Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). In preparing these financial statements, the directors are required to:

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF
YORK & DISTRICT INVESTMENT COMPANY LIMITED

YEAR ENDED 30 SEPTEMBER 2014

We have audited the financial statements of York & District Investment Company Limited for the year ended 30 September 2014 on pages 6 to 14. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and

YORK & DISTRICT INVESTMENT COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 SEPTEMBER 2014

1. ACCOUNTING POLICIES

1.1 Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with applicable UK accounting standards.

1.2 Cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the parent company includes the subsidiary in its published financial statements.

1.3 Turnover

Turnover represents amounts receivable for rents and service charges.

1.4 Investment properties

In accordance with SSAP 19, the directors have included the company's investment properties in the balance sheet at their estimate of open market value. The aggregate surplus or deficit on revaluation is transferred to undistributable revaluation reserve. If deficits are considered permanent then these are written off to the profit and loss account.

No depreciation is provided on freehold investment properties which is a departure from the requirements of the Companies Act 2006. In the opinion of the directors these properties are held primarily for their investment potential and so their current value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The provisions of SSAP 19 in respect of investment properties have therefore been adopted in order to give a true and fair view. If this departure from the Act had not been made, the results for the year would have been reduced by depreciation. However, the amount of depreciation cannot reasonably be quantified and the amount which might otherwise have been shown cannot be separately identified or quantified.

1.5 Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

YORK & DISTRICT INVESTMENT COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 SEPTEMBER 2014

1. ACCOUNTING POLICIES *(continued)*

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

1.6 Going concern

The financial statements for the year ended 30 September 2014 have been prepared on a going concern basis on the strength of confirmation from the parent company that it will continue to provide financial support for the foreseeable future.

1.7 Acquisition and disposal of properties

Acquisitions of properties are accounted for on the date of unconditional contract and disposals of properties on the date of legal completion.

1.8 Investments

Quoted and unquoted investments are stated at cost less any permanent diminution in value.

Nil redemption debentures included in other investments are written off over the life of the debentures.

2. TURNOVER

The turnover and profit before tax are attributable to the principal activities of the company. An analysis of turnover is given below:
