### **Directors' responsibilities statement**

The directors are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy, at any time, the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Strategic report**

The directors submit their strategic report for the year ended 31 March 2022. The directors in preparing this strategic report have complied with section 414c of the Companies Act 2006.

#### **Business review and principal activities**

The Company is a holding company for a number of Group subsidiaries. The directors do not anticipate any significant change in the principal activity in the foreseeable future.

The Company is also a guarantor under a £60 million facility entered into by a subsidiary, A. & J. Mucklow (Investments) Limited.

The Company is a wholly owned subsidiary of LondonMetric Property Plc.

#### **Results and dividends**

The results for the Company show a pre-tax profit of £34,130,276 (2020/21: profit £269,473,391). Dividends of £32,624,000 were paid during the year (2020/21: £114,353,458). The Company has net assets of £330,943,347 (2020/21: £329,437,071) and net amounts owing from group companies of £35,655,973 (2020/21: £76,698,707).

#### **Principal risks and uncertainties**

The Company's operations expose it to a variety of risks. The principal risks that are potentially material to the Company and the policies for managing these risks are summarised below.

##### **Strategic risks**

- A & J Mucklow Group Limited has a number of subsidiaries with commercial properties that are their largest asset. Those properties are exposed to market risk. The cyclical nature of the property market may result in a fall in property values or cause assets to otherwise underperform against financial objectives. Performance also depends on general economic conditions including the impact of higher inflation, interest rates and supply chain disruption which may be adversely affected further by global issues such as the pandemic and war in Ukraine. These factors may impact the holding value of the Company's investment in those subsidiaries. The A & J Mucklow Group Limited group mitigates this risk through its investment selection and it continues to actively monitor market conditions, investment and tenant performance on an asset by asset basis.

##### **Financial risks**

- The Company may have insufficient resources to implement strategy and meet financial liabilities as they fall due. It relies on parent company funding to counter this risk.
- Failure to comply with covenants could cause a default and accelerate A. & J. Mucklow (Investments) Limited's loan facility resulting in a call under the Company's guarantee under that facility. To mitigate this appropriate cure rights are contained within the loan and significant headroom is maintained within covenants which are tested six monthly. Headroom is taken into consideration in decision making.

#### **Key performance indicators ("KPIs")**

Given the straightforward nature of the business, the Company's directors are of the opinion that the KPIs relevant to understanding the development, performance and position of the business are profit before tax and net asset value. The results are disclosed above.

#### **Creditor payment policy**

It is the Company's policy that suppliers are paid in accordance with those terms and conditions agreed between the Company and the supplier, provided that all terms and conditions have been complied with.

## **A & J Mucklow Group Limited**

#### **Charitable and political donations**
