## STATEMENT OF RESPONSIBILITIES OF THE MEMBERS OF THE COUNCIL

Company law requires the Members of the Council to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the surplus or deficit for that financial year. In so doing the Members of the Council are required to:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Members of the Council are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985.

They are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### ON THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 JULY 1998

We have audited the financial statements on pages 4 to 6 which have been prepared under the historical cost convention, and the accounting policies set out on page 6.

## Respective responsibilities of the Members of the Council and Auditors

As described on page 2, the company's Members of the Council are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

## Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Members of the Council in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 July 1998 and of its result for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.
