Shareholders' funds			69,107		64,25

# ABBREVIATED BALANCE SHEET (CONTINUED) AS AT 31 AUGUST 2001

In preparing these abbreviated accounts:

- (a) The director is of the opinion that the company is entitled to the exemption from audit conferred by Section 249A(1) of the Companies Act 1985;
- (b) No notice has been deposited under Section 249B(2) of the Companies Act 1985, and
- (c) The director acknowledges his responsibilities for:
  - (i) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985, and
  - (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements were approved by the board on 27 June 2002

Director

-2-

# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2001

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cashflow statement on the grounds that it is a small company.

#### 1.2 Compliance with accounting standards

The accounts are prepared in accordance with applicable accounting standards.

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land and buildings are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life. Freehold Buildings are maintained in a good state of repair and accordingly the director considers that any potential depreciation would be insignificant and consequently they are not depreciated.

Land and buildings Freehold

No depreciation

Fixtures, fittings & equipment

25% per annum on written down value

Motor vehicles

25% per annum on written down value

#### 1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

#### 1.6 Stock

Stock is valued at the lower of cost and net realisable value. For this purpose cost is based on selling price less margin in the case of saleable items and in the case of growing stock cost includes a proportion of labour and materials.

#### 1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with SSAP 24.

#### 1.8 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
