# REPORT OF THE DIRECTORS FOR THE YEAR ENDED 28<sup>TH</sup> FEBRUARY 2002

The Directors present their report together with the audited financial statements for the year ended 28<sup>th</sup> February 2002.

# PRINCIPAL ACTIVITY

The principal activity of the Company is the sale of new and secondhand imported motor vehicles on an agency basis. The results for the year reflect the transition from direct selling to an agency basis.

#### REVIEW OF THE BUSINESS

The Company's net profit after taxation was £3,592 [2001: £(134,904) Loss]. The Director considers that the position of the Company at 28 February 2002 is reasonable given the value of its freehold property.

#### FIXED ASSETS

The movements in fixed assets during the year are set out in note 7 to the financial statements. Freehold Property at Chartham has been included at a professional valuation made on 13<sup>th</sup> December 1999 with no taxation provision made on the unrealised surplus arising (see note 6). No provision has been made for depreciation of freehold property held as an Investment Property for the reasons stated in the notes.

#### DIRECTORS AND INTEREST IN SHARES

All the shares in the Company are held by the group holding company – Motor Mall (Holdings) Limited. The Director's interests in shares of the group holding company were:

# MOTOR MALL LIMITED REPORT OF THE DIRECTORS FOR THE YEAR ENDED 28<sup>TH</sup> FEBRUARY 2002

# **DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director confirms that he has complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **SMALL COMPANY PROVISIONS**

In preparing these financial statements the directors have taken advantage of the special provisions relating to small companies within Part VII of the Companies Act 1985.

# **AUDITORS**

The Auditors, Norman Brisk & Co. were appointed during the year and have expressed their willingness to continue in office. A resolution to reappoint the auditors will be put to the members at the Annual General Meeting in accordance with Section 385 Companies Act 1985.

# REPORT OF THE AUDITORS To the members of Motor Mall Limited

We have audited the financial statements on pages 5 to 13 which have been prepared under the historical cost convention, modified to include Freehold Property at professional valuation and the accounting policies set out in note 1 on page 8.

#### Respective responsibilities of directors and auditors

As described on page 3, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 28<sup>th</sup> February 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes forming part of the Financial Statements for the year ended 28 February 2002

#### 1. ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the Company's financial statements are as follows:

#### Basis of accounting

The financial statements are prepared under the historical cost convention, modified to include Freehold Property at professional valuation.

#### Investment property

The Director has not provided depreciation in order that the accounts give a true and fair view.

#### Depreciation

Depreciation is provided on all tangible fixed assets other than the freehold property held as an Investment Property, at annual rates calculated to write off the cost of each asset over its expected useful life as follows:-

Freehold property

- 2% on cost of freehold buildings

Equipment, furniture & fittings

- 15% on net book value

Motor vehicles

- 25% on net book value

#### Turnover

Turnover comprises invoiced value excluding VAT of goods and services supplied to third parties excluding invoiced to finance houses.

#### Stock and work in progress

Stock and work in progress have been valued at the lower of cost or net realisable value.

#### Deferred Taxation

No provision has been made in respect of deferred taxation arising from accelerated capital allowances as the directors do not believe a liability will crystallise.

#### Leasing and hire purchase commitments

Assets held under finance leases, which are leases where substantially all the risks and rewards of ownership of the asset have passed to the group, and hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful lives. The capital element of future obligations under leases and hire purchase contracts are included as liabilities in the balance sheet. The interest elements of the rental obligations are charged in the profit and loss account over the periods of the leases and hire purchase contracts and represent a constant proportion of the balance of capital repayments outstanding.

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

#### Cash Flow Statement

The director has elected to take advantage of the exemption under FRS1 not to prepare a cash flow statement.
