Trustees' responsibilities in relation to the financial statement

The Trustees (who are also directors of Globe Town Community Association for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure for that period.

In preparing these financial statements, the Trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;

(A company limited by guarantee)

This is a report to the Trustees of Globe Town Community Association on the accounts for the year ended 31 March 20 which are set on pages 9 to 20.

Respective responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- · accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST MARCH 2020

1. ACCOUNTING POLICIES

1.1 Basis of preparation of accounts

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charity SORP (FRS 102) as amended by Bulletin 1), The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Globe Town Community Association meets the definition of a public benefit entity under FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

1.2 Preparation of accounts on a going concern basis

The charity's Financial Statements show net profit of £28,21,679 for the year and free reserves of £28,44,012 as at the year end. The Trustees are of the view that these results and fundraising plans for the future have secured the immediate future of the Charity for the next 12 months and on this basis the charity is a going concern.

1.3 Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and amount can be measured reliably.

- (a) Income received by grants and donations are included in full in the Statement of Financial Activities when received, unless they relate to a specified future period, in which case they are deferred.
- (b) Income from charitable activities received by way of revenue grants and donations are credited to restricted income on the earlier date of when they are received or when they are receivable, unless they relate to a specified future period, in which case they are deferred.
- (c) Grants and donations of general nature which are not conditional on delivering certain levels of service are included as part of Grants and Donations as shown under note 2. Performance related grants and donations which have conditions for a specific outcome are included as Income from Charitable Activities as shown in Note 3.
- (d) Income from charitable activities include income recognised as earned (as the related goods and services are provided) under contract.

1.4 Volunteers and donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the charity is not recognised in the main body of the financial accounts but detail is contained in the Trustees report.

On receipt, donated professional services, donated facilities and goods are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

(A company limited by guarantee)

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST MARCH 2020

1.5 Expenditure recognition and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

- (a) Cost of raising funds comprises costs of seeking grants and donations and their associated support
 costs
- (b) Expenditure on charitable activities include expenditure associated with the main objectives of the charity and include both the direct costs and support costs relating to these activities.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1.6 Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The basis on which support costs have been allocated are set out in note 6.

1.7 Fund accounting

The general fund comprises those monies, which may be used toward meeting the charitable objectives of the charity at the discretion of the Board.

The restricted funds are monies raised for, and their use restricted to, a specific purpose or donations subject to donor imposed conditions.

1.8 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Individual fixed assets costing £700 or more are capitalised at cost.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases.

Freehold property

Not depreciated

Plant and machinery

10% reducing balance

1.9 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term cash deposits.

1.11 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.12 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

In the application of the company's accounting policies, the charity is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
