STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the Annual Report and the accounts in accordance with applicable law and regulations.

The Companies Act 1985 provisions which, as mentioned above, continue to apply to the Company's annual report and accounts for this financial year, require the Directors to prepare accounts for each financial year, which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those accounts, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the accounts comply with the Companies Act 1985 provisions which, as mentioned above, continue to apply to the Company's annual report and accounts for the financial year. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ELECTIVE REGIME

The Company has passed an Elective Resolution in accordance with the Companies Act 1985 to dispense with the holding of annual general meetings, and the laying of accounts and reports before general meetings which will continue to apply where there is a requirement in the Articles of Association to hold an annual general meeting.
