REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2003

ELEMENTIS UK LIMITED

Directors' report for the year ended 31 December 2003

The directors submit their report and the audited financial statements for the year ended 31 December 2003.

Directors

The directors of the Company who served during the year were as follows:

PD Brown
BG Taylorson

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for ensuring that the Company keeps proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Company and which enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for:

- safeguarding the assets of the Company
- taking reasonable steps for the prevention and detection of fraud and other irregularities

Principal activities and business review

The activity of the Company has been, and is expected to continue to be, to manufacture a range of organic and inorganic chemicals in the United Kingdom for sale worldwide.

The results in the year are affected by the transfer of the majority of the Chromium business on 26 November 2003, effective from 1 January 2003 from Elementis UK Limited to Elementis Chromium LLP. Elementis UK Limited has retained the residue disposal assets and the employment of the staff of the business, for which a fee is charged to Elementis Chromium LLP.

The results for the year ended 31 December 2003 and the state of affairs of the Company at that date are set out in the annexed financial statements.

ELEMENTIS UK LIMITED

Directors' report for the year ended 31 December 2003 (continued)

Dividends

No dividend was paid or proposed during the year (2002: £nil).

Directors' interests in shares, options and loan notes

The directors, and their families had no beneficial interest in the share capital of the Company at any time during the year.

All the directors were also directors of the Company's ultimate parent undertaking, Elementis plc, and their interests in its share capital are disclosed in the financial statements of that company.

Employment communications and involvement

It is Company policy to communicate with all employees on major matters to encourage them to take a wider interest in the affairs of the Company. This is done in a variety of ways including in-house newspapers, bulletins and briefing sessions. The Company operates a savings-related share option scheme allowing all UK employees an opportunity to become shareholders.

Employment policies

The Company is committed to the principle of equal opportunities in employment, regardless of a person's race, creed, colour, nationality, gender, age, marital status or disability. Employment policies are fair, equitable and consistent with the skills and abilities of the employees and the needs of the Company business.

These policies ensure that everyone is accorded equal opportunity for recruitment, training and promotion. Where an employee becomes disabled whilst employed by the Company, every effort is made to allow that person to continue in employment.

Policy on payment of suppliers

The Company applies a policy of agreeing payment terms with each of its major suppliers and abides by these terms, subject to satisfactory performance by the suppliers.

Trade creditors at the year end represented 48 days of purchases (2002: 53 days).

Auditors

PricewaterhouseCoopers LLP will resign as auditors at the Annual General Meeting at which these accounts will be adopted. KPMG Audit plc will be appointed as the Company's auditors at the same meeting.

Independent auditors' report to the members of Elementis UK Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet, the statement of total recognised gains and losses and the related notes which have been prepared under the historical cost convention and the accounting policies set out in the statement of accounting policies.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 2003 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

ELEMENTIS UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2003

1 Accounting policies

Basis of preparation

The financial statements on pages 4 to 17 have been prepared under the historical cost convention and in accordance with generally accepted accounting principles and applicable accounting standards. These are unchanged from the previous year.

Consolidated accounts are not prepared because the Company is a wholly owned subsidiary and its results are included in the consolidated financial statements of its ultimate parent undertaking, Elementis plc.

Foreign currencies

Transactions in foreign currencies are recorded at the rates of exchange ruling at the date of the transaction. Foreign currency assets and liabilities are translated into sterling at the exchange rates ruling at the relevant balance sheet date.

Investments

Investments in group undertakings are included in the balance sheet at cost or, if lower, directors' valuation.

Investment income

Dividends from group undertakings are accounted for on an accruals basis.

Pension and other post-retirement benefits

The Company participates in the Elementis Group defined benefit pension scheme. The Company is unable to identify its share of the underlying assets and liabilities in the scheme on a consistent and reasonable basis and accordingly the Company has treated the scheme as a defined contribution scheme and has recognised only the contributions payable for the year.

Goodwill

Goodwill arising on acquisitions since 1 January 1998 is capitalised in the balance sheet and then amortised through the profit and loss account over its estimated useful life, up to a maximum of 20 years. Goodwill arising on acquisitions prior to this date was charged directly against reserves in the year of acquisition; on subsequent disposals this is charged through the profit and loss account.

Leased assets

Rental costs in respect of operating leases are charged against profit before interest as they arise.

ELEMENTIS UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2003 (continued)

1 Accounting policies (continued)

Depreciation

Freehold land is not depreciated. Leasehold property is depreciated over the period of the lease. Freehold buildings, plant and machinery, vehicles, and fixtures, fittings, tools and equipment are depreciated over their estimated useful lives on a straight line basis.

Estimated useful lives of these assets are:

| | |
|---|----------------|
| Buildings | 10 to 50 years |
| Plant and machinery | 2 to 20 years |
| Vehicles | 2 to 10 years |
| Fixtures, fittings, tools and equipment | 3 to 20 years |

Stocks

Stocks are stated at cost or net realisable value whichever is the lower. Cost, in the case of manufactured goods, includes direct and overhead expenses attributable to manufacture.

Taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse.

Government grants

Grants against capital expenditure from government and other bodies are accrued and released to the profit and loss account over the period during which the relevant assets are depreciated.

2 Turnover and segmental information

Turnover is based on the invoiced value of the sale of goods and services. It excludes sales between Group undertakings, VAT and similar sales based taxes.

Turnover and operating profit is derived from one class of business in the UK.

Discontinued activities in 2002 include amounts for cost of sales (£54.1 million), administrative expenses (£3.4 million) and distribution costs (£8.9 million).

4. Directors and employees

The emoluments of all the directors are borne by the Company's parent undertaking, Elementis Plc, being the company for which they performed substantially all of their executive duties.

The average number of persons employed during the year was 385 (2002: 475).

20 Contingent liabilities

The Company is a member of the Elementis Group cash management scheme, under which each company provides a guarantee to discharge the indebtedness of any other Group Company which is party to the scheme, limited to the extent of its own cash balances within the scheme.

21 Parent and ultimate parent undertakings

The Company's immediate parent undertaking is Elementis London Limited.

Elementis plc, the Company's ultimate parent undertaking, was the smallest and largest group to consolidate the financial statements of the Company. Copies of the consolidated financial statements of Elementis plc may be obtained from Elementis House, 56 Kingston Road, Staines, TW18 4ES.

22 Related party transactions

As the Company is a wholly owned subsidiary of Elementis plc advantage has been taken of the exemption afforded by FRS8 not to disclose any related party transactions with members of the Elementis Group or associates and joint ventures of Elementis plc.
