Notice of cancellation of shares held by or for a public company

5 Statement of capital (prescribed particulars of rights attached to shares) ^①

Class of share	£1.00 ORDINARY
Prescribed particulars	<p>(a) VOTING Each holder of an Ordinary Share who is present in person or by proxy, shall on a show of hands have one vote, and on a poll, every member present in person or by proxy shall have one vote for every Ordinary Share held by him.</p> <p>(b) DIVIDENDS The Ordinary Shares rank pari passu with each other in respect of the right to receive income and dividends. All dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares of the Company during any portion or portions of the period in respect of which the dividend is paid, except that if any share issued on terms providing that it shall carry any particular rights as to dividend, such share shall rank for dividend accordingly.</p> <p>(c) CAPITAL The shares have no preferred rights as respect to capital whether on a winding up or otherwise. The Company may, by ordinary resolution on the recommendation of the directors of the Company, resolve that it is desirable to capitalise all or any part of any amount standing to the credit of any reserve amount or otherwise available for distribution and not required for paying any fixed dividends required to be paid pursuant to the terms of any class of shares. Accordingly the directors of the Company may be authorised and directed to appropriate the sum to be capitalised to the members the proportions in which such sum would have been paid had the same be applied in paying dividends and to apply such sum on their behalf either in or towards paying up amounts (if any) unpaid on any shares held by such members, or in paying up in full unissued shares or debentures to be allotted and distributed credited as fully paid up amongst such members in such proportions or partly in one way and partly in the other. On a winding up, the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by section 247 of the Companies Act 2006 divide among the members in specie the whole or any part of the assets of the Company and may determine how such division shall be carried out between the members or different classes of members.</p> <p>The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of the members as the liquidator, with the like authority, thinks fit, but no member shall be compelled to accept any shares in respect of which there is a liability.</p> <p>(d) REDEMPTION No rights of redemption are attached to the shares.</p>

① Prescribed particulars of rights attached to shares

The particulars are:

- particulars of any voting rights, including rights that arise only in certain circumstances;
- particulars of any rights, as respects dividends, to participate in a distribution;
- particulars of any rights, as respects capital, to participate in a distribution (including on winding up); and
- whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder.

A separate table must be used for each class of share.
