The following resolutions were passed as Special Resolutions at the Annual General Meeting of discoverIE Group plc held on 29 July 2021.

13. That, in addition and without prejudice to the authority renewed in Resolution 12 above, the Directors be and are hereby generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 to exercise all the powers of the Company to allot or grant rights to subscribe for or to convert any security into shares in the Company comprising equity securities (as defined in Section 560 of the Companies Act 2006) in connection with a rights issue by the Company of ordinary shares up to an aggregate nominal amount of £1,490,931 provided that this authority shall expire on the earlier of the date of the Company's next Annual General Meeting or 28 October 2022 save that the Company may, before such expiry, make an offer or agreement which would or might require shares to be allotted or rights to be granted after such expiry and the Board may allot shares or grant such rights in pursuance of those offers or agreements, as if this authority had not expired.

For the purpose of this Resolution a "rights issue" means an offer to:

- (a) ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (b) people who are holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

to subscribe for further securities by means of the crediting of entitlements to rights or the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory, or any other matter

14. That, subject to the passing of Resolution 12 above, in substitution for all existing authorities, the authority conferred on the Directors by Article 7.3 of the Company's Articles of Association be renewed (unless previously renewed, varied or revoked) for a period ending on the earlier of the date of the Company's next Annual General Meeting or on 28 October 2022 and, for that period, the Section 561 Amount is £223,639.
15. That, subject to the passing of Resolution 12 above, in addition and without prejudice to the authority renewed in Resolution 14 above, the Directors be and are unconditionally authorised to exercise all the powers of the Company to allot or grant rights to subscribe for or to convert any security into shares in the Company comprising equity securities (as defined in Section 560 of the Companies Act 2006) for cash, and/or sell ordinary shares held by the Company as treasury shares for cash as if Section 561 of the Companies Act 2006 did not apply to any such allotment or sale, provided that this authority shall be in connection with an acquisition by the Company or specified capital investment up to an aggregate nominal amount of £223,639, and provided that this authority shall expire on the earlier of the date of the Company's next Annual General Meeting or 28 October 2022 save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted or treasury shares to be sold after such expiry and the Board may allot equity securities and sell treasury shares in pursuance of such an offer or agreement, as if the power conferred hereby had not

expired.

For the purpose of this Resolution 'specified capital investment' means: one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

16.
