5. CREATION OF FLOATING CHARGE

5.1 Subject to Clause 7 (*Excluded Intellectual Property Licences and Restricted Intellectual Property*), each New Chargor, with full title guarantee, charges to the Security Agent as security for the payment or discharge of all Secured Sums, by way of floating charge:

- (a) all its Assets, except to the extent that such Assets are for the time being effectively assigned by way of security by virtue of Clause 3 (*Assignments*) or charged by any fixed charge contained in Clause 4 (*Fixed security*), including any Assets comprised within a charge which is reconverted under Clause 7 (*Excluded Intellectual Property Licences and Restricted Intellectual Property*); and
- (b) without exception, all its Assets insofar as they are for the time being situated in Scotland,

but in each case so that such New Chargor shall not create any Security (other than Permitted Security) over any such Floating Charge Asset (whether having priority over, or ranking pari passu with or subject to, this floating charge) or take any other step referred to in Clause 10 (*Negative pledge and other restrictions*) with respect to any such Floating Charge Asset, and such New Chargor shall not, without the consent of the Security Agent, sell, transfer, part with or dispose of any such Floating Charge Asset (except by way of sale in the ordinary course of its business to the extent that such action is not otherwise prohibited by any Finance Document).

5.2 The parties agree (without limitation to the general nature of each New Chargor's accession to the Principal Deed contained in Clause 2) that the crystallisation provisions

contained in Clause 4 (*Crystallisation*) of the Principal Deed shall equally apply to the floating charge contained in this Deed as if set out in full in this Deed.

6. THIRD PARTY CONSENT

6.1 Each Excluded Asset (but for the avoidance of doubt other than any amounts received or to be received thereunder to the extent such amounts are not Excluded Assets) shall be excluded from any assignment or charge or other security required to be granted by the New Chargors pursuant to Clause 3 (*Assignments*) or Clause 4 (*Fixed Security*) (but for the avoidance of doubt without prejudice to Clause 5 (*Creation of floating charge*)) provided that the relevant New Chargor shall:

(a) as soon as reasonably practicable following execution by it of this Deed, use its reasonable endeavours to obtain the consent of each counterparty whose consent is required, within a period of 60 Business Days from the date of this Deed, to the creation of the charges over such Excluded Asset. If a New Chargor has used its reasonable endeavours but has not been able to obtain such third party consent, its obligation to obtain such consent shall cease at the end of that 60 Business Day period; and

(b) the relevant New Chargor will:

(i) inform the Security Agent of the outcome of such New Chargor's negotiations with the relevant counterparty at the end of that 60 Business Day period; and

(ii) provide the Security Agent with a copy of each consent as soon as reasonably practicable after its receipt.

6.2 Forthwith upon receipt of the relevant waiver or consent, the relevant Consented Excluded Asset shall stand charged to the Security Agent pursuant to Clause 3 (*Assignments*) or Clause 4 (*Fixed Security*) (as relevant).

7. EXCLUDED INTELLECTUAL PROPERTY LICENCES AND RESTRICTED INTELLECTUAL PROPERTY

7.1 The Excluded Intellectual Property Licences will not be subject to any charge or other security pursuant to Clause 4 (*Fixed Security*) and/or Clause 5 (*Creation of floating charge*)).

7.2 If a New Chargor is required to charge or otherwise secure any Restricted Intellectual Property pursuant to Clause 4 (*Fixed Security*) and Clause 5 (*Creation of floating charge*), and such charge or other security would breach or contravene a term of any agreement contained within the relevant Restricted Intellectual Property licence because a third party's consent under the licence has not been obtained, the charge or other security will not take effect until the consent of that third party has been obtained.

7.3 Each New Chargor shall as soon as reasonably practicable following execution by it of this Deed use reasonable endeavours to obtain any third party's consent required for the creation of the charges and security envisaged by Clause 4 (*Fixed Security*) and Clause 5 (*Creation of floating charge*) over any Restricted Intellectual Property, within a period of 60 Business Days from the date of this Deed, provided that the New Chargor will not be required to seek consent from the relevant third party if the relevant New Chargor determines (acting reasonably) that seeking such consent would materially prejudice the commercial relationships with such third party. If a New Chargor has used its reasonable endeavours but has not been able to obtain the third party consent required to be

obtained by it pursuant to this Clause, its obligation to obtain such consent shall cease at the end of that 60 Business Day period.

7.4 In relation to Restricted Intellectual Property:

- (a) if the relevant New Chargor is required to seek consent from the relevant counterparty in accordance with paragraph (c) above, such New Chargor will:
 - (i) inform the Security Agent of the outcome of such New Chargor's negotiations with the relevant counterparty at the end of that 60 Business Day period; and
 - (ii) provide the Security Agent with a copy of each consent as soon as reasonably practicable after its receipt; and
- (b) if the relevant New Chargor is not required to seek consent from the relevant counterparty in accordance with paragraph (c) above, then such New Chargor will provide the Security Agent with details of the Restricted Intellectual Property that will not be subject to the charges and security envisaged by Clause 4 (*Fixed Security*) and Clause 5 (*Creation of floating charge*) as soon as reasonably practicable following such New Chargor's determination that seeking the relevant consent would materially prejudice the commercial relationships with the relevant third party.

7.5 Forthwith upon receipt of the relevant waiver or consent (if required pursuant to paragraph (c) above), the relevant Consented Restricted Intellectual Property shall stand charged to the Security Agent pursuant to Clause 4 (*Fixed Security*).

8. **RIGHT OF APPROPRIATION**

8.1 The parties acknowledge and intend that the charges over each New Chargor's Financial Collateral provided under or pursuant to this Deed will each constitute a "security financial collateral arrangement" for the purposes of the Financial Collateral Regulations.

8.2 The Security Agent may, on or at any time after the Enforcement Date, by notice in writing to each New Chargor appropriate with immediate effect all or any of its Financial Collateral hereby charged which is subject to a security financial collateral arrangement (within the meaning of the Financial Collateral Regulations) and apply it in or towards the discharge of the Secured Sums, whether such Assets are held by the Security Agent or otherwise.

8.3 The value of any Financial Collateral appropriated under Clause 8.2 shall be:

- (a) in the case of cash, its face value at the time of appropriation; and
- (b) in the case of financial instruments or other financial collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised price source or such other process as the Security Agent may select, including a valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent;

as converted, where necessary, into sterling at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

- 8.4 The Security Agent will account to each New Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Sums and each New Chargor shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Sums.
- 8.5 Each New Chargor agrees that (i) documents of title relating to any shares which constitute its Financial Collateral have been delivered or otherwise designated so as to be in the possession of the Security Agent or a person acting on its behalf; and (ii) the method of valuing such Financial Collateral under Clause 8.3 is commercially reasonable.

9. APPLICATION TO THE LAND REGISTRY

Each New Chargor:

- (a) in relation to each register of title of any present and future Land (other than any Excluded Properties) of each New Chargor which is charged to the Security Agent under this Deed, consents to the Security Agent (or its solicitors) at any time submitting to the Land Registry:
- (i) a form AN1 (*application to enter an agreed notice*) in respect of the security created by this Deed;
 - (ii) a form RX1 (*application to register a restriction*) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Chargee] referred to on the charges register or their conveyancer."; and
 - (iii) a form CH2 (*application to enter an obligation to make further advances*); and
- (b) covenants to submit an application to the appropriate Land Registry for the first registration of any registrable, unregistered Land (other than any Excluded Properties) in England and Wales mortgaged by Clause 4 (*Fixed security*) at its own expense, promptly following its execution of this Deed.

10. NEGATIVE PLEDGE AND OTHER RESTRICTIONS

No Chargor shall, without the prior written consent of the Security Agent (and with the exception of Permitted Security, a Permitted Disposal or as otherwise permitted by the Finance Documents):

- (d) create, or agree or attempt to create, or permit to subsist, any Security or any trust over any of its Assets that are subject of the Security constituted by this Deed; or
- (e) sell, assign, lease, license or sub-license, or grant any interest in, any of its Fixed Security Assets, or part with possession or ownership of them, or purport or agree to do so.

11. POWER OF ATTORNEY

- 11.1 **Appointment of attorney:** Each New Chargor, by way of security and to more fully secure the performance of its obligations under this Deed, hereby irrevocably appoints the Security Agent (whether or not a Receiver or administrator has been appointed) and any Receiver separately, to be its attorney (with full power to appoint substitutes and to

delegate) with power in its name and on its behalf, and as its act and deed or otherwise to:

- (a) do anything which each New Chargor is obliged to do (but has not done) in accordance with this Deed, including to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document; and
- (b) following the occurrence of a Declared Default, enable the Security Agent or any such Receiver to exercise (or to delegate) all or any of the rights conferred on it by this Deed or by statute in relation to this Deed or the Assets charged, or purported to be charged, by it.

11.2 **Ratification:** Each New Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this Clause.

11.3 **Sums recoverable:** All sums expended by the Security Agent or any Receiver under this Clause shall be recoverable from each New Chargor under Clause 20 (*Costs and Expenses*) and Clause 21 (*Other Indemnities*) of the Intercreditor Agreement.

12. NOTICES

All notices or demands to be given or made pursuant to this Deed shall be given or made in the manner set out in Clause 12 (*Notices*) of the Principal Deed. Each New Chargor's address for service is set out in Schedule 1 (*New Chargors and Notice Details*).

13. COUNTERPARTS

This Deed may be executed in any number of counterparts, each of which when executed and delivered shall be an original, but all of which when taken together shall constitute a single document.

14. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

15. ENFORCEMENT

15.1 Jurisdiction:

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 15.1 is for the benefit of the Beneficiaries only. As a result, no Beneficiary shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Beneficiaries may take concurrent proceedings in any number of jurisdictions.
