2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

The financial statements have been prepared on a going concern basis.

The directors have considered the continuing impact of the Covid-19 pandemic which is an unprecedented situation and while the reduction in activity associated with Covid-19 has been sharp and large, the company has continued its operations during this period albeit not at full capacity.

In addition, in the intervening period, while activity has been disrupted, substantial and substantive government and central bank measures have been put in place in the UK and internationally to support businesses and households if required. The measures, which have been evolving rapidly and could evolve further, are expected to remain in place throughout the period of disruption.

In light of the above, and with the continuing support of its bankers and finance providers, the directors consider the company continues to be a going concern.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
