## 1 Introduction

In accordance with Rules 18.3 and 18.7 of the IR 2016, I am providing creditors with an annual progress report which should be read in conjunction with my previous reports. Additional information in respect of the Company and office holders is attached at Appendix A.

This report provides creditors with the following information:

- The work undertaken by me and my staff in the period of the report, why that work was necessary, and any anticipated future work and why that work is necessary;
- The costs and the payments in relation to the work undertaken including any expenses incurred in connection with the work;
- Whether it is anticipated that the work will provide a financial benefit to creditors, and if so the nature of the anticipated benefit.

## 2 Estimated Return to Creditors

There will be no funds to pay a dividend to the unsecured creditors.

## 3 Realisation of Assets

No assets have been realised during the reporting period.

## 4 Investigations

As previously reported, the only outstanding matter is the Company's pension scheme. I have liaised with the pension provider who has informed me that the ownership of the remaining member benefit was in the process of being transferred, however, they have failed to provide me with a written confirmation of the same. Given the continued delay in progressing this I will be seeking guidance from an agent who specialises in this field in the next reporting period.

The matter will be resolved in the next reporting period and a final account made available to all members and creditors.

This work will not provide a net financial benefit to creditors as it is purely a statutory requirement which must be resolved prior to concluding the liquidation and obtaining my release from office.

## 5 Professional Agents, Advisors and Sub-Contractors

I have not instructed any professionals nor subcontracted any work during the period covered by this report.

## 6 Statutory and Professional Compliance

I am required, as Liquidator, to meet a considerable number of statutory and regulatory obligations. This work does not provide a direct financial benefit to creditors but is a necessary requirement of the liquidation process.

Whilst these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progression of the liquidation. This ensures that my staff and I carry out our work to high professional standards.

In order that creditors can have an informed understanding of these matters, they are listed at Appendix C1.

## 7 Creditor Communication, Claims and Distributions

### 7.1 Communication

I am required, as Liquidator, to undertake certain tasks in relation to creditors' claims. This work does not provide a direct financial benefit to the liquidation estate but is essential to the administration of the case.

In order that creditors can have an informed understanding of these matters, they are also listed at Appendix C1.

### 7.2 Claims

The current position as regards creditors' claims is detailed below.

#### 7.2.1 Secured Creditors

Barclays Bank Ltd holds a fixed and floating charge over the Company's assets which was delivered on 23 July 1976.

At the date of liquidation, the indebtedness was estimated at £14,154.41 and a claim of £14,271.05 was received in the liquidation and has not yet been agreed.

To date, no sums have been paid in respect of this charge.

#### 7.2.2 Preferential Creditors

The Statement of Affairs showed preferential creditors with a total value of £1,380 with regards holiday pay. No preferential claims have been received to date from any employees of the Company.

The Redundancy Payment Office have lodged a non-preferential claim in the liquidation.

#### 7.2.3 Non-Preferential Creditors

The Statement of Affairs showed creditors with a total value of £174,133.

I have received 16 claims totalling £219,303.65 but I have not adjudicated on any of these claims yet. I am aware of further creditors who have not yet submitted their claims. Their total estimated debts are a further £38,314.96.

There will be insufficient funds to pay a dividend.

## 8 Fees and Expenses

### 8.1 Post-Appointment Fees

The basis of the Liquidator's remuneration was approved by the creditors at a meeting of creditors held on 8 November 2011. The remuneration was approved on a time cost basis.

The time charged during my period as office holder is based on computerised records capturing time charged by myself and my staff in dealing with the conduct of the case.

### 8.2 Time Costs Incurred to Date

A breakdown of the time costs incurred in the period of the report and for the entire period of my appointment is attached at Appendix C2.

It is Griffins' policy to use the most junior grade of staff compatible with the efficient conduct of a matter, in order to ensure that costs to creditors are kept to a minimum. Where investigation work has been undertaken, this will normally be carried out by a senior member of staff and partner. Such investigations are conducted with regard to the level of assets available to fund any further investigations or actions, and the materiality of any matters that have been identified.

A copy of Griffins charge-out rates is available for download at <http://www.griffins.net/technical/>.

The time costs my staff and I have recorded as incurred for the period of this report, 8 March 2021 to 7 March 2022, total £2,705.36, representing 11.33 hours at an average rate of £238.71.

The time costs my staff and I have recorded as incurred for the entire period of my appointment total £41,531.82, representing 158.25 hours at an average rate of £262.44.

To date I have not drawn any fees for acting as Liquidator and all current and future time costs will be written off.

### 8.3 Expenses

Expenses are any payments from the insolvency estate which are neither an office holder's remuneration, nor a distribution to a creditor or a member.

Expenses fall into two categories:

Category 1 expenses: These are payments to persons providing the service to which the expense relates, who are not an associate of the office holder.

Category 2 expenses: These are payments to associates, which have an element of shared costs.

Griffins do not utilise any service providers who are associates of the firm. Additionally, it is not Griffins' policy to charge, or re-charge, expenses that are not directly referable to the appointment in question.

The table below details the actual expenses and disbursements incurred to date. This table should be read in conjunction with the Receipts and Payments Account at Appendix B.

Nature of expense incurred	Notes	Expenses incurred in previous periods	Expenses incurred in period of report	Total Expenses
		£	£	£
Agent/Valuers Fees		1,750.00	0.00	1,750.00
Specific Bond	1	35.00	0.00	35.00
Statutory Advertising		335.16	0.00	335.16
Utilities		332.68	0.00	332.68
Irrecoverable VAT		32.20	0.00	32.20
Postage Costs		0.00	2.40	2.40
TOTAL		2,485.04	2.40	2,487.44

Note 1: The specific bond is required by the Insolvency Practitioner on all insolvency appointments with regards estimated value of insolvent assets.

## 9 Receipts and Payments Account

An account of my receipts and payments for the period of this report is at Appendix B, together with a cumulative account for the entire period of my appointment and a comparison with the amounts recorded in the Statement of Affairs.

The receipts and payments account reflects actual payments made to date rather than accrued unpaid expenses (see table in 8.3 above for total expenses incurred to date).
