1. Progress of the Administration

Work undertaken during the period

This progress report has been prepared from information available at the time of its preparation. Due to the global outbreak of Covid 19 and the UK's response to this, requiring working from home and necessarily a lack of access to physical files or other information, we should advise that we may not have all the information required to ensure this report is both complete and accurate. Where there are errors and/or omissions we will endeavour to correct these where possible in our next report to you.

 ${\bf I}$ attach at **Appendix C** a schedule of work undertaken during the period together with a summary of work still to be completed.

Highlights include:

- · Preparation of trading accounts;
- Providing updates to the secured lender;
- Paying dividends to the secured lender;
- Monitoring the collection of book debts;
 Liaising with the purchaser to agree apportionments; and
- Commencement of creditor claim adjudication

The schedule of work details the work required to realise the following assets:

- · Deferred consideration; and
- Book debts

Attached at **Appendix E** is a receipts and payments account detailing both transactions for the period of this report and also cumulatively since my appointment as Administrator.

Investigations

Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims against directors or other parties,

Arjo Wiggins Fine Papers Limited (In Administration) The Administrators' Progress Report and what recoveries could be made. I have reviewed the Company's books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they have regarding the way in which the Company's business has been conducted.

Further details of the conduct of my investigations are set out in the schedule of work attached. I can confirm that no further investigations or actions were required.

Extension to the initial period of appointment

The administration was due to come to an automatic end on 13 January 2020. An application was made to the secured creditor seeking an extension of the administration for a further period of 12 months. The secured creditor consented to the extension on 21 November 2019. The administration will now come to an automatic end on 13 January 2021.

Anticipated exit strategy

It is currently estimated that there will be insufficient funds available to pay a dividend to unsecured creditors other that from funds available under the prescribed part. Therefore, a notice will be sent to the Registrar of Companies in accordance with Paragraph 84 to the Schedule B1 to the Insolvency Act 1986 to bring the administration to an end and three months after filing of the notice the Company will be deemed to be dissolved.

2. Estimated Outcome for the creditors

The estimated outcome for creditors was set out in the Administrators proposals.

Outcome for the secured creditors

AWFP granted a fixed and floating charge security over its assets to SQN under the term of the debenture created 17 December 2015 and a Standard Security dated 30 September 2015. SQN had a principal debt of £15.2m outstanding at the date of Administration.

To date, SQN has received £14.3m in interim distributions in respect of their fixed and floating charge. It is estimated that SQN will suffer a shortfall; but this value will be determined by ongoing debtor collections and recovery of the remaining deferred consideration.

Outcome for the preferential creditors

Preferential creditors totalled £39.5k and have received a full repayment in respect of their debt.

Outcome for the unsecured creditors

It is currently estimated that there will be no dividend to unsecured creditors other than from funds available under the Prescribed Part.

Prescribed Part

The prescribed part is a carve out of funds available to the holder of a floating chare which is set aside for the unsecured creditors in accordance with Section 176A of the Insolvency Act 1986. The prescribed part only applies where the floating charge was created after 15 September 2003 and the net property available to the floating charge holder exceeds £10k. In terms of Section 176A of the Insolvency Act 1986 the value of the prescribed part shall not exceed £600,000.

It is anticipated that the maximum of £600k will be available to unsecured creditors by way of prescribed part.

Arjo Wiggins Fine Papers Limited (In Administration) The Administrators' Progress Report Based on the level of creditors received to date, it is anticipated that the prescribed part dividend will be less than 1p in \pounds .

3. Administrators' remuneration, disbursements, expenses and pre-appointment costs

. Administrators, remuneration

The secured creditor, SQN, passed a resolution that the Administrators' remuneration should be calculated on a time cost basis. SQN has approved the Joint Administrators' fees at £2.3m plus VAT for the period of the Administration. The fees have been drawn in full from the funds available in the Administration.

A breakdown of our time costs incurred during the period of this report and to date is attached at **Appendix D**. The Administrators are unable to draw fees based on time costs exceeding the amount agreed by SQN without further approval of the secured creditor. It is currently estimated that the costs of the Administration will not be recovered in full.

Administrators' disbursements

The Administrators' disbursements are a recharge of actual costs incurred by the Administrators on behalf of the Company. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the period of this report are set out in **Appendix D**.

Administrators' expenses

An estimate of the Administrators' expenses was set out in the Administrators' proposals. I attach at **Appendix F** a statement of expenses that have been incurred during the period covered by this report. It is currently expected that the expenses incurred or anticipated to be incurred are not likely to exceed the details previously provided.

When instructing third parties to provide specialist advice and services, or having the specialist services provided by the firm, the Joint Administrator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work being undertaken. This is reviewed by the Arjo Wiggins Fine Papers Limited (In Administration) The Administrators' Progress Report

Joint Administrator periodically throughout the duration of the assignment. The specialists chosen may regularly be used by the Joint Administrator and usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

Creditors have a right to request further information from the Administrators and further have a right to challenge the Administrators' remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the reporting period as set out in **Appendix F** only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link https://creditors.frpadvisory.com/info.aspx and select the one for administrations. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.

Administrators' pre-appointment costs

The secured lender has approved the Joint Administrators' pre-appointment fees at £64,594.25 and disbursements at £700.64. These approved costs have been paid from funds available in the Administration.

The table below sets out a detailed summary of the work undertaken by the office holder(s) during the reporting period together with an outline of work still to complete.

Where work undertaken results in the realisation of funds (from the sale of assets; enhanced recoveries and potentially a reduction in creditor claims if the business has continued to trade and is sold following appointment; recoveries from successful actions taken against third parties), there may be a financial benefit to creditors should there be sufficient funds available to make a distribution to one or more class of creditor. In this case work undertaken will include the scrutiny and agreement of creditor claims.

A proportion of the work undertaken by an Insolvency Practitioner is required by statute, including ensuring the appointment is valid, notifications of the appointment to third parties, regular reporting on the progress, notifying statutory bodies where required in relation to the conduct of the directors, complying with relevant legislation and regulatory matters. This may not have a direct financial benefit to creditors but is substantially there to protect creditors and other stakeholders and ensuring they are kept informed of developments.

| Note | Category | |
|------|---|---|
| 1 | ADMINISTRATION AND PLANNING Work undertaken during the reporting period | ADMINISTRATION AND PLANNING Future work to be undertaken |
| | Regular case management and review of progress and strategy including regular team meetings, ongoing monitoring of the case to include completion of checklists, diary management systems and file reviews, updates and other communications. | Maintain working case files and case management system. Arrange storage of |
| | Maintain working files and case management systems. | the records when the objective of the administration is achieved for the relevant required period. |
| | Accounting for the payment of expenses and the receipt of funds. | Administering bank accounts for the purpose of the administration. |
| | Carrying out reconciliations of the estate bank accounts and ensuring appropriate placement of funds. | Continue to carry out bank reconciliations to ensure the production of accurate reports when required. |
