### INTRODUCTION

This report has been prepared to provide creditors with an update on the progress of the Administration of the Company since our appointment as Joint Administrators on 28 October 2019.

The Joint Administrators' proposals were deemed approved. A formal notice confirming this was sent to all creditors on 18 November 2019.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

### **Details of the appointment of the Joint Administrators**

Andrew Andronikou and Michael Kiely of Quantuma LLP were appointed Joint Administrators of the Company on 28 October 2019.

The Joint Administrators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

### PROGRESS OF THE ADMINISTRATION

### The Joint Administrators' receipts and payments account

Attached at Appendix 2 is a receipts and payments account for the Review Period.

An EOS as at 27 April 2019 is attached at Appendix 3.

The rest of this report describes the key developments in the Administration over the Review Period.

For a detailed list of work undertaken by the Joint Administrators during the Review Period, see Appendix 4.

We have also summarised the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

### **VAT Basis**

As the Company is not registered for VAT the receipts and payments are shown net of VAT. A separate entry shows the amount of irrecoverable VAT.

### **Administrative, Statutory & Regulatory Tasks**

The Joint Administrators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the administration, which has ensured that the Joint Administrators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Informing all relevant persons of the commencement of the Administration, including filing statutory documents at Companies House and meeting statutory advertising requirements;
- Issuing the Joint Administrators' Proposals, seeking relevant creditors' approvals and issuing notice of the outcome;
- · Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;

- Maintaining case files, which must include records to show and explain the administration and any decisions made by the Joint Administrators that materially affect the administration;
- · Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the administration is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.
- Preparing a report on the conduct of the directors as required by the Company Directors
  Disqualification Act.

### Realisation of assets

### Sale of business and assets to a connected party

Prior to their appointment, the Joint Administrators instructed Gordon Brothers, who are professional independent agents with adequate professional indemnity insurance, to value the assets of the Company.

The Director, Dr Yousuf Shazhad, expressed an interest in purchasing the business and assets of the Company. Dr Yousuf is connected with the Company because he was a director and shareholder of the Company.

Dr Yousuf was invited to contact Gordon Brothers direct to progress his interest. Gordon Brothers weighed up the advantages of a swift sale, which would avoid the ongoing costs of storing, against the potential of attracting a better offer albeit that this would involve incurring more costs.

However, due to the intangible position of the assets being the goodwill and the difficulty in providing any valuation which could be relied upon, it was established that the best way to understand the value was through the marketing process. Therefore, Gordon Brothers did not complete a formal valuation in respect of the goodwill.

A going concern valuation reflects the estimated amount for which the assets could be sold as a whole in their working place. The forced sale basis reflects a sale whereby the assets are removed from the premises at the expense of the purchaser.

Gordon Brothers concluded that Dr Yousuf's offer was very likely to represent the best net realisation for the assets and they recommended to the Joint Administrators that the offer be accepted.

Consequently, the Company's business and assets was sold to Kingwood School Limited ("the Purchaser") on 31 October 2019 for £60,000 (inclusive of VAT), and has been allocated to the following asset categories as follows:

Goodwill	£51,498
Preparatory School Furniture, ICT and Catering Equipment	£8,500
Leasehold Property	£1
Business Intellectual Property Rights	£1

The sum of £5,000 was to be paid before completion, £10,000 on or before 1 November 2019 and the remainder of £45,000 deferred over 9 months payable at £5,000 per month on the last business day of the month.

The Company's financed vehicles were excluded from the Sale.

Dr Yousuf has given a personal guarantee for amounts due from the insolvent Company to a prior financier.

During the Review Period, the Purchaser has remitted the sum of £5,000 on completion of the sale. However, no monthly contributions have been made since in respect of the deferred sale consideration, despite numerous requests for payment to Dr Yousuf.

### Cash at Bank

The sum of £92,963.24 was remitted during the Review Period in respect of the balance in the Company's bank accounts.

### **Debtors**

The Company had debtors relating to outstanding school fees for the full academic year, which included fees for future terms that the purchaser would be providing the service for, therefore, it was agreed that these debtors be split as per the following apportionment:

- 1. Debtors for the period 1July 2019 to 30 October 2019 is split with 123/184 belonging to the Company and 61/184 transferred to the newco.
- 2. Debtors for the full year is split 123/365 belonging to the Company and 242/365 transferred to the newco.

It was agreed that the sum of £25,000 represented the amount due to the purchaser for the future terms and this was refunded to the Purchaser.

### **Estimated future realisations**

The Joint Administrators will continue to pursue the deferred consideration, however, it is currently uncertain whether the full deferred sale consideration will be received.

The remainder of the deferred consideration is shown below:

Asset	Amount (£)
Goodwill	47,206.50
Preparatory School Furniture, ICT and Catering Equipment	7,791.67
Leasehold Property	0.92
Business Intellectual Property Rights	0.92
Total	£55,000.00

A personal guarantee for the deferred sale consideration has been provided by the director Dr Yousuf.

As such, the Joint Administrators' will be pursuing the Purchaser under his personal guarantee if the funds are not forthcoming.

As per the attached Estimated Statement of Affairs, a dividend of 3.34 p in the £ is estimated to be available to creditors in the event that the full consideration is received.

### **Payments**

No payments have been made during the Review Period.

### Costs incurred but remaining unpaid

During the Review Period, the Joint Administrators have incurred time costs and direct expenses, not all of which have yet been discharged. Further details of these costs are set out below.

### **CREDITORS: CLAIMS AND DISTRIBUTIONS**

### Secured creditors

There are no secured creditors.

### Preferential creditors

There were 35 employees who were transferred as part of the sale under the Transfer of Undertaking (Employment Protection) ("TUPE") regulations 2006 However, 8 employees received redundancy letters from the Purchaser on 18 November 2019, following their transfer.

The Joint Administrators and their staff have incurred time costs in assisting these employees to obtain payment from the Redundancy Payments Office("RPO").

The Joint Administrators have also instructed Clumber Consultancy Ltd, a pension consultancy firm, to assist with submitting RP15s forms to the RPO in respect of the outstanding pension contributions for the pre Administration period.

No preferential claims were anticipated, however, the Joint Administrator undertook to submit the redundancy claims that arose relating to unpaid holiday pay and wage arrears.

To date, we have not received a claim from the RPO in respect of payments made to 7 employees.

One employee has not submitted their redundancy claim to date. It currently is uncertain whether there will be sufficient realisations to pay a dividend to preferential creditors, if a claim is received from the National Insurance Fund.

### **Prescribed Part**

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000.

The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this administration.

### **Unsecured creditors**

Unsecured claims were estimated at £1,132,457.25 in the Estimated Financial Statement included in the Joint Administrators' proposals and to date 10 claims have been received from unsecured creditors totalling £822,139.58.

It is uncertain whether there will be sufficient realisations to pay a dividend to any class of creditors.

### Claims process

Due to the possible distribution to unsecured creditors, you are requested to submit claims to the address on the front of this report, marked for the attention of martina.alexandrou@quantuma.com.

A Proof of Debt form is attached at Appendix 6.

### OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

### Investigations

As part of the Joint Administrators' statutory duties, an investigation into the conduct of the Company Director was completed.

In this regard, a confidential report was submitted to The Insolvency Service on 27 January 2020.

### **Initial Assessment of Potential Recoveries**

As part of our duties as Joint Administrators, we are obliged to review shortly after appointment all the information available to us and conduct an initial assessment of whether there are any matters which may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

This review has been completed and we confirm that we have been able to identify various payments to two connected companies, by virtue of the same directorship.

However, both related parties are subject to formal insolvency proceedings and therefore, no realisations are anticipated in this regard.

At this stage, it is deemed uneconomical to take further action as the costs involved are likely to exceed any potential recovery for the company and the creditors as a whole.

Should creditors have any information in relation to the above, which you feel we should be made aware of, please contact us as a matter of urgency.

### **EC Regulations**

The Company's centre of main interest was in St James Place, Shirley, Solihull B90 2BA and therefore it is considered that the EC Regulations will apply. These proceedings are main proceedings as defined in Article 3 of the EC Regulation.

### **General Data Protection Regulation**

In compliance with the General Data Protection Regulation, creditors, employees, shareholders, directors and any other stakeholder who is an individual (i.e. not a corporate entity) in these insolvency proceedings is referred to the Privacy Notice in respect of Insolvency Appointments, which can be found at this link <a href="https://www.quantuma.com/legal-notices/">www.quantuma.com/legal-notices/</a>.

### **Further Information**

Creditors should note that the Joint Administrators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. Additionally the Joint Administrators are also bound by the regulations of their Licensing Bodies.

To comply with the Provision of Services Regulations, some general information about Quantuma LLP, including our complaints policy and Professional Indemnity Insurance, can be found at <a href="http://www.quantuma.com/legal-information/">http://www.quantuma.com/legal-information/</a>.

Information about this insolvency process may be found on the R3 website at www.creditorinsolvencyguide.co.uk.

### **PRE-ADMINISTRATION COSTS**

Included within the Joint Administrators' Proposals dated 7 November 2019 was a Statement of Pre-Administration Costs.

These costs were approved on 26 November 2019 as detailed below:

Party instructed	Amount approved (£)	Date approved	Date paid
Quantuma LLP	26,338.00	26 November 2019	29 November 2019
Collyer Bristow LLP	27,489.50	26 November 2019	13 December 2019
Gordon Brothers	6,000.00	26 November 2019	remains unpaid

During the Review Period, the following Pre-Administration costs remained unpaid:

Party instructed	Amount (£)
Gordon Brothers	6,000.00

### THE JOINT ADMINISTRATORS' FEES AND EXPENSES

A copy of 'A Creditors Guide to Administrators' Fees' effective from 6 April 2017, together with the firm's current schedule of charge-out rates and chargeable disbursements, may be found at <a href="http://www.quantuma.com/guide/creditors-guide-fees/">http://www.quantuma.com/guide/creditors-guide-fees/</a> A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request at no cost.

### The Joint Administrators' Fees

The basis of the Joint Administrators' fees was fixed at the virtual meeting of creditors on 26 November 2019 follows:

The Joint Administrators propose to be remunerated on the basis of the time properly given by the Joint Administrators and their staff in attending to matters arising in the Administration, such time to be charged at the prevailing standard hourly charge out rates used by Quantuma LLP at the time the work is performed (plus VAT). These Costs are estimated in the sum of £31,185.00.

During the Review Period, fees totalling £10,000 plus VAT have been drawn.

We believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon us s Joint Administrators.

### Comparison of estimates

The Joint Administrators' time costs incurred to date (whether or not they have been charged to the Administration estate) are compared with the original fees estimate as follows. The fee estimate covered the period of the Administration ending on 27 October 2020.

For a detailed schedule of work undertaken by the Joint Administrators during the Review Period and for the period of the Administration as a whole, see Appendix 4. A detailed narrative list of the work undertaken during the Review Period is provided at Appendix 5.

The expenses incurred to date are compared with the original expenses estimate as follows:

TOTAL	33,636.00	24,399.04	30,399.04	-

The bases on which the expenses defined as Category 2 disbursements are calculated are explained in Quantuma LLP's current schedule of charge-out rates and chargeable disbursements referred to above. Payment of Category 2 disbursements on these bases was approved on 26 November 2019.

Having regard for the costs that are likely to be incurred in bringing this Administration to a close, the Joint Administrators consider that:

- · the original fees estimate has been exceeded; and
- the original expenses estimate is unlikely to be exceeded.

The main reason why the fees estimate has been exceeded is due to the unexpected employees' redundancies following the their transfer to the newco which resulted in time being spent in assisting employees with completing with the redundancy claims, verifying claims and submitting RP14As forms as well as liaising with the Redundancy Payments Office.

However, given the limited realisations in this case to date, the Joint Administrators do not propose to draw fees in excess of the fees estimate at present. The Joint Administrators will review the position as regards fees when the prospects of realising the remaining assets become clearer.

### Other professional costs

### **Solicitors**

As previously advised, Collyer Bristow LLP were instructed by the Joint Administrators to advise on appropriate legal matters including business sale agreements. Their costs have been agreed on the basis of their standard hourly charge out rates, plus disbursements and VAT. The Solicitors' total time costs are totalling £23,975.82 plus VAT. The sum of £3,317.90 was paid by the Company prior to the Administration.

During the Review Period, the balance of their fees and their disbursements amounted to £18,684.42 plus VAT and £1,973.50 plus VAT, respectively, and have been accordingly paid.

### **Agents & Valuers**

As reported, Gordon Brothers were instructed as agents and valuers in relation to the sale of the Company's business and assets. Their costs have been agreed based on a percentage basis of 10% on realisations plus VAT. To date, only the sum of £5,000 has been realised in respect of the sale consideration.

As such, it was agreed that their fee would be settled when further realisations have been made.

### **Pension Consultants**

During the Review Period, the sum of £1,842.50 has been paid to Clumber Consultancy Ltd for their fee in connection with assisting with obtaining delegate access to NEST, preparing a pension report and submitting the relevant forms to the RPO in relation to the outstanding pension contributions.

However, due to their unexpected removal from delegate access to the pension scheme by Nest, Clumber have not been able to progress the matter further.

Their fee was agreed on the basis of their time costs plus VAT.

All professional costs are reviewed and analysed before payment is approved.

### Creditors' rights to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Joint Administrators to provide additional information regarding fees or expenses to that already

supplied within this report. Such requests must be made within 21 days of receipt of this report.

### Creditors' rights to challenge fees and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of fees which the Joint Administrators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the fees and/or expenses being complained of.

Please note that such challenges may not disturb fees or expenses (whether or not discharged from the estate) disclosed in prior progress reports.

### CONCLUSION

The Administration will continue in order to finalise the following outstanding matters:

- Continue pursuing the remainder of the deferred sale consideration;
- · Settle all outstanding professional fees; and
- Commence closure procedures and issue a final account for the Administration.

Should you have any queries concerning any of the above please do not hesitate to contact Martina Alexandrou on 0203 8566720 or by e-mail at <a href="mailto:martina.alexandrou@quantuma.com">martina.alexandrou@quantuma.com</a>.
