**Notes to the Abbreviated Accounts for the period ended 31 December 2014****1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

**Turnover policy**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

**Tangible assets depreciation policy**

Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each

asset over its expected useful life, as follows:

Land and buildings - not depreciated

**Other accounting policies****Stock**

Stock is valued at the lower of cost and net realisable value.

**Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at

the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions: Deferred tax assets are recognised only to the extent that the director considers that it is more likely than

not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
