The directors are of the opinion that the company is entitled to exemption from audit conferred by Section 249A(1) of the Companies Act 1985 for the year ended 31st March 2001.

The directors confirm that no member or members have requested an audit pursuant to Section 249B(2) of the Companies Act 1985.

The directors confirm that they are responsible for:

ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985, and

preparing accounts which give a true and fair view of the state of the affairs of the company as at the end of the financial year and of its results for the financial year in accordance with the requirements of Section 226 of the Companies Act 1985, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 and the Financial Reporting Standard for Smaller Entities (effective March 2000).

These abbreviated accounts were approved by the board on 15th June 2001 and signed on its behalf. Mlawe.

NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31ST MARCH 2001

1 Accounting policies

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The company has taken advantage of the exemptions in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover

Turnover comprises the value of sales excluding value added tax and trade discounts.

Tangible fixed assets and depreciation

Depreciation is calculated to write down the cost or valuation less estimated residual value of all tangible fixed assets other than freehold land by equal annual instalments over their expected useful lives. The rates and periods generally applicable are:

Plant and machinery	15%
Motor vehicles	25%
Office Equipment	33%
Fixtures and fittings	10%

Stocks

Stocks are stated at the lower of cost and net realisable value.

Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to crystallise.

Contribution to pension funds

The pension costs charged against profits represent the amount of the contributions payable to the scheme in respect of the accounting period.
