**ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND**

DIRECTORS' REPORT

The directors present their annual report and the audited Financial Statements for the year to 31st March 2008

1 Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the income and expenditure of the Association for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- follow applicable accounting standards,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business,

The directors have taken all the steps required to make the auditors aware of any relevant audit information in connection with preparing their report

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the financial statements comply with the Companies Act 1985 and United Kingdom Generally Accepted Accounting Practice (UKGAAP). They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors have established systems of internal control, comprising financial estimates and annual budgets, delegated authorities for operational management and segregation of duties, reviews of financial and investment performance and the identification and management of risks.

The internal controls are subject to ongoing assessment and evaluation by the directors. At least two meetings a year are held to consider financial management and performance in detail. In addition, the Honorary Treasurer reports on financial matters to each Council meeting of the Association, comprising directors and co-opted members. These meetings record the formal review and approval of all aspects of finance, internal controls and accounts.

2 Review of Activities

The principal activities of the Association were the promotion of the development and study of anaesthetics and the fostering of research into anaesthetics and allied subjects.

A full review of activities is given in the Annual Report.

3 Nature of the Company

The Association is a Company limited by Guarantee and does not have a share capital.

ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND

DIRECTORS' REPORT

4 Results

The Association made a surplus for the year amounting to £62,042 after a transfer of £200,000 to the Development Fund (2007 a surplus of £42,381 after a transfer of £100,000 to the Development Fund) The Association is prohibited by its Memorandum of Association from paying a dividend to its Members

Total income exceeded the previous year, primarily from growth in membership subscriptions. Exhibition income associated with scientific meetings held by the Education and Research Trust increased and the net surplus forms part of the Gift Aid grant to the Trust. The Association generated a higher net income from the publication of its prestigious scientific journal "Anaesthesia", together with "Anaesthesia News", the journal for members. In addition, the Association generated significant income from services, including administration and event management for a number of specialist societies related to anaesthesia.

Common administrative expenses continue to be shared with the Education and Research Trust. In total, Membership and Administrative costs were slightly lower, principally due to membership survey cost in the previous year. The membership and events database to provide member access via the website continued to be refined and further costs of development have been capitalised.

Other expenses include representation of the Association at European and world anaesthesia conferences. In March, the World Congress of Anaesthesiologists was held in Cape Town and additional expenditure was incurred for this event.

During the year, the Association increased the level of donation by Gift Aid to the Education and Research Trust to advance its educational programme and to support the cost of its activities. For the first time, this exceeded £1 million.

The Association's investments in the stock market decreased in value during the year, reflecting the downturn the stock markets after several years of rising values. At the market prices ruling on 31st March 2008, this resulted in a significant reduction in unrealised gains. Disposals during the year realised an overall gain of £96,127, which is reported as a loss of £37,120 in the year, after deducting previously recognised gains of £133,247. Cash is held on deposit as part of reserves to meet future operating costs and grants. The Association's Investment Committee takes professional advice in the selection of ethical investments and reviews portfolio performance against investment objectives. The Association has set risk objectives, and adopted guidelines on diversification of the portfolio.

A Development Fund, re-launched in 2005 to enable the Association to fund future developments, received a further transfer of £200,000 in the year.

5 Directors

The directors who served during the year were as follows

Dr Richard John Scriven Birks
Dr David George Bogod
Dr Valerie Elizabeth Bythell
Professor William Alastair Chambers
Dr Nicholas Malcolm Denny
Dr Leslie William Gemmell

Dr Andrew James Hartle
Dr Allan William Harrop-Griffiths
Dr Ian Gordon Johnston
Professor Chandra Mohan Kumar
Dr Sean McDevitt
Professor David John Rowbotham

ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND

DIRECTORS' REPORT

5 Directors – *continued*

Professor John Robert Sneyd

During the year the Association made gross charitable contributions of £2,000 to the Royal Medical Benevolent Fund, £1,000 to the Royal Humane Society and £1,010,000 to the Association of Anaesthetists of Great Britain and Ireland Education and Research Trust

7 Auditors

A resolution to re-appoint Hartley Fowler LLP as the Company's auditor will be proposed at the forthcoming Annual General Meeting

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

Signed on behalf of the Board

A W Harrop-Griffiths Secretary

Dated 6th June 2008

**ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND**

We have audited the financial statements on pages 5 to 12 of the Association of Anaesthetists of Great Britain and Ireland for the year ended 31st March 2008 which comprise the Income and Expenditure Account and Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007), under the historical cost convention (as modified by the revaluation of investments) and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and other transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

BASIS OF AUDIT OPINION

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the company's directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice of the state of affairs of the company as at 31st March 2008 and of its surplus for the year then ended and have been properly prepared in accordance with the Companies Act 1985. The Directors' Report is consistent with the financial statements.

Director

I H Wilson

Director

The directors approved the Financial Statements on 6th June 2008

The notes form part of these financial statements

**ASSOCIATION OF ANAESTHETISTS
OF GREAT BRITAIN AND IRELAND**

Notes to the Financial Statements for the year ended 31st March 2008

1 ACCOUNTING POLICIES

The accounts are prepared under the historical cost convention except for fixed asset investments which are valued at market value

All individual assets with a cost of more than £100 or forming part of a larger capital project are capitalised and included in the balance sheet at cost, including software in the course of development. Depreciation is provided at the following rates on a straight line basis

Furnishings	10%
Office Equipment	33%

The Association operates a defined contribution pension scheme. Contributions are charged to the Income and Expenditure Account as they become payable under the scheme.

Investments are valued at market value. The unrealised gains or losses are taken to the Revaluation Reserve.

Stocks are valued at the lower of cost and net realisable value.

The subscription year runs to 30th June and one quarter of the subscriptions received for the year are carried forward as subscriptions paid in advance. No accrual is made for outstanding subscriptions.

2 PUBLICATION OF "ANAESTHESIA"

2007		
£		£
303,706	Income from Publication	328,008
<u>157,481</u>	Less Expenses	<u>164,245</u>
<u>146,225</u>		<u>163,763</u>

3 EXHIBITIONS

2007		
£		£
215,468	Income from Marketing	231,469
<u>145,080</u>	Less Expenses	<u>132,023</u>
<u>70,388</u>		<u>99,446</u>

The surplus on exhibitions was donated by Gift Aid to the Education and Research Trust.
