#### REPORT OF THE DIRECTORS

The Directors present their annual report on the affairs of the Company together with the financial statements and Independent Examiner's Report for the year ended 31 March 2020.

#### Aims and activities

NTC Touring Theatre Company Ltd's mission statement is:

To make professional touring theatre of the highest quality accessible to those communities who are theatrically disenfranchised through geographic, economic, social or transport constraint, theatre which is made in Northumberland for a national audience, theatre which is accessible and relevant, is innovative and entertains with integrity and humour. In addition, to provide the highest quality training and support to new and emerging theatre practitioners in the region, through on-the-job training opportunities.

#### Public benefit statement

The Directors and management are committed to providing a public benefit and have considered the Charity Commission's guidance in this area. The Company's principal business is to make high quality, professional theatre accessible to those in theatre-less zones throughout the country, theatre which appeals to a broad audience with affordable ticket pricing and which engages new audiences. Through its employment schemes, to provide education and training in all areas of the performing arts, accessible to anyone over 18 in the Northern Region at no cost. In addition, the professional training received benefits public audiences and the wider community when the trainees enter the profession full time.

#### Achievements and performance

The Company's principal business is the provision of a touring theatre service to communities of the region covered by the Arts Council England, North (ACEN) and nationally, thus making theatre accessible to those who may not otherwise attend.

What an extraordinarily busy year!

#### Good bits:

- We successfully produced three new plays, two retours and one pantomime.
- Footfall at the Centre continued to grow.
- We provided 3 training opportunities for emerging actors.

#### Sad bit:

Gillian Hambleton retired after working for NTC for over 30 years.

#### Exciting bit:

Lewis Matthews (Louis Roberts – the cheery one in the Xmas show) has accepted the role of Artistic Director.

#### REPORT OF THE DIRECTORS

We would like to thank most warmly all those who have helped us this year; our funders who have supported us and enabled us to produce six plays; the venues and promoters (many of whom are volunteers) who have continued to support us; our audiences who have come to see our shows, our Friends, who now number 68, and last, but not least all the actors, stage managers and design teams who have given their unstinting support to the Company. We would also like to thank our growing base of volunteers and audience members who regularly attend the Dovecote Centre.

Touring programme:

'it was 'light, funny and daft!' Encore! We were left wanting more!' Dracula audience member

During the year, the Company staged six plays: in May, we retoured 'Dracula: The Travesty!' by Stewart Howson, in the autumn 'The Stars Look Down' by Alex Ferguson, 'Scaredy Bairns' at Halloween, 'The Snow Queen' by Gill and Rick Juckes, 'Beauty and the Beast – The Panto!' by Gill Hambleton and Stewart Howson and finally, but by no means least 'The Angels of the North' based on the book by Joyce Quinn and Moira Kilkenney. The audience and critical response to these productions was excellent.

#### REPORT OF THE DIRECTORS

Key statistics for the year include:

- 66% of the Company's work was new writing.
- The Company employed 137 actor weeks in rehearsal and performance and 100% of actors were locally based.
- The Company provided 49 weeks of employment for technical and production staff, 100% of whom were locally based.
- There were the equivalent of 2.6 full-time staff, comprising Artistic Director, Trainee Artistic Director, Tour Administrator, trainee actors and designers and a Finance Manager.
- The Company gave a total of 103 (2019 85) performances, of which 90% were in the Northern region. The total audience was 6,781, an increase of 35%.
- Over 252 volunteer venue promoters supported the Company over the 5 outreach shows. There were 19 new venues.

# The Dovecote Centre – Community Hub and Arts Centre

We moved into the Dovecote Centre in February 2018. It is wonderful to see how things have grown in such a short period of time, this year we had 36 (22) cinema showings to which 1,005 (876) people came and 6 (1) theatre/musical events, including The Pitmen Poets, Bottle Bank Band and the Johnny Miller Band. We were also thrilled to have NTC perform 23 times in the Centre, including 3 schools' performances of 'Snow Queen' and 14 of the Panto – Beauty and the Beast. We are now home to the Amble Quilters, The Puffin Theatre Club and a Fourth Action and have been used as a polling station. Footfall for the year was 8,129 (3,464).

'The venue was small and intimate with good facilities and easy access for all.' Audience member

All this has been helped by the Foyle Foundation's grant of £20,000 towards our NTC at the Dovecote Centre project.

#### REPORT OF THE DIRECTORS

The Board would like to thank all the staff for their hard work.

# Fundraising activities

We succeeded in raising £67,202 (2019 - £33,669) from Trusts and £14,000 (2019 - £13,000) from Arts Council for core and show costs. Many Trusts and Foundations are unable to support more than one project a year or offer the security of long term funding. However, a number of trusts have supported us as often as their guidelines permit and we would like to thank them for their continued support: The Joicey Trust, The Sir James Knott Trust and The Hadrian Trust, to name but a few.

We would like to thank everyone who contributed to our donation pot whilst on tour.

#### Other activities

We were involved in a number of workshops and activities during the year:

- An audition workshop was held these workshops are useful to both NTC and the participants, we find new and exciting actors and they hone their skills.
- NTC were selected to perform 'Pitman's Parliament' to school children in Durham and also a one-off piece for Hands Off Productions.

'Superb production of The Snow Queen - a delight from start to finish. Would be great if these productions had some central funding - as the level of professionalism is so high is difficult to believe they have to completely find themselves. A pleasure to support the Northumberland Theatre Company - well done all!'

#### REPORT OF THE DIRECTORS

#### Financial review

We have had a very busy year, the increase in footfall to the Dovecote Centre, 4 touring shows, 1 outdoor show and 1 Pantomime to many diverse audiences and a small surplus! The failure to achieve Arts Council funding for either the autumn show or the Pantomime was disappointing. We would like to particularly thank the actors, stage managers and design team for agreeing to work for rates significantly below the ideals set by ITC and Equity. The rates agreed between ITC and Equity look to be increasingly unachievable in the rural touring theatre world without consistent support by the Arts Council.

This year's Theatre Tax Relief enabled us to produce 'The Stars Look Down' by Alex Ferguson. Without the Theatre Tax Relief, we would not have been in a position to produce either the autumn or Christmas play this year. Theatre Tax Relief has enabled NTC to keep producing high quality work as it allows us to plan ahead. We will have no Theatre Tax Relief in 2021 because all shows in 2020/21 have been cancelled due to the Covid-19 pandemic - we will need to review our fundraising to bridge this loss.

NTC have agreed the purchase of the Dovecote Centre for £85,000 from the Newcastle Diocese Education Board Ltd and the Newcastle Diocesan Society. The sale was to have been complete in June 2020, unfortunately due to the pandemic the purchase has been postponed until the autumn.

#### Internal and external factors

We are a project-funded theatre company; we have to raise funds on a show-by-show basis. The lack of available recurring funding is a challenge. We are working towards a sustainable level of earned income to support core costs; the Theatre Tax Relief is helping us to achieve this.

#### REPORT OF THE DIRECTORS

#### Reserves policy and going concern

Since the cancellation of our Arts Council funding in 2010, the Company's reserves have been wiped out. The new SLA with Northumberland County Council is enabling the company to plan ahead with confidence which should, over time, improve our sustainability. The company core has negative current assets of £571 (2019 - £7,137) at the year-end (see notes 13 and 14). Increasing reserves is going to be a slow process. We are seeking a fundraiser to help improve our fundraising success rate.

Due to the pandemic, all employees have been flexibly furloughed until 31 October 2020. Subject to Government guidelines, we plan to re-open in November.

Investment policy

We aspire to have free reserves to invest.

Investment powers

The Directors are able to invest and deal with the monies of the Company not immediately required in such manner as they may from time to time determine.

'It has been a complete dream working with Northumberland Theatre company over the last few months. I would wholeheartedly recommend the actor traineeship scheme at NTC to anyone getting started in the industry.

This is by far the longest run of a show I have performed in and I have honestly learned so much over the last few months and the whole experience is one that I have found immensely valuable, both professionally and personally.' Emily Fay Palmer-Giles (The Snow Queen - Trainee)

#### REPORT OF THE DIRECTORS

#### Plans for the future

After such a wonderful year this year, we couldn't wait to get going in 2020-21 and then the pandemic hit. Sadly, our autumn production of 'Jekyll and Hyde', our Christmas production of 'Alice in Wonderland' and our Pantomime 'Cinderella' have all had to be cancelled.

Confirmed productions in 2020-21:

'Once upon a Halloween' by Louis Roberts.

A chilling (yet child friendly) and thoroughly ridiculous outdoor performance to celebrate everything that goes bump in the night.

'The Angels of the North' – A lovely piece based on the book by Joyce Quinn and Moira Kilkenny, sadly the tour was cut short due to the pandemic. A re-tour is planned for March 2021.

'Went along to opening night of Angels of the North - absolutely loved it! The best piece of theatre I've seen in a long time - funny, moving and a delight to see and hear the tales of these forgotten women. Would thoroughly recommend.' Audience member

The socio economic impact of COVID 19 has been devastating particularly for large parts of the Arts, Culture and Entertainment Sectors. We have aimed since March to manage that impact on NTC of this crisis by respecting the COVID 19 guidance, ensuring that scarce resources are used prudently and government funded, including the furlough scheme, is accessed to support our staff and our organisation.

Sadly, we have produced no work since April and when we compile the annual report this time next year we will better understand the full consequences of the Pandemic. Meantime, the Board and our loyal staff and supporters will manage a changing landscape and endeavour, if permitted, to deliver productions later in the year.

#### Our key objectives are to:

- Ensure a future base for the Company through the purchase of the Dovecote Centre. We will also be seeking capital funding to update the Centre and create the facilities the people of Amble deserve.

#### REPORT OF THE DIRECTORS

- Provide a community cultural hub to the people of Amble including theatre, small-scale cinema, music and other such events from our new premises.
- Source a minimum of two funded shows per annum to enable the continuation of delivery of high quality theatre activities in rural and other disenfranchised communities.
- Work towards achieving NPO status with Arts Council in 2023 through extending our outreach offer, collaborating with other organisations and the introduction of Theatre Clubs at the Dovecote Centre.
- Generate a higher proportion of our income from audiences in a bid to make the company more sustainable, partly by making working with theatre venues and secondly by increasing our charges steadily to better reflect the market price of our product.
- Seek funding to sustain quality training and support to new and emerging theatre practitioners in the region through trainee opportunities, master classes and workshops.

# Directors' Responsibilities

The trustees (who are also directors of NTC Touring Theatre Co. Ltd. for the purposes of company law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair

view of the state of affairs of the charitable company and of the incoming resources and application of resources,

including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

#### REPORT OF THE DIRECTORS

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Directors' Responsibilities

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

The above report has been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies.

Signed on behalf of the Board of Directors

B Ellis Chair

Approved by the Board: 7/12/2020

'The story itself is traditional well-covered territory but the director invests it with a refreshing sense of physical theatre that causes us to see it anew, the short, sharp, economically scripted scenes adopting a slower gear only when necessary, such as the agonising section where the entombed men, the water rising relentlessly, realise they are doomed. There is also some eye-catching stylisation such as the miners' slow, cramped progress along narrow seams or the local society dance where the men are just dancing with dresses. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's report

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 2) the accounts do not accord with those accounting records;
- 3) or the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

# 1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements: -

#### a) Basis of preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

NTC Touring Theatre Company Limited meets the definition of a public benefit entity under FRS 102.

# b) Going concern

The financial statements are prepared on a going concern basis. The Board has a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. This includes taking into account the potential impact of COVID-19 to ensure that cashflow is positively managed and the impact to the charity's operations are mitigated. The Board has concluded that the going concern assumption is appropriate in preparing these financial statements.

#### c) Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. Items of equipment are capitalised where the purchase price exceeds £200. Depreciation is provided on all tangible fixed assets in equal instalments over their estimated useful lives down to their residual values. The following rates have been applied: -

Freehold property 2% straight line
Fixtures and fittings 20% straight line
Plant and equipment 20% straight line
Motor vehicles 20% straight line

#### d) Cash flow

The financial statements do not include a cash flow statement because the Company, as a small reporting entity, is exempt from the requirement to prepare such a statement.

#### e) Grants

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities upon a receivable basis.

#### f) Other incoming resources

Other income is shown exclusive of VAT, where applicable, and is included when receivable.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

# 1. ACCOUNTING POLICIES (continued)

# g) Leased assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against income as incurred.

#### h) Expenditure

Expenditure is recognisable in the period in which it is incurred. Expenses are analysed between:

- Costs of raising funds that represent the costs of securing support and donations;
- Costs relating to charitable activities comprise those costs incurred by the Company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be directly allocated to such activities and those of an indirect nature necessary to support them;
- Other costs include those costs associated with meeting the constitutional and statutory requirements of the Company and include the costs linked to the strategic management of the Company;
- Support costs relating to a single activity are allocated directly to that activity. Where costs relate to several activities they have been apportioned as set out in note 3.

#### i) Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

# k) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### 1) Creditors

Creditors and provisions are recognised where the Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### m) Pension costs

Contributions in respect of the Company's defined contribution pension scheme are charged to the Statement of Financial Activities for the year in which they are payable to the scheme. Differences between contributions payable and contributions actually paid in the year are shown as either accruals or prepayments at the year end.
