DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MARCH 2010

The directors present their report and audited financial statements for the year ended 31 March 2010. This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

RESULTS AND DIVIDEND

There was an operating profit of £208,789 for the financial year ended 31 March 2010 (2009 £1,005). This will be remitted to RNID, the parent undertaking, under gift aid.

PRINCIPAL ACTIVITIES, TRADING REVIEW AND FUTURE DEVELOPMENT

The principal activities for the year consisted of commercial sponsorship agreements with commercial participators and fund-raising events. Income for the year was generated mainly from commercial affinity schemes, the registration fees for event participation and commercial sponsorship agreements.

Trading operations have continued to generate a profit; this year we generated a profit of £208,789. All profits will be transferred to the parent undertaking. Last year we generated a profit of £426 after tax, which was retained. Profits have risen significantly in comparison to the last financial year, largely due to the fundraising partnership with the Co-operative Group. However, it is unlikely that this increased performance will continue in future years and profits are likely to revert to pre-2010 levels.

There have been no events since the balance sheet date that materially affect the position of the company.

DIRECTORS

The directors of the company, and those who acted during the year, are

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently
- make judgments and accounting estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

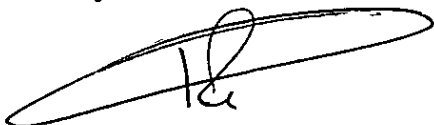

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each director is aware, there is no relevant audit information of which the company's auditors are unaware. The directors have each taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

Horwath Clark Whitehill LLP have expressed their willingness to continue as auditors for the next financial year.
