TO ALL CREDITORS AND CONTRIBUTORIES

Dear Sirs

Aspace Manufacturing Limited - In Creditors' Voluntary Liquidation ("the Company")
Registered Address: c/o Bridgewater House, Counterslip, Bristol, BS1 6BX
Registered number: 01847152
Joint Liquidators: Simon Girling and Danny Dartnaill
Joint Liquidators' Address: Bridgewater House, Counterslip, Bristol, BS1 6BX
Date of Appointment: 22 January 2016

I am now in a position to conclude this liquidation and advise you that final general meetings of the Company and its creditors have been convened pursuant to Section 106 of the Insolvency Act, 1986.

This is final report, which was issued in draft to the creditors on 18 January 2017. This report covers the period from appointment on 22 January 2016 to 21 January 2017 ("the Period") and is issued in accordance with Rule 4.49D of the Insolvency Rules 1986. In addition, this report covers the period from 22 January 2017 to 22 March 2017 ("Final Period"), the period following the anniversary, but prior to the closure meetings being held, during which time no activity occurred.

I can confirm that no substantive issues were raised by creditors further to issuing the draft report, and as such no further report will be issued and this report was presented at the final meetings. We confirm that notice of no further dividend final dividend has been given in accordance with Rule 4.186 of the Insolvency Rules 1986.

I enclose a copy of the final receipts and payments account for the Period. Some of the balances shown are self-explanatory, however I would report specifically on the following:

Receipts

Plant & Machinery

An amount of £22,000 was received in respect of the Company's plant and machinery, comprising two CNC machining centres along with various items of conventional woodworking machinery. Creditors may note it was originally reported that approximately £40,000 might be achieved for these items at auction. However, on further investigation it has transpired that significant removal costs associated with decommissioning individual items for auction would have materially reduce the net realisations from such an auction. As a result, it was our agents'

recommendation that we accept the best single offer for the assets as a whole in the amount of £22,000.

Payments

Preparation of Statement of Affairs

A fee of £5,500 was paid to BDO LLP for services rendered to the directors in relation to preparation of the Statement of Affairs and associated documentation, and for convening meetings of the Company's members and creditors on 22 January 2016. Approval of such payment was granted by resolution on that date.

Chattel Agents' Fees

An amount of £4,738.97 was paid to independent agents, Gordon Brothers Europe, for services provided in valuing the plant and machinery prior to appointment and its subsequent sale.

A further amount of £261.03 was paid to Gordon Brothers Europe to cover disbursements, comprising predominantly travel costs.

Legal Fees

An amount of £350 was paid to DAC Beachcroft LLP ("Beachcroft") for legal advice provided in relation to the Company's chattel assets, following a dispute over ownership with the landlord. In addition, a further £858 was paid to Beachcroft directly by BDO LLP in this regard, and settled as a Liquidators' disbursement as detailed further below, bringing total legal fees to £1,208.

Insurance

A payment of £335.20 was paid to AUA Insolvency Risk Services Ltd for insurance cover over the Company's chattel assets prior to disposal.

Progress of the Liquidation

During the course of the Liquidation my staff have worked to undertake all statutory and regulatory requirements, including: statutory reporting and filing on appointment; engaging with agents regarding disposal of the chattel assets; liaising with solicitors regarding a legal dispute on ownership of the assets.

Further tasks have included general administrative matters, dealing with creditor queries, reporting on VAT and corporation tax. The Joint Liquidators have a duty to investigate the affairs of the Company and also the conduct of the directors and in this latter respect to submit a confidential statutory report to the Secretary of State. I confirm that a report has been submitted.

All matters, other than final closure tasks, have now been concluded and as such I am in a position to close the Liquidation.

Prescribed Part

Under the provisions of Section 176A of the Insolvency Act 1986 the liquidators must report on the amount of funds distributed to unsecured creditors in respect of the Prescribed Part. This

provision only applies where a company has granted a floating charge to a creditor after 15 September 2003. In this particular case the Company has not granted a floating charge to a creditor after 15 September 2003 and therefore in this instance the Prescribed Part does not apply.

Joint Liquidators' Remuneration & Disbursements

Liquidators' remuneration was approved on a time cost basis by resolution at the meetings of members and creditors on 22 January 2016. I attach a schedule summarising the time that has been spent in administering this liquidation up to the date of this report, showing total time costs of £16,977.35, being broadly in line with my original fee estimate. Creditors will note that, whilst an amount of £14,701.70 was originally estimated and approved, fees of only £9,154.92 have been drawn from funds in hand, due to insufficient asset realisations being available to fully cover costs. The balance of £7,822.43, along with my time costs to close the Liquidation, will ultimately be written off by this firm.

Category 1 disbursements are recovered in respect of precise sums expended to third parties, and there is no necessity for these costs to be authorised. The following Category 1 disbursements have been drawn by the Liquidators during the Period:

	£
Statutory advertising	572.58
Bonding	200.00
Travel	39.94
Legal fees	858.00
	1,670.52

Category 2 disbursements are recovered in respect of overhead charges - for example mileage, postage, stationery, photocopying charges, telephone and fax costs - which cannot economically be recorded in respect of a specific case. These require the approval of the creditors before they can be drawn, and in this case approval was granted at the meeting on 22 January 2016 at a rate of £5 per creditor in each year of the Liquidation. However since insufficient funds are available this category of disbursement will not be billed and paid in this instance.

All remuneration is subject to VAT at the prevailing rate.

Creditor Enquiries

Creditors with the concurrence of at least 5% in value of the unsecured creditors may within 7 business days request in writing further information regarding the remuneration and expenses set out in this report. Creditors with the concurrence of at least 10% of the creditors may apply to the court if they consider that the remuneration of the Liquidators, or the basis fixed for the remuneration of the

Liquidator or expenses charged by the Liquidator are excessive (Rule 4.131 of the Insolvency Rules 1986). Such an application must be made within 8 weeks of receiving this draft report.

(2) The period referred to in paragraph (1)(a) and (b) is-

 - (iii) the liquidator is subject to an obligation of confidentiality in respect of the information, giving reasons for not providing all of the information.

Rule 4.131 Creditors' claim that remuneration is or other expenses are excessive

- (1) Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the creditors (including that creditor) or the permission of the court, may apply to the court for one or more of the orders in paragraph (4).
- (1A) Application may be made on the grounds that-
 - (a) the remuneration charged by the liquidator,

- (1B) The application must, subject to any order of the court under Rule 4.49E(5), be made no later than 8 weeks (or, in a case falling within Rule 4.108, 4 weeks) after receipt by the applicant of the progress report, or the draft report under Rule 4.49D, which first reports the charging of the remuneration or the incurring of the expenses in question ("the relevant report").
- (2) The court may, if it thinks that no sufficient cause is shown for a reduction, dismiss the application; but it shall not do so unless the applicant has had an opportunity to attend the court for a hearing, of which he has been given at least 5 business days' notice but which is without notice to any other party.

If the application is not dismissed under this paragraph, the court shall fix a venue for it to be heard, and give notice to the applicant accordingly.
- (3) The applicant shall, at least 14 days before the hearing, send to the liquidator a notice stating the venue and accompanied by a copy of the application, and of any evidence which the applicant intends to adduce in support of it.
- (4) If the court considers the application to be well-founded, it must make one or more of the following orders:

 - (b) an order fixing the basis of remuneration at a reduced rate or amount;
 - (c) an order changing the basis of remuneration;
 - (d) an order that some or all of the remuneration or expenses in question be treated as not being expenses of the liquidation;
 - (e) an order that the liquidator or the liquidator's personal representative pay to the company the amount of the excess of remuneration or expenses or such part of the excess as the court may specify;

and may make any other order that it thinks just; but an order under sub-paragraph (b) or (c) may be made only in respect of periods after the period covered by the relevant report.

- (5) Unless the court orders otherwise, the costs of the application shall be paid by the applicant, and are not payable as an expense of the liquidation.

Aspace Manufacturing Limited - In Liquidation

In accordance with best practice I provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above Insolvency.

The current charge out rates per hour of staff within my firm who may be involved in working on the Insolvency, follows:

GRADE	£
Partner	508
Manager	224-393
Assistant Manager	202
Senior Administrator	190-202
Administrator	70-171
Other staff	69

This in no way implies that staff at all such grades will work on the case. The rates charged by BDO LLP, Bridgewater House, Counterslip, Bristol, BS1 6BX are reviewed in December and July each year and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories:-

Pre Appointment
Steps upon Appointment
Planning and Strategy
General Administration
Asset Realisation/Management
Trading Related Matters
Employee Matters
Creditor Claims
Reporting
Distribution and Closure
Other Issues.

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring Insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

1) Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories.

2) Category 1

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

3) Category 2

Insolvency practice additionally provides for the recharge of expenses such as postage, stationery, photocopying charges, telephone, fax and other electronic communications, which cannot be economically recorded in respect of each specific case. Such expenses, which are apportioned to cases, must be approved by the creditors in accordance with the Insolvency Rules 1986, before they can be drawn, and these are known as category 2 disbursements. The current policy BDO LLP is to recharge this expense on the basis of a figure based upon the number of creditors with whom we have to communicate and report during the insolvency. This is the method of calculation that was historically provided under statutory orders for the Official Receiver.

In respect of the Liquidation of Aspace Manufacturing Limited we propose to charge £5.00 (plus VAT) per year per creditor. This will cover the disbursement costs of for postage and stationery for all reports and letters, together with all copying charges and telephone and email costs. Creditors will be invited to approve a resolution to this effect.

A further disbursement under this heading is the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the Inland Revenue Approved Mileage Rates (median - less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the Insolvency Rules 1986 to recover this disbursement.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.
