropriated as capital to and among the Ordinary Shareholders in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the Ordinary Shares and in such manner as the resolution may direct, and such resolution shall be effective, and the Directors shall, in accordance with such resolution, apply such sum in paying up in full any unissued shares, debentures or debenture stock of the Company on behalf of the Ordinary Shareholders aforesaid, and appropriate such shares, debentures, or debenture stock to, and distribute the same credited as fully paid up, amongst such Shareholders in the proportions aforesaid, in satisfaction of their shares and interests in the said capitalised sum or shall apply such sum or any part

thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued Ordinary Shares, debentures or debenture stock held by such Shareholders, or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any fully paid up shares, debentures or debenture stock, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares, debentures or debenture stock in trustees upon trust for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors. When deemed requisite a proper contract for the allotment and acceptance of the shares to be distributed as aforesaid shall be filed in accordance with Section 52 of the Act and the Directors may appoint any person to sign such contract on behalf of the persons entitled to share in the appropriation and distribution and such appointment, shall be effective.

INDEMNITY.

23. Every Director or other officer of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities which he may sustain or incur in or about the execution of the duties of his office or otherwise in relation thereto, and no Director or other officer shall be liable for any loss, damage or misfortune which may happen to or be incurred by the Company in the execution of the duties of his office or in relation thereto. But this Article shall only have effect in so far as its provisions are not avoided by Section 205 of the Companies Act 1948.
