#### **Year ended 31 March 2022**

The Trustees, who are also the directors for the purposes of company law, present their report and the financial statements of the charity for the year ended 31 March 2022.

#### **Chair's report**

The Board of the Canterbury Theatre and Festival Trust presents its report for year ending 31 March 2022, which includes the 2021 Festival.

The Canterbury Theatre and Festival Trust is one of Kent's leading arts organisations, producing a two-week international festival, working year-round to commission and promote performances and exhibitions; working to build future audiences; fostering creative ambition and building talent and skills, and spearheading the cultural life of Canterbury. Its primary focus is the annual international Festival which ordinarily engages over 60,000 participants and whose profile and income generating powers are channelled in turn into year-round cultural activity for young people and communities who may not otherwise be involved with the arts.

Following the extraordinary period described in my previous report (which covered the 15-month period ending 31 March 2021) we moved cautiously into 2021/22 with a slightly expanded Festival, informed by our experiences of handling the 2020 Festival, while still being unable to return to our pre-pandemic level and range of activities, particularly in respect of our year-round activities with young people and local communities.

The 2021 Festival was framed around three large and spectacular choral and orchestral concerts in Canterbury Cathedral. Supersize Polyphony presented works for choirs of 40, 53 and 60 singers given by the Armonico Consort & Baroque Players supported by local singers; The Kingdom Choir brought their own energy and enthusiasm to UK gospel music, attracting a new and more diverse audience as a result; and the Canterbury Choral Society closed the programme with a popular programme of Haydn and Mozart.

Within this framework the usual range of talks, walks, physical theatre, comedy and science all broadened the experience. For some of these events (for example, the Young Musicians' Bursary Competition Final) it was possible once again to hold the event with a live rather than digital audience. The Beautiful Noise Community Celebration marked a welcome return of community music making in locations across the City with a selection of indoor and outdoor venues hosting bite-size performances throughout the day.

The Science strand provided an opportunity to present events around current issues of global concern, including: Living Wild, Weird and Wonderful (presented by Megan McCubbin) and a Global Climate Emergency discussion as part of Canterbury Climate Action Week.

The 2021 Festival therefore represented a welcome increase in activity over 2020 levels, with ticket sales achieved in excess of budget, and welcome support from donors and sponsors being maintained. Direct comparisons with 2020/1 are difficult as the 2020/21 accounts were for a 15-month period. The 2021/22 accounts contain a number of one-off expenses, for example increased marketing as we moved through the pandemic, and some capital expenditure to facilitate a greater digital capability in future years. But in broad terms, the small trading deficit in the accounts for 2021/22 was a deliberate decision by the Board, consequent on moving through the Covid pandemic, and can easily be accommodated from existing reserves.

The new (April to March) financial year also gave the Board, in January 2022, an opportunity to review the 2021 Festival before setting the budget for 2022/23. This was welcomed (by the Board at least): it was an opportunity, the first for a considerable time, to meet face-to-face, to receive a very detailed presentation of 2021/22 activities against the 2021/24 strategic plan, and to ask challenging questions. It was also possible to discuss how we use the Festival's reserves, our attitude to risk, to encourage costed proposals from the Festival Team for expenditure on new projects (which then came to the March Board meeting), and to re-consider what an "equal and diverse" Festival should look like.

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 31 March 2022**

This was a valuable meeting that gave a real sense of strategic direction, involvement and enthusiasm to all concerned. Chief amongst several proposals was the reinstatement of the Festival's education strand, working with young people and local communities, at the earliest opportunity. The Festival's own box office is now enabling the Festival to increase the provision of box office services to a number of other local organisations.

Once again, we acknowledge with gratitude the support of Arts Council England, our Partner and Principal Sponsor (Canterbury Christ Church University), our Headline Sponsors (Kent College, The Canterbury Auction Galleries, and Paul Roberts), other local sponsors, donors and audiences, who have sustained our ability, even in these difficult times, to bring the best of the arts to Canterbury in a rich and diverse artistic programme that makes our audiences feel welcome, excited, challenged and wanting to return.

On behalf of the Trustees, I should like to place on record our appreciation for the energetic and creative leadership of Rosie Turner, the Festival Director, and her loyal and hard-working staff team who have once again delivered artistic excellence in challenging times, enhancing the Festival's 'can-do' reputation in doing so.

The Trustees are particularly appreciative of the enthusiastic commitment of those who bought tickets for the Festival this year, and those who donated to keep the Festival alive. I should like to extend my thanks to the volunteers, including the Trustees themselves, that provide help and lively and professional support each year.

Despite 2020 being the bumpiest of rides, 2021 marked a slow return to long-term sustainability. The Festival's goals remain to move forward, to develop exciting new programmes of artistic excellence in its international Festival while achieving audience numbers to sustain the Festival's financial future and raise its national profile. This will allow it to continue to contribute significantly to support Kent-based artists and reflect the very best of the City of Canterbury within which it currently operates in a year-round programme of other activities. It is a challenge that the Festival embraces with enthusiasm and with sustained confidence in its long-term future.

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2022**

#### **Structure, governance and management**

##### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

##### **Recruitment and appointment of new Trustees**

As set out in the Articles of Association, the Trustees retire by rotation one third each year but shall be eligible for re-election. The Articles allow for the board to appoint Trustees during the year, such Trustees shall retain their office only until the next AGM but shall then be eligible for re-election. When considering co-opting a Trustee (new appointment), the Board has regard to the requirements of any specialist skills needed and in order to provide necessary academic, professional and commercial knowledge required with respect to a charitable arts company.

##### **Induction and training new Trustees**

New Trustees are offered training to brief them on their legal obligations under charity and company law, the contents of the Memorandum and Articles of Association, the committee and decision-making process, the business plan and current financial performance of the charity. From time to time Trustees are encouraged to attend appropriate external training events, where these will facilitate the understanding of their role.

##### **Organisational structure**

The charity is governed by the Board of Trustees, which meets at least five times a year and is responsible for making strategic and governance decisions regarding the Trust. There are sub-committees covering sponsorship and finance and secondly strategy and planning. These sub-committees are assisted by the charity's staff members. The Festival Director has delegated authority, within terms approved by the Trustees, for operational matters including finance, employment and artistic performance related activity. At each board meeting, detailed written reports are submitted by the officers and sub-committees for open discussion.

##### **Related parties**

The Canterbury Festival Foundation was incorporated in 2002 as a charitable company limited by guarantee, in order to promote and support the charitable objects of the Canterbury Theatre and Festival Trust (the charity). The aim of the organisation is to raise endowment funds which can be invested, and income used for the benefit of Canterbury Theatre and Festival Trust. The Canterbury Theatre and Festival Trust has the power to appoint the Trustees to the Canterbury Festival Foundation. In 2022, the Foundation donated c.£20,000 (2020/21: c.£20,000) to the charity.

The Friends of Canterbury Festival is an organisation incorporated as from June 2004 within the Canterbury Festival Foundation which raises funds for Canterbury Theatre and Festival Trust. In 2022, the Friends donated a total of c.£25,000 (2020/21: c.£25,000) to the charity.

Each year the Canterbury Festival Foundation offers a Bursary to a young musician which is presented at a concert held during the Canterbury Festival. The costs with respect to individual grant making are borne by the charity, on behalf of the Foundation. The work is carried out on an in-kind basis by employees of the charity as part of their normal duties and the cost of staging the concert is met by the charity as part of its general expenditure on production.

##### **Risk management**

The charity's risk management strategy includes:

1. A bi-annual review of the risks the charity may face.

# Canterbury Theatre and Festival Trust

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2022

2. The establishment of systems and procedures to mitigate those risks identified in the delivery of the Festival's Strategic Plan 2021-2024 created in 2020 for the period to 2024.

3. The implementation of procedures designed to minimise any potential impact on the charity, should these risks materialise.

The charity maintains a Risk Register which identifies the principal risks as non-financial issues arising from artistic excellence, competition and public perception, together with management of the specific risks concerning the loss of core income or failure to reach fundraising targets. The Trustees are satisfied that adequate steps are taken to mitigate these risks and others identified within the Risk Register.

A further key element in the management of financial risk is the setting of a reserve policy and its regular review by Trustees.

#### **Reserve policy**

The Trustees recognised the potential longer term effects of Covid on arts based charities and consequently undertook a strategic review in January 2021. This helped inform the development of a three year operational plan and budgets designed to bring the organisation into a financial break-even position by March 2024. A full risk assessment of the Festival's principal income and expenditure streams has now been undertaken. This has resulted in the development of a revised reserves policy.

#### **The Policy**

As a result of careful stewardship of its resources, Canterbury Festival has built a cash reserve of approximately £550k. This is held in its bank accounts as well as a medium-risk portfolio investment with Rathbones. In line with Charity Commission guidelines, the Festival has completed a full risk assessment of its three year financial projections and has determined that its reserves should be applied as follows:

1) The Festival's financial objectives require the organisation to maintain a free cash reserve equivalent to approximately six months of its core operating costs - £150k. 2) The Festival recognises the risks associated with future ticket sales and has determined to maintain a designated reserve of £40k to cover any shortfall in ticket income. 3) The Festival continues to be heavily reliant on fundraising, sponsorship and grant support. The full impact of the pandemic on its supporters is unknown, however it is considered appropriate to designate up to £160k against any shortfall. 4) The new strategic plan recognises the importance of investment in order to ensure the Festival has the necessary technological and other infrastructure to support its future development and operation. Consequently, a maximum of £200k is being designated to reset the charity over the next three years.

By following this policy, Canterbury Festival will ensure that all its resources are applied to support the delivery of its charitable objectives.

#### **Investment policy and objectives**

Under the Memorandum and Articles of Association the charity has the power to invest in any way the Trustees feel appropriate.

The Trustees have invested £300,000 of the Unrestricted reserve with Rathbone's Investments. The Trustees have set an ethical approach to the Festival's investment portfolio. It does not wish to:

- Invest directly in companies the major part of whose business is pornography, gambling, tobacco, pay day loans or armaments.

#### Year ended 31 March 2022

- Invest in pooled investments funds where there is significant exposure to companies the major part of whose business is pornography, gambling, tobacco, pay day loans or armaments.

#### Objectives and activities

The principal objects of the charity as stated in the Memorandum of Association is to promote, maintain, improve and advance the education of the public in the arts, including the arts of drama, mime, dance, singing, opera and music, ballet, cinema, concert, stage performances and the visual arts generally. The charity promotes the arts in East Kent and in particular organises and runs the Canterbury Festival.

Strategies employed to achieve the charity's objectives are:

1. To engage national and international performing artists covering the range of activities noted as specified in the Articles of Association.
2. Supporting Kent-based artists and performers by promoting their activities.
3. Fostering a greater sense of ownership of the Festival in the region through partnerships.
4. To engage, promote and further develop an educational and outreach programme.
5. Additional creative projects to further develop arts in East Kent.
6. To play a strategically important year-round role supporting and developing the arts in the region.
7. To seek future funding and good financial controls to ensure the sustainability of the Festival.

#### Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

#### Achievements and performance

##### Charitable activities

The Trustees believe the 2021 Festival met the charity's objectives in full.

##### Public benefit

The Trustees confirm that they have complied with the duties set out in the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit. In particular, the Trustees consider how planned activities will contribute to the aims and objectives of the Charity.

#### Who used and benefited from our services

10,416 tickets were sold for a total of 102 events with 57 sold out completely. Volunteers were specially trained in Covid safety to work in the Festival's venues. Despite some initial reluctance, all artists and Walk leaders who took part in the Festival expressed pleasure, relief and gratitude that they had done so. For many of them and for our audience, simply having a reason to go out in public was an important step to Lockdown recovery and improved mental well being.

#### Fundraising activities

A total of £217,027 (2020/21: £172,296) excluding box office and programme receipts was raised from Vice Presidents' donations and subscriptions, Gift Aid, general donation, corporate membership, special fundraising and sponsorship. A total of £33,214 (2020/21: £137,100) was raised from grants during the period.

##### **Financial review**

The statement of financial activity reflects the Festival's aspirations to become a year-round arts promoting organisation and develop its position as the major promoter of international work within East Kent.

The financial results for the period were satisfactory. The unrestricted Funds before accounting for transfers shows a deficit of £25,736.

Gross income was £440,211 (2020/21: £437,449).

Total resources expended in the year were £479,994, compared with £459,859 in the 15-month period to 2021.

There were unrealised gains of investments of £14,047 (2020/21: £12,350). There was no realisation of any of these gains during the year.

The total reserves, comprising Restricted and Unrestricted Funds, carried forward at the end of the year were £529,483, compared with £555,219 in the prior period. The Restricted Funds held of £2,430 (2020/21: £2,430) relate to the successful completion of all outstanding projects.

##### **Trustees' responsibilities statement**

The Trustees, who are also directors for the purposes of company law, are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent Auditor's Report to the Members of Canterbury Theatre and Festival Trust *(continued)***

**Year ended 31 March 2022**

#### **Opinion**

We have audited the financial statements of Canterbury Theatre and Festival Trust (the 'charity') for the year ended 31 March 2022 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are

# **Canterbury Theatre and Festival Trust**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Canterbury Theatre and Festival Trust (continued)**

#### **Year ended 31 March 2022**

required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

# **Canterbury Theatre and Festival Trust**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Canterbury Theatre and Festival Trust *(continued)***

#### **Year ended 31 March 2022**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we have considered; the nature of the industry, control environment.

We also consider the results of our enquiries of management, relating to their own identification and assessment of the risks of irregularities and possible related fraud. This includes reviewing available documentation on their policies and procedures and performing tests of controls to evidence their effectiveness.

Throughout the audit testing we are considering the incentives that may exist within the organisation for fraud. Key areas include timing of recognising income around the year end, posting of unusual journals. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We ensure we have an understanding of the relevant laws and regulations and remain alert to possible non-compliance throughout the audit.

Despite proper planning and audit work in accordance with auditing standards there are inherent limitations and unavoidable risk that we may not detect some irregularities and material misstatements in the financial statements. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity

to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Company Limited by Guarantee**

### **Notes to the Financial Statements**

**Year ended 31 March 2022**

#### **1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 8 Orange Street, Canterbury, Kent, CT1 2JA, United Kingdom.

#### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### **3. Accounting policies**

##### **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

##### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### **Going concern**

As part of their going concern review the Trustees have considered the impact of COVID-19 on the Festival's plans. By taking advantage of support available from the government, the Trust's reserves, and by making appropriate contingencies in relation to the two-week Festival, the Trustees are confident that they will have sufficient available funds to support the charity from 2023 and beyond. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

##### **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### **Investment valuations:**

Investment valuations are obtained by Trustees from the investment managers, who utilise the closing quoted market price information available at the balance sheet date.

#### Year ended 31 March 2022

#### 3. Accounting policies *(continued)*

##### Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the Trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Year ended 31 March 2022

#### 3. Accounting policies *(continued)*

##### **Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### **Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvement	-	Over the remaining term of the lease
Fixtures and fittings	-	25% straight line
Marketing & promotional equipment	-	33.33% and 20% straight line
Computer Equipment	-	25% straight line

##### **Investments**

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2022

#### 3. Accounting policies *(continued)*

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

##### Government grants

Government grants are recognised using the accrual model and the performance model. Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

##### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transactions value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

#### 4. Limited by guarantee

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

#### **30. Related parties**

i) During the year, the Trustees and related parties donated £3,808 (2020/21: £8,808) to the charity.

ii) As noted in the Report of the Trustees, Canterbury Theatre and Festival Trust has a close relationship with Canterbury Festival Foundation. The Canterbury Festival Foundation was incorporated in 2002 as a charitable company limited by guarantee, in order to promote and support the charitable objects of the Canterbury Theatre and Festival Trust. From the excess of income over expenditure the Foundation made a donation totalling c.£45,000 (2020/21: c.£45,000) to the Canterbury Theatre and Festival Trust in order to support its charitable activities for the year to March 2022.

iii) The registered office of the Canterbury Theatre and Festival Trust is 8 Orange Street, Canterbury, Kent, CT1 2JA. This building is owned by the Canterbury Festival Foundation, a charity set up in order to aid and support the Canterbury Theatre and Festival Trust in carrying out its charitable activities. No rent is charged for the occupation or use of the building.

#### **31. Controlling party**

The charity is a company limited by guarantee and was controlled throughout the year by the Trustees.
