#### **GOVERORS' REPORT**

#### FOR THE YEAR ENDED 31<sup>ST</sup> AUGUST 2018

The Governors proudly present their report and the audited financial statements for the year ended 31st August 2018. This report represents a Directors' report under the Companies Act 2006 and the Trustees' report under the Charities Act 2011.

These financial statements comply with current law and regulatory requirements including the FRS 102 Charities SORP.

#### REFERENCE AND ADMINISTRATIVE INFORMATION

Beechwood Park School ("the School") was founded in 1964. It is constituted as a company limited by guarantee registered in England, No. 00820476, and is registered with the Charity Commission under Charity No. 311068.

Details of the members of the Governing Body, together with the School's officers and principal advisers are given on Page 1.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### **Governing Documents**

The School is governed by its Memorandum of Association and Articles of Association last amended on 27 June 2011.

#### **Governing Body**

The Governing Body is self-appointing. Governors hold office for five years, whereupon they may be reappointed for a further five year term. The Chairman and Vice Chairman may serve a further five year term. There may be no more than 19 and no fewer than 9 Governors.

None of the Governors has any beneficial interest in the company. All of the Governors are members of the company and guarantee to contribute £1 in the event of a winding up.

The School has taken out indemnity insurance for the Governors.

#### Recruitment and training of Governors

The Governing Body, in carrying out its duties, draws on a wide range of different skills and expertise. The recruitment and appointment process for Governors draws governors from appropriate backgrounds and disciplines. The primary focus is on the provision of educational and academic expertise, with some of the Governors being Heads at local independent schools. This serves to strengthen the relationship between schools and enables Beechwood Park to draw on experience from other educational sectors. The School also recruits Governors to provide commercial, legal, estate management, health and safety, marketing or financial skills. Many Governors have, or have had, children at the School.

The recruitment process starts when the School identifies a gap in the skills base, or when a resignation takes place. Governors propose suitable candidates. The Chairman of Governors and the Headmaster follow the School's Governor Induction Procedure, inviting the candidate to attend a selection process with the Chairman of Governors. The Chairman of Governors considers the candidate's suitability against the standard Role Description for all governors, as well as the description of the vacant role. The Chairman circulates the candidate's qualifications to all other Governors for their approval. If approved, the Chairman asks the candidate to attend the next meeting of Governors, and the Governors then formally confirm the appointment.

Most new Governors are already familiar with the School, but will follow a well-established induction programme run by the Chair of Governors, Headmaster and Bursar. This incorporates the workings of the

#### FOR THE YEAR ENDED 31<sup>ST</sup> AUGUST 2018

Governing Body, its role and its responsibilities. Some Governors already hold Governorships with other schools. The School also offers new Governors governance training with the Association of Governing Bodies of Independent Schools (AGBIS), or the Independent Schools' Bursars' Association (ISBA). As part of their induction, Governors undertake School-specific Child Protection and Safer Recruitment training, as well as receiving regular updates from AGBIS, the IAPS, ISC, BSA and other professional bodies.

#### **Organisational Management**

Members of the Governing Body, as the charity trustees, are legally responsible for the overall management and control of the School. The Full Board of Governors meets termly to consider and ratify School policies and long-term development strategy. The Governors also meet at least once annually with the Senior Leadership Team (SLT) to consider the next stages of the School's Development Plan.

The work of implementing their policies is carried out by the following Sub-Committees, which meet at least once each term:

- The Finance and General Purposes Committee has delegated responsibility to monitor and review all aspects of the School's financial and strategic operations including the setting of fees and staff remuneration. It is chaired by Gary Freer. Mark Hammond is the Governor with responsibility for all financial matters. The Committee oversees the work of the following sub-committees:
  - Public Benefit Committee, which oversees the School's public benefit provision including bursary awards and which is chaired by Mark Hammond.
  - The Buildings and Estates Committee which monitors the planning and development of the Beechwood Park estate and buildings and which is chaired by Scott Black.
  - o The Health & Safety Committee which acts as a focus for health and safety issues in the School and ensures that all members of the School receive sufficient information and encouragement to maintain high standards of health and safety. This Committee is chaired by the Bursar. Russell Viner is the governor with specific responsibility for oversight of health and safety.
  - The Marketing & Admissions Committee which oversees the School's marketing strategy and pupil roll. It is chaired by Gavin Mairs.
- The Education Committee monitors all areas of educational provision, academic, co-curricular and ICT within all areas and departments of the School. It is chaired by Yvonne Mercer and oversees the work of the following:

#### FOR THE YEAR ENDED 31ST AUGUST 2018

#### Remuneration

Remuneration is set by the Governing Body, with the policy objective of providing appropriate incentives to encourage enhanced performance and of rewarding fairly and responsibly individual excellence and contributions to the School's success. The Governors authorize an annual percentage salary increase for all staff taking into consideration expected income and expenditure and external factors including maintained sector salary increases. Additional individual increases are as a result of the annual salary review by the Headmaster and Bursar. The appropriateness and relevance of the remuneration policy is reviewed annually. Delivery of the School's charitable vision and purpose is primarily dependent on our key management personnel and staff costs are the largest single element of our charitable expenditure.

#### **OBJECTS, AIMS AND OBJECTIVES**

#### **Charitable Objects**

The School's Objects, as set out in the Articles of Association, are the advancement of education and other associated activities for the benefit of the community as a whole. A major project for the refurbishment of the roof and façade of the Main School Building was started.

The School manages its performance through a series of both financial and non-financial key performance indicators. The financial measures exist to ensure that the School continues to be able to meet its commitments and to be able to fund the facilities and resources required to run and develop the School's educational provision. The non-financial measures exist to monitor the academic and pastoral outcomes of the School and to ensure that the School meets its educational objectives.

#### **Public Benefit**

The Governors have given significant consideration to the Charity Commission guidance on public benefit, including the guidance 'Public Benefit: Running a Charity (PB2)'. The Public Benefit Committee was set up in January 2017 to develop a strategic plan for the provision and demonstration of public benefit to include but not be limited to:

- Bursary provision
- Charitable giving
- Local community links and partnerships
- · Provision of facilities and services

The Governors are committed to broadening access to the School by offering to eligible parents/guardians means-tested financial support with the payment of school fees. Bursaries may be awarded in the form of a discount of up to 100% of tuition fees payable, depending on the financial, compassionate or other pertinent circumstances of applicants.

During the year, the School provided bursaries totaling £106,086 (2017: £123,846) to support 10 pupils covering between 40% and 100% of their fees. The School awarded two 100% bursaries to siblings mid-year as a result of significantly changed family circumstances. Efforts to identify potential pupils who would benefit from the education provided by the School included the organization of a 'New Talent Day'. The School invites parents of leavers to donate all or part of their deposits to the School to provide bursary support.

Sibling discounts are awarded to families with more than one pupil at the School and teaching staff receive a discount for all children attending.

The SLT continues to monitor current public benefit and assesses how this may be best provided in future. The School encourages all staff to suggest and develop possible public benefit activities and the School maintains a register of public benefit provision.

#### Reserves

The Governors regularly review the School's funding approach by its strategic and financing policies and aim to maintain cash reserves of between 15% and 25% of income (£1,134,916 to £1,891,528). The School has increased the focus on academic data analysis, interventions, pupil progress and outcomes.

12 senior pupils won academic, music, drama, sport, and art awards to a variety of selective independent senior schools. 100% of Year 8 pupils gained entry to their first-choice schools.

There has been further deployment of touchscreen, wifi and iPad technology in support of learning throughout the School.

The School appointed an established children's author as patron of reading.

Boarding has continued to be popular and the Boarding Team deliver an extensive programme of after school activities and high quality care.

Improvements have been made to identifying those pupils needing Learning Support and the appropriate interventions. 69 pupils received individual lessons from the Learning Support Department during the year. Better identification of gifted and talented pupils has resulted in earlier and more-effective interventions.

The programme of day and residential trips continues to develop and expand and included a highly successful inaugural trip for Year 4 to Aylmerton.

The Forest School scheme continues to prosper and provides unrivalled opportunities for outdoor learning.

The School has concentrated on developing an outstanding pastoral leadership and management system including the auditing of pastoral data, identifying trends and putting into place strategic interventions. There is an emphasis on ensuring that Beechwood Park is recognised as a 'listening school'.

The Leadership through Service Awards for Years 6,7 and 8, and Beechwood Park Awards for Years 3, 4 and 5 have been further developed to reward responsibility and service in its pupil body.

The School has entered into an agreement with an academic to provide advice and resources to parents on their engagement with their children.

The Music Department continues to flourish and develop musical talents. There are 6 choirs and 27 ensembles. Year 2 are introduced to various instruments with a view to them taking them up in Year 3; the majority do. Over 300 pupils have instrumental music lessons with 20% learning more than one instrument. Sports teams and individuals were again highly successful. The U11 boys qualified for the National ESSA Primary Swimming Finals. The U11 girls sabre team came first in the British School Team Fencing Championship and 2 girls qualified for the British National Fencing Championships. One boy was selected to represent Hertfordshire at the Primary Schools' National Cross Country Championships and another for the English Schools' Ski Association Primary Squad.

Girls' cricket is now fully established in place of rounders.

The School's relationship with Saracens Rugby continues to develop with a camp, training sessions, masterclasses and other activities. A former England cricket international also provided a masterclass.

The Sports Hall and Netball Courts were refurbished.

The School organised a highly successful skiing trip to Champulac, Italy.

The School continues to offer an extensive range of after-school activities and clubs covering academic, sporting, artistic, environmental and recreational disciplines.

Catering was outsourced to Holroyd Howe at the beginning of the period and has resulted in a significantly enhanced provision.

#### Financial Review

The School's net income for the year from operations amounted to £277,957 (2017: £576,454); the difference represents a deliberate policy of spending on refurbishment and development of facilities.

The School's balance sheet as detailed on page 14 shows a very satisfactory position at the year end.

The results for the year are shown in the statement of financial activities on page 13.

The Governors do not foresee any major changes in the School's activities or overall management structure in the near future other than those already identified.

Free reserves, that is those funds not tied up in fixed assets, designated and restricted funds, are positive and correspondingly the School's balance sheet shows net current assets at the year-end.

Total unrestricted reserves at the year-end amounted to £3,918,802. These have been generated over the years by the School, in order to maintain buildings and standards of education. This surplus could only be realised by disposing of fixed assets used in the running of the School.

Where fixed assets are donated to the School they are allocated to a restricted reserve at their value at the time of the gift. The reserve is then released to general funds over the asset's useful economic life.

Designated funds are created by the Headmaster by setting aside or "earmarking" funds out of the unrestricted funds for the specific purposes.

None of the various funds were in deficit at the year-end or at any time during the year.

#### **GOVERORS' REPORT**

#### FOR THE YEAR ENDED 31<sup>ST</sup> AUGUST 2018

#### **Key Performance Indicators**

#### PRINCIPAL RISKS AND UNCERTAINTIES

The Full Governing Body annually reviews the School's Risk Register. The generic controls used by the School to minimise risk include:

- detailed terms of reference together with formal agendas for Committee and Board activity;
- strategic development planning, reviewed annually;
- · comprehensive budgeting and management accounting;
- · established organisational structures and lines of reporting;
- · formal written policies including clear authorisation and approval levels;
- safeguarding and recruitment procedures as required by law.

The most significant risk facing the School would be a decrease in its pupil roll which is mitigated by the marketing effort. Other significant high likelihood risks and their mitigation are:

- Failure to develop and maintain infrastructure Annual CAPEX programme, development and maintenance plans.
- Health and Safety Incidents External audits, internal checks and training.
- Failure to attract high quality staff Suitable terms and conditions and salaries and provision of high quality resources.
- The substantial increase in employer contributions to the Teachers' Pension Scheme from September 2019 will substantially affect budget surplus unless a suitable alternative can be provided.
- The threat of the abolition of Business Rates Relief and imposition of VAT on school fees will, if imposed, require a fundamental review of the financial structure.

#### **Plans for Future Periods**

The Beechwood Park School Development Plan, which covers the facilities available for teaching as well as the teaching and support staff, continues to be reviewed by the SLT and Governing Body. This plan has the objective of continuing improvement in the education of children at the School. There is an ongoing prioritisation process which allows the School continually to invest when cash reserves/budgets allow.

#### STATEMENT OF ACCOUNTING AND REPORTING RESPONSIBILITIES

The Governors are also the directors under company law.

- make reasonable and prudent judgements and estimates;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

  with the Companies Act 2006 and Charities Act 2011;

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purposes of expressing an opinion on the
  effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **ACCOUNTING POLICIES**

for the year ended 31 August 2018

#### 1 ACCOUNTING POLICIES

Beechwood Park School Limited is a company limited by guarantee with registered number 00820476, incorporated and domiciled in England and Wales. Its registered office is Beechwood Park School, Markyate, St Albans, Herts, AL3 8AW.

#### 1.1 BASIS OF PREPARATION

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charitable Company is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

#### 1.2 GOING CONCERN

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charitable entity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charitable entity's forecasts and projections and have taken account of pressures on donation and investment income. After making enquiries the trustees have concluded that there is a reasonable expectation that the charitable entity has adequate resources to continue in operational existence for the foreseeable future. The charitable entity therefore continues to adopt the going concern basis in preparing its financial statements.

#### 1.3 COMPANY LIMITED BY GUARANTEE

The company is limited by guarantee, the guarantors at the present time being the Governors, to the extent of £1 each.

#### 1.4 FEES RECEIVABLE AND SIMILAR INCOME

Fees receivable and charges for services and use of premises are accounted for in the period in which the service is provided. Fees receivable are stated after deducting allowances, scholarships and other remissions granted by the school.

#### 1.5 DONATIONS AND FUND ACCOUNTING

Donations received for the general purposes of the school are included as unrestricted funds. Donations restricted by the wishes of the donor or the terms of an appeal are taken to restricted funds.

#### 1.6 EXPENDITURE

Expenditure is allocated to expense headings, which aggregate all costs relating to the category either on a direct cost basis, or apportioned according to time spent. The irrecoverable element of VAT is included with the item of expense to which it relates.

All costs associated with the provision of education are allocated to Charitable Expenditure. Only the costs directly associated with, or incurred solely in, Raising Funds are allocated to this category.

Governance Costs comprise of the costs of running the charity, including strategic planning for future developments, external audit, legal advice and a proportion of staff costs relating to compliance with constitutional and statutory requirements, such as the costs of Governors meetings.

#### **ACCOUNTING POLICIES**

for the year ended 31 August 2018

#### 1.7 FIXED ASSETS AND DEPRECIATION

All fixed assets are used in direct furtherance of the school's objectives. Fixed assets are included in these financial statements at their original cost less depreciation provided to date.

Assets that cost less than £1,000 are not capitalised and are written off in the year of purchase.

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the costs less estimated residual value of each asset, by equal annual instalments, over their expected useful lives which are considered to be:

Freehold buildings and improvements

Fixtures and fittings

Motor

Computers

Over 50

3-10 years

5 years

3 years

#### 1.8 STOCKS

Stocks are stated at the lower of cost or net realisable value.

#### 1 9 DENSIONS

Full-time and part-time teaching staff employed under a contract of service are eligible to contribute to the Teachers' Pension Scheme (TPS). The TPS, a statutory, contributory, final salary scheme is administered by Capita Teachers' Pensions on behalf of the Department for Education and Skills.

Costs include normal and supplementary contributions. The regular cost is the normal contribution, expressed as a percentage of salary of a teacher newly entering service, which would defray the cost of benefits payable in respect of that service. Variations from the regular pension cost are met by a supplementary contribution. This occurs if, as a result of the actuarial investigation, it is found that the accumulated liabilities for benefits to past and present teachers are not fully covered by normal contributions to be paid in the future and by the fund built up from past contributions. The normal and supplementary contributions are charged to the income and expenditure account in the year.

The school also pays contributions into a Group Personal Pension Scheme for Support staff. The Scheme is a defined contribution pension scheme. The assets of the Scheme are held separately from those of the School in an independently administered fund. The Pension Scheme charge represents contributions payable by the school in accordance with the rules of the Scheme.

#### 1.10 LEASES AND HIRE PURCHASE CONTRACTS

Rentals paid under operating leases are charged to the Statement of Financial Activities evenly over the period of the lease.

#### 1.11 CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

#### 1.12 FINANCIAL INSTRUMENTS

The company has elected to apply the provisions of Section 11. 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exceptions of prepayments and deferred income all other debtor and creditor balances are considered to be basic financial instruments under FRS 102. See notes 9, 11 and 12 for the debtor and creditor notes.

#### 1.13 TAXATION

The company is a registered charity and is exempt from taxation as afforded by Section 505 ICTA 1988.

#### 1.14 EMPLOYEE BENEFITS

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 August 2018

#### **2 KEY ESTIMATES & JUDGEMENTS**

In the application of the company's accounting policies, the Governors' are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the opinion of the Governors, the estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined below.

#### **Critical judgements**

Useful economic lives

The annual depreciation charge for property, plant and equipment is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

#### 10 GOVERNORS REMUNERATION AND BENEFITS

There were no Governors' remuneration or other benefits for the year ended 31 August 2018 nor for the year ended 31 August 2017.

Travel and training expenses of £2,494 (2017: £2,863) for 11 governors were paid by the charity during the year.

#### 11 PENSIONS

The School participates in the Teachers' Pension Scheme ('the TPS') for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £426,788 (2017: £405,569) and at the year end £57,863 (2017: £55,518) was included in creditors in respect of contributions to this scheme.

The TPS is an unfunded multi-employer defined benefits pension scheme governed by the Teachers' Pension Scheme Regulations 2014. Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The employer contribution rate is set following scheme valuations undertaken by the Government Actuary's Department. The latest actuarial valuation of the TPS was prepared as at 31 March 2012 and the valuation report, which was published in June 2014, confirmed an employer contribution rate for the TPS of 16.4% from 1 September 2015. Employers are also required to pay a scheme administration levy of 0.08% giving a total employer contribution rate of 16.48%.

This employer rate will be payable until the outcome of the next actuarial valuation, which is due to be prepared as at 31 March 2016 and completed in 2018, with any resulting changes to the employer rate expected to take effect from 1 April 2019. This valuation will also determine the opening balance of the cost cap fund and provide an analysis of the cost cap as required by the Public Service Pensions Act 2013.

The support staff are members of The Pension Trust Scheme which is a defined contribution scheme; the school contributes between 3% and 9% dependent on the position of the employee in the school and the employees contribute between 3% and 15%. The pension charge for the year includes contributions payable of £103,052 (2017: £119,652) and at the year end £8,226 (2017: £1,000) was included in creditors.
