Without prejudice and in addition to clauses 6.1 (*Security*), 6.2 (*Disposal*) and 6.3 (*Further assurance*):

- (a) except for the Charges, the Existing Security and as otherwise permitted by clause 21.4 (*Negative Pledge*) of the Facility Agreement, no Chargor shall create or permit to subsist any Security over, nor do anything else prohibited by clause 21.4 (*Negative pledge*) of the Facility Agreement in respect of, all or any part of any of its Book Debts; and
- (b) except as required by clause 6.3 (*Further assurance*), no Chargor shall enter into a single transaction or a series of transactions (whether related or not and whether voluntary or involuntary) to sell, factor, transfer or otherwise dispose of all or any part of any of its Book Debts except as permitted under the Secured Documents or as otherwise permitted by way of written consent of the Security Agent.

9 Bank Accounts

9.1 Withdrawals

No Chargor shall make any withdrawal from any Bank Account (other than a Collection Account) except:

- (a) with the prior consent of the Security Agent; or
- (b) in the ordinary course of trade from any Bank Account unless the Security Agent has specified in writing that, for so long as an Enforcement Event is continuing, this clause 9.1(b) shall not apply.

If an amount is withdrawn from a Bank Account (other than a Collection Account) as permitted by this clause 9.1, that amount shall be automatically released from the Charge on that Bank Account on that withdrawal being made. However, if all or part of that amount is paid into another Bank Account (other than a Collection Account) which is in credit or becomes in credit as a result, it shall automatically become subject to the Charge on that Bank Account.

9.2 **Enforcement**

At any time when an Event of Default is continuing, the Security Agent may deliver a notice in respect of any Bank Account (other than a Collection Account) to the bank or financial institution with which such Bank Account is held specifying that:

- (a) all rights, powers and discretions of the relevant Chargor in relation to such Bank Account shall be exercisable solely by the Security Agent;
- (b) no moneys may be released from such Bank Account without the prior written consent of the Security Agent; and
- (c) the relevant bank or financial institution should apply any amount standing to the credit of or accrued or accruing on such Bank Account as directed from time to time by the Security Agent in writing.

9.3 **Restrictions on dealing with Bank Accounts**

- (a) Without prejudice and in addition to clauses 6.1 (*Security*), 6.2 (*Disposal*) and 6.3 (*Further assurance*):
 - (i) except for the Charges and the Existing Security and as otherwise permitted by clause 21.4 (*Negative Pledge*) of the Facility Agreement, no Chargor shall create or have outstanding any Security over, nor do anything else prohibited by clause 21.4 (*Negative pledge*) of the Facility Agreement in respect of, all or any part of any of its Bank Accounts (other than Collection Accounts); and
 - (ii) except as required by clause 6.3 (*Further assurance*), no Chargor shall enter into a single transaction or a series of transactions (whether related or not and whether voluntary or involuntary) to transfer, assign or otherwise dispose of all or any part of any of its Bank Accounts (other than Collection Accounts) except as permitted under the Secured Documents or otherwise permitted by way of written consent of the Security Agent.
- (b) For the avoidance of doubt and without prejudice to the terms of the other Senior Finance Documents, clause 9.3(a) does not apply to the Collection Accounts and the Collection Accounts are not subject to the Charges.

9.4 **Documents**

Each Chargor shall promptly execute and/or deliver to the Security Agent such documents relating to such of its Bank Accounts (other than the Collection Accounts) as the Security Agent

reasonably requires, including any notice to, and acknowledgement from, the relevant bank or financial institution of the Charges over them (in each case substantially in the form set out in Schedule 7 (*Form of notice of charge over Bank Accounts*)).

10 Investments

10.1 Documents

Each Chargor shall:

- (a) except to the extent the Security Agent notifies that Chargor from time to time to the contrary, deposit with the Security Agent, or as it reasonably directs, all certificates representing any of its Investments comprised of shares in the issued share capital of any other member of the Group;
- (b) to the extent the Security Agent reasonably requests from a Chargor from time to time, deposit with the Security Agent, or as it directs, all certificates representing its Investments; and
- (c) execute and/or deliver to the Security Agent such other documents relating to its Investments, including transfers of Investments executed in blank, as the Security Agent reasonably requires.

10.2 Voting before enforcement

Subject to clause 10.3, each Chargor shall be entitled to exercise or direct the exercise of the voting and other rights attached to any Investment as it sees fit provided that:

- (a) it does so for a purpose that is not in contravention of any Secured Document; and
- (b) the exercise of or failure to exercise those rights would not prejudice the interests of any Secured Party under any Secured Document. For the avoidance of doubt, this clause 10.2(b) shall not preclude the exercise of any voting or other rights in relation to the making or payment of a dividend or other distribution made in the ordinary course of business.

10.3 Voting after enforcement

At any time while an Enforcement Event is continuing:

- (a) the Security Agent or the Receiver shall be entitled to exercise or direct the exercise of the voting and other rights attached to any Investment in such manner as it or he sees fit; and
- (b) each Chargor shall comply or procure the compliance with any directions of the Security Agent or the Receiver in respect of the exercise of those rights and shall promptly execute and/or deliver to the Security Agent or the Receiver such forms of proxy as it or he requires with a view to enabling such person as it or he selects to exercise those rights.

10.4 Following Enforcement Event

At any time after an Enforcement Event has occurred:

- (a) the Security Agent may complete any transfer documents held by it in respect of the Investments and/or the Related Rights in favour of itself or such other person or nominee as it shall select;
- (b) the Security Agent and its nominee or nominees may sell all or any of the Investments or Related Rights of the Chargors (or any of them) in any manner permitted by law and on such terms as the Security Agent shall in its absolute discretion determine;
- (c) where the Security Agent has taken steps to enforce a Security created by or under this Deed or the Existing Security, if any Chargor receives any dividends, distributions or other monies in respect of its Investments and Related Rights, the relevant Chargor shall immediately pay such sums received to the Security Agent for application in accordance with clause 18 (*Order of distributions*) and shall hold all such sums on trust for the Security Agent pending payment of them to such account as the Security Agent shall direct; and
- (d) each Chargor shall on request by the Security Agent use reasonable endeavours to procure that any transfer made by the Security Agent is promptly registered by the relevant company or other entity.

11 Insurance

11.1 Documents

Each Chargor shall use its reasonable endeavours to procure that the fixed Charges over its Insurances are noted on the relevant policies.

11.2 Lender may insure

If any Chargor fails promptly on demand to produce copies of insurance policies, premium receipts and such other evidence as the Security Agent reasonably requires which prove to the satisfaction of the Security Agent that that Chargor is complying with clause 21.9 (*Insurance*) of the Facility Agreement, the Security Agent may (at that Chargor's expense) arrange such insurances of the assets of that Chargor or any of them as it thinks fit ensuring that the premiums on such insurances are obtained at reasonable market rates.

12 Relevant Agreements

12.1 This Deed constitutes notice (in the form of Schedule 8 (*Counterparty Notice*)) in writing to each relevant Chargor, and acknowledgement of that notice by such Chargor, of any Security in respect of a debt owed by that Chargor to any other Chargor, including without limitation, in connection with any FinCo Proceeds Loan Agreement.

12.2 Save where 12.1 applies, in respect of any Relevant Agreement designated as such after the date of execution of this Deed, promptly after the date of such designation give notice to any other party to such Relevant Agreement that it has assigned or charged its right under the Relevant Agreement to the Security Agent under this Deed. Such notice will be a Counterparty Notice. Each relevant Chargor will, in respect of any other Relevant Agreement use reasonable endeavours to procure that the relevant counterparty signs and delivers to the Security Agent

an acknowledgment substantially in the form of that appended to the Counterparty Notice within 10 Business Days of the Relevant Agreement being so designated under this Deed.

12.3 Each Chargor shall remain liable to perform all its obligations under each Relevant Agreement.

13 Representation and warranty

Each Chargor represents and warrants to the Security Agent that the Real Property, the Investments (including but not limited to the shares described in Schedule 4 (*Investments*)), the Intellectual Property (including but not limited to that set out in Schedule 5 (*Intellectual Property*)) and Insurances (including but not limited to those set out in Schedule 6 (*Insurances*)) in respect of that Chargor are all of the relevant class of assets in which it has an interest.

14 Existing security

14.1 The Existing Fixed and Floating Charges remain in full force and effect and are supplemented (but not replaced) by this Deed.

14.2 The Security Agent acknowledges and confirms that:

- (a) the creation of any Security pursuant to (and the compliance by a Chargor with the terms of) this Deed does not and will not constitute a breach of any representation, warranty or undertaking in the Existing Fixed and Floating Charges; and
- (b) the performance of, and compliance with, any undertaking, requirement or obligation by a Chargor under this Deed constitutes the performance of, and compliance with, any corresponding undertaking, requirement or obligation under the Existing Fixed and Floating Charges and further, the performance of, and compliance with, any undertaking, requirement or obligation by a Chargor under the Existing Fixed and Floating Charges will be deemed to constitute the performance of, and compliance with, the corresponding undertaking, requirement or obligation by a Chargor under this Deed.

15 Enforcement

15.1 When enforceable

As between the Chargors and the Security Agent the Charges shall be enforceable, and the powers conferred by Section 101 of the LPA as varied and extended by this Deed shall be exercisable, while an Enforcement Event is continuing.

15.2 Power of sale

The statutory power of sale, of appointing a Receiver and the other statutory powers conferred on mortgagees by Section 101 of the LPA as varied and extended by this Deed shall arise on the occurrence of an Enforcement Event.

15.3 Section 103 LPA

Section 103 of the LPA shall not apply to the Security constituted by or under this Deed.

16 Appointment and rights of Receivers

16.1 Appointment of receivers

- (a) If:
- (i) requested by any Chargor;
 - (ii) any corporate action, legal proceedings or other procedure or step is taken in relation to the administration of any Chargor; or
 - (iii) any other Enforcement Event is continuing (whether or not the Security Agent has taken possession of the Charged Assets),

without any notice or further notice, the Security Agent may, by deed, or otherwise in writing signed by any officer or manager of the Security Agent or any person authorised for this purpose by the Security Agent, appoint one or more persons to be a Receiver. The Security Agent may similarly remove any Receiver and appoint any person instead of any Receiver. If the Security Agent appoints more than one person as Receiver, the Security Agent may give those persons power to act either jointly or severally.

- (b) The Security Agent is not entitled to appoint a Receiver in respect of any Charged Assets of any Chargor which are subject to a charge which (as created) was a floating charge solely by reason of a moratorium being obtained under the Part A1 of the Insolvency Act 1986 (or anything done with a view to obtaining such a moratorium, including any preliminary decision or investigation) in respect of such Chargor, unless the floating charge falls within any of the categories described in section A52(4) of the Insolvency Act 1986.

16.2 Scope of appointment

Any Receiver may be appointed Receiver of all of the Charged Assets or Receiver of a part of the Charged Assets specified in the appointment. In the latter case, the rights conferred on a Receiver as set out in Schedule 8 (*Rights of Receivers*) shall have effect as though every reference in that Schedule to any Charged Assets were a reference to the part of those assets so specified or any part of those assets.

16.3 Rights of Receivers

Any Receiver appointed pursuant to this clause 16.3 shall have the rights, powers, privileges and immunities conferred by the Insolvency Act on administrative or other receivers duly appointed under the Insolvency Act, and shall also have the rights set out in Schedule 8 (*Rights of Receivers*).

16.4 Agent of Chargor

Any Receiver shall be the agent of the relevant Chargor for all purposes. That Chargor alone shall (subject to all applicable laws) be responsible for the Receiver's acts and defaults or otherwise in accordance with all applicable laws.

16.5 Remuneration

The Security Agent may determine the remuneration of any Receiver and direct payment of that remuneration out of moneys he receives as Receiver. The relevant Chargor shall (subject to all

applicable laws) alone be liable for the remuneration and all other costs, losses, liabilities and expenses of the Receiver.

17 Security Agent's rights

17.1 Same rights as Receiver

Any rights conferred by any Secured Document upon a Receiver may be exercised by the Security Agent, or to the extent permitted by law, an administrator after the Charges become enforceable, whether or not the Security Agent shall have taken possession or appointed a Receiver of the Charged Assets.

17.2 Delegation

- (a) The Security Agent and any Receiver may delegate in any manner to any person any rights exercisable by it under any Secured Document. Any such delegation may be made upon such terms and conditions (including power to sub-delegate) as the Security Agent or Receiver (as applicable) thinks fit.
- (b) The Security Agent and any Receiver will not be liable or responsible to any Chargor or any other person for any losses, liabilities or expenses arising from any act, default or omission or misconduct on the part of any delegate.

17.3 Application of monies

Sections 109(6) and 109(8) (*Appointment, powers, remuneration and duties of receiver*) of the LPA shall not apply to a Receiver appointed under this Deed.

17.4 Financial collateral arrangement

To the extent that any of the Charged Assets constitutes "financial collateral" and this Deed constitutes a "security financial collateral arrangement" (in each case as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 as amended (**Regulations**)) the Security Agent shall have the right:

- (a) to use and dispose of any Charged Asset which constitutes "financial collateral" (as defined in the Regulations (**Financial Collateral**)), in which case the Security Agent shall comply with the requirements of the Regulations as to obtaining "equivalent financial collateral" (as defined in the Regulations); and
- (b) (at any time after the Charges become enforceable) to appropriate any Charged Asset which constitutes Financial Collateral in or towards satisfaction of the Liabilities in accordance with the Regulations,

and in each case, exercise that right by giving notice to the relevant Chargor(s) at any time after an Enforcement Event has occurred. The Security Agent must attribute a value to the appropriated financial collateral in a commercially reasonable manner.

17.5 Redemption of prior mortgages

At any time after the Security created by or under this Deed has become enforceable, the Security Agent may, at the sole cost of the Chargors (payable to the Security Agent on demand):

- (a) redeem any prior Security over any of the Charged Assets; and/or

- (b) procure the transfer of that Security to the Security Agent; and/or
- (c) settle and pass the accounts of any prior mortgagee, charge or encumbrancer which once so settle and passed shall be conclusive and binding on the Chargors.

18 Order of distributions

18.1 Application of proceeds

All amounts received or recovered by the Security Agent or any Receiver or Delegate in exercise of their rights under this Deed shall, subject to the rights of any creditors having priority, be applied in the order and in the manner specified in the Intercreditor Agreement notwithstanding any purported appropriation by any Chargor.

18.2 Suspense account

If the Security Agent enforces the Security constituted by or under this Deed at a time when no amounts are due to any Secured Party under the Secured Documents but at a time when amounts may or will become so due, the Security Agent (or a Receiver) may pay the proceeds of any recoveries effected by it into an interest bearing suspense account.

19 Liability of Security Agent, Receivers and Delegates

19.1 Possession

If the Security Agent, any Receiver or any Delegate takes possession of the Charged Assets, it or he may at any time relinquish possession. Without prejudice to clause 20.2, the Security Agent shall not be liable as a mortgagee in possession by reason of viewing or repairing any of the present or future assets of any Chargor.

19.2 Security Agent's liability

Neither the Security Agent nor any Receiver or Delegate shall (either by reason of taking possession of the Charged Assets or for any other reason and whether as mortgagee in possession or otherwise) be liable to any Chargor, any Secured Party or any other person for any costs, losses, liabilities or expenses relating to the realisation of any Charged Assets or from any act, default, omission or misconduct of the Security Agent, any Receiver, any Delegate or their respective officers, employees or agents in relation to the Charged Assets or in connection with the Secured Documents except to the extent caused by its or his own gross negligence or wilful misconduct.

20 Power of Attorney

20.1 Appointment

Each Chargor by way of security irrevocably appoints the Security Agent, every Receiver and every Delegate severally its attorney (with full power of substitution), on its behalf and in its name or otherwise, at such time and in such manner as the attorney shall think fit:

- (a) to do anything which that Chargor is obliged to do (but has not done) under any Secured Document to which it is party (including to execute charges over, transfers, conveyances, assignments and assurances of, and other instruments, notices, orders and directions relating to, the Charged Assets); and

- (b) if Security created by or under this Deed has become enforceable, to exercise any of the rights conferred on the Security Agent, any Receiver or any Delegate in relation to the Charged Assets or under any Secured Document, the LPA or the Insolvency Act.

20.2 Ratification

Each Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in clause 20.1.

21 Protection of third parties

21.1 No duty to enquire

No person dealing with the Security Agent, any other Secured Party, any Receiver or any Delegate shall be concerned to enquire:

- (a) whether the rights conferred by or pursuant to any Secured Document are exercisable;
- (b) whether any consents, regulations, restrictions or directions relating to such rights have been obtained or complied with;
- (c) otherwise as to the propriety or regularity of acts purporting or intended to be in exercise of any such rights; or
- (d) as to the application of any money borrowed or raised.

21.2 Protection to purchasers

All the protection to purchasers contained in Sections 104 and 107 of the LPA, Section 42(3) of the Insolvency Act or in any other applicable legislation shall apply to any person purchasing from or dealing with the Security Agent, any other Secured Party, any Receiver or any Delegate.

22 Saving provisions

22.1 Continuing Security

Subject to clause 23 (*Discharge of Security*), the Charges are continuing Security and will extend to the ultimate balance of the Liabilities, regardless of any intermediate payment or discharge in whole or in part.

22.2 Recourse

The Security constituted by this Deed:

- (a) is in addition to, and shall neither be merged in nor in any way exclude or prejudice or be affected by, any other Security which any Secured Party may hold at any time for the Liabilities (or any of them) including, but not limited to, the Existing Security; and
- (b) may be enforced without first having recourse to any other rights of any Secured Party.

22.3 Reinstatement

If any payment by a Chargor or any discharge given by a Secured Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor and the Charges shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) each Secured Party shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

22.4 Waiver of defences

Neither the obligations of each Chargor under this Deed nor the Charges will be affected by an act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of its obligations under any Secured Document of any of the Charges (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment (however fundamental) or replacement of a Secured Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Secured Document or any other document or security; or
- (g) any insolvency or similar proceedings; or
- (h) any postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of any Obligor or other person under any Secured Document resulting from any insolvency, liquidation or dissolution proceedings or from any law, regulation or order.

22.5 Immediate recourse

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Secured Document to the contrary.

22.6 Appropriations

Until all the Liabilities have been irrevocably paid in full and all facilities which might give rise to Liabilities have terminated, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Chargor or on account of any Chargor's liability under this Deed.

22.7 Deferral of Chargors' rights

Until all the Liabilities have been irrevocably paid in full and all facilities which might give rise to Liabilities have terminated and unless the Security Agent otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Secured Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other Chargor or any other guarantor of any Obligor's obligations under the Secured Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Secured Documents or of any guarantee or other security taken pursuant to, or in connection with, the Secured Documents by any Secured Party.

22.8 Additional Security

The Charges are in addition to and are not in any way prejudiced by any other guarantees or security now or subsequently held by any Secured Party.

22.9 Tacking

- (a) Each Secured Party shall comply with its obligations under the Secured Documents (including any obligation to make further advances).
- (b) Each such obligation to make further advances will be deemed to be incorporated in this Deed as if set out in this Deed.
- (c) Each Chargor consents to an application being made to the Land Registry to enter the obligation to make further advances on the charges register of any registered land forming part of the Secured Property (and any unregistered properties subject to compulsory first registration at the date of this Deed).

23 Discharge of Security**23.1 Final redemption**

Subject to clause 23.2, if the Security Agent is satisfied that all the Liabilities have been irrevocably paid in full and that all facilities which might give rise to Liabilities have terminated,

the Security Agent shall at the request and cost of the Chargors release, reassign or discharge (as appropriate) the Charged Assets from the Charges.

23.2 Retention of security

If the Security Agent, acting reasonably, considers that any amount paid by any Chargor or credited to any Secured Party under any Secured Document is capable of being avoided or otherwise set aside on the liquidation or administration of such Chargor, that amount shall not be considered to have been paid for the purposes of determining whether all the Liabilities have been irrevocably paid.

23.3 Consolidation

Section 93 of the LPA shall not apply to the Security constituted by or under this Deed.

24 Enforcement expenses

24.1 Each Chargor shall, within ten Business Days of demand, pay to the Security Agent the amount of all costs, losses, liabilities and expenses (including legal fees) incurred by any Secured Party, any Receiver or any Delegate in relation to any Secured Document (including the administration, protection, realisation, enforcement or preservation of any rights under or in connection with this Deed, or any consideration by the Security Agent as to whether to realise or enforce the same, and/or any amendment, waiver, consent or release of any Secured Document and/or any other document referred to in this Deed). For the avoidance of doubt, this clause 24.1 does not include those costs and expenses incurred in the negotiation, preparation, printing and execution of this Deed nor any costs and expenses incurred in responding to, evaluating, negotiating or complying with a request or requirement to amend, waive or consent, in each case insofar as they are included under costs and expenses provisions of the Facility Agreement.

24.2 Value Added Tax

Clause 12.7 (VAT) of the Facility Agreement (with any necessary consequential amendments) shall apply also to any amount payable under any Secured Document to any Receiver or Delegate.

25 Payments

25.1 Payments

All payments by any Chargor under this Deed (including damages for its breach) shall be made in the Currency of Account and to such account, with such financial institution and in such other manner as the Security Agent may reasonably direct.

25.2 Continuation of accounts

At any time after:

- (a) the receipt by any Secured Party of notice (either actual or otherwise) of any subsequent Security affecting the Charged Assets of any Chargor; or
- (b) the presentation of a petition or the passing of a resolution in relation to the winding-up of any Chargor,

any Secured Party may, acting reasonably, open a new account in the name of that Chargor with that Secured Party (whether or not it permits any existing account to continue). If that

Secured Party does not open such a new account, it shall nevertheless be treated as if it had done so when the relevant event occurred. No moneys paid into any account, whether new or continuing, after that event shall discharge or reduce the amount recoverable pursuant to any Secured Document to which that Chargor is party.

25.3 **Joint and several liability**

The liability of each Chargor under this Deed shall be joint and several. Each agreement and undertaking of any Chargor shall be construed accordingly.

25.4 **Currency**

- (a) Clause 29.8 (*Currency of account*) of the Facility Agreement shall apply to this Deed as if set out here in full but so that references to the Finance Documents shall be construed as references to this Deed and any Security created by or under it and references to the Obligors shall be construed as references to the Chargors.
- (b) If a payment to the Security Agent under this Deed is in a currency (**Payment Currency**) other than the currency in which it is expressed to be payable (**Contractual Currency**), the Security Agent may convert that payment into the Contractual Currency at the rate at which it (acting reasonably and in good faith) is able to purchase the Contractual Currency with the Payment Currency on or around the date of receipt of the payment and to the extent that the converted amount of the payment falls short of the amount due and payable the Chargors will remain liable for such shortfall.

26 **Rights, waivers and determinations**

26.1 **Ambiguity**

Where there is any ambiguity or conflict between the rights conferred by law and those conferred by or pursuant to any Secured Document, the terms of that Secured Document shall prevail.

26.2 **Exercise of rights**

- (a) No failure to exercise, nor any delay in exercising, on the part of any Secured Party, Receiver or Delegate, any right or remedy under any Secured Document shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Secured Documents are cumulative and not exclusive of any rights or remedies provided by law, including the right to appoint an Administrator under the Insolvency Act.
- (b) A waiver given or consent granted by the Security Agent under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

26.3 **Determinations**

Any certification or determination by any Secured Party or any Receiver or Delegate under any Secured Document specifying the amount of any Liabilities due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

27 Separate and independent obligations

The Security created by each Chargor by or in connection with any Secured Document is separate from and independent of the Security created or intended to be created by any other Chargor by or in connection with any Secured Document.

28 Indemnities

28.1 Indemnities separate

Each indemnity in each Secured Document shall:

- (a) constitute a separate and independent obligation from the other obligations in that or any other Secured Document;
- (b) give rise to a separate and independent cause of action;
- (c) apply irrespective of any indulgence granted by any Secured Party;
- (d) continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any Liability or any other judgment or order; and
- (e) apply whether or not any claim under it relates to any matter disclosed by any Chargor or otherwise known to any Secured Party.

29 Failure to execute

Failure by one or more parties (**Non-Signatories**) to execute this Deed on the date hereof will not invalidate the provisions of this Deed as between the other Parties who do execute this Deed. Such Non-Signatories may execute this Deed on a subsequent date and will thereupon become bound by its provisions.

30 Invalidity

Clause 29 (Partial invalidity) of the Intercreditor Agreement shall apply to this Deed as if set out here in full but so that references to the Finance Documents shall be construed as references to this Deed and any Security created by or under it.

31 Set off

- 31.1 A Secured Party may set off any matured obligation due from a Chargor under any Secured Document (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off.
- 31.2 If, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Liabilities has been given by the Security Agent to any Chargor, the relevant obligation or liability is unliquidated or unascertained, the Security Agent may set off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

32 Notices

Any communication under this Deed or any Finance Document or other Secured Document created by or under this Deed, shall be made and given in accordance with the terms of clause 26 (*Notices*) of the Intercreditor Agreement.

33 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

34 Governing law and jurisdiction

- 34.1 This deed and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.
- 34.2 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute regarding the existence, validity or termination of this Agreement or any non-contractual obligations arising out of or in connection with this Agreement) (**Dispute**).
- 34.3 The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- 34.4 This clause 34 is for the benefit of only the Secured Parties. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

In witness whereof this Deed has been duly delivered on the date stated at the beginning of this Deed. The parties acknowledge and agree that they may execute this Deed and any variation or amendment to the same, by electronic instrument. The parties agree that the electronic signatures appearing on the document shall have the same effect as handwritten signatures and the use of an electronic signature on this Deed shall have the same validity and legal effect as the use of a signature affixed by hand and is made with the intention of authenticating this Deed, and evidencing the parties' intention to be bound by the terms and conditions contained herein. For the purposes of using an electronic signature, Parties authorise each other to the lawful processing of personal data of the signers for contract performance and their legitimate interests including contract management.
