NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2007

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007)

Exemption from preparing consolidated financial statements

The financial statements contain information about British Motorcyclists Federation (Enterprises) Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 248 of the Companies Act 1985 from the requirements to prepare consolidated financial statements.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Not depreciated
Fixtures and fittings	- 15% on reducing balance
Computer equipment	- 33% on cost

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.

Freehold property

No depreciation has been provided on freehold property. It is the company's policy to maintain these assets in a continual state of repair and to make improvements thereto from time to time. Accordingly, the directors consider that the life of the assets is so long, and their residual value based on prices prevailing at the time of acquisition so high, that depreciation is insignificant. Any permanent diminution in value is charged to the profit and loss account. The directors perform annual impairment reviews in accordance with the requirements of FRS 15 and FRS 11 to ensure that the recoverable amounts are not lower than the carrying value.

Investments

Investments are included at cost less residual amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.
