NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MAY 2015

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently.

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Financial reporting standard number 1

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents rents receivable and other income net of VAT.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in market value is transferred to a revaluation reserve.

Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the applicable accounting standard, SSAP 19, Accounting for investment properties, it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

Deferred tax

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets in the financial statements.

Revenue recognition

Revenue is recognised with reference to time as the period of rental progresses so that the amount of revenue reflects the actual right to consideration by reference to the period of rental covered. Rent not billed is included in debtors and payments on account, rent received in excess of the relevant amount of revenue is deferred to future periods to which it relates and included in deferred income within creditors.
