## **Strategic report for the year ended 31 December 2017**

The directors present their strategic report on the company for the year ended 31 December 2017.

### **Principal activity**

The company's principal activity is the design and manufacture of filters and filter based subsystems for the microwave industry.

### **Business review**

The business operates globally as a member of the Dover Corporation's Microwave Product Group (MPG). Its main markets are EU member states, with the UK accounting for 58% of total sales in the year. The company generates new business from the combined activity of its in-house sales team and territorially based representatives.

The company differentiates itself from its competitors by focussing on product innovation designed to meet specific and often complex customer needs and continuing evolution of its core products.

The 2017 Financial Results reflect the continuing transition of the business from its core filter products - the market for which remains challenging - towards new product introductions focussed on more technically advanced added value requirements. The level and nature of this development work has continued to impact revenue, gross margins and earnings and this will continue into 2018. However, the company has a strong order book which will further strengthen as the development programs move to production stage.

The profit for the financial year was £263,339 (2016: £397,032).

### **Research & development**

In house development of our manufacturing facilities and engineering capability will enable the company to develop more advanced Active components; assemblies and sub systems.

### **Financial risk management**

The company makes no use of financial instruments other than operational bank accounts and its exposure to price risk and cash flow risk is not material for the assessment of its net assets, liabilities, financial position and profit or loss of the company. The company's activities expose it to credit risk and liquidity risk.

#### *Credit risk*

Credit risk of the company mainly arises from trade debtors of £1,265,000 at 31 December 2017 (2016: £995,137) and amounts owed by group undertakings of £2,226,976 at 31 December 2017 (2016: £2,335,483). The company has no significant concentration of credit risk. The company has a credit policy to handle credit risk of customers. There is no significant concentration of sale to any individual customer. Amounts owed by group undertakings are due from Dover Luxembourg Participations S.à r.l. (previously Dover Fluids UK Ltd), the immediate parent company, and represent the cash pool.

# **BSC Filters Limited**

## **Strategic report for the year ended 31 December 2017 (continued)**

### *Liquidity risk*

There is not considered to be a significant liquidity risk in view of the company's stable business and adequate sources of funds in the cash pool. The company's major financial liability was trade and other payables of £904,755 at 31 December 2017 (2016: £604,019).

### **Key performance indicators ("KPI's")**

The Company makes use of KPI's to drive operational performance and improvement activity. However, given the straightforward nature of the business, the company's directors are of the opinion that analysis of these key performance indicators is not necessary for an understanding of the development, performance or position of the business.

## **Directors' report for the year ended 31 December 2017**

The directors present their report together with the audited financial statements of the company for the year ended 31 December 2017.

### **Directors**

The directors of the company are set out on page 1, all of whom served throughout the year and up to the date of signing these financial statements.

### **Dividends**

The results for the year to 31 December 2017 are set out in the profit and loss account on page 8. Dover Corporation have recommended the company to pay no dividends in the year (2016: £ Nil).

### **Future developments**

The uncertainty surrounding Brexit and the continuing economic malaise in Southern Europe continue to negatively influence our European core markets. Whilst seeking to maintain our position in these markets future growth activity will be focussed on integrated added value products and the use of MPG sales channels in targeted international markets.

### **Financial risk management**

The company has chosen in accordance with section 414C (11) of the Companies Act 2006 to set out information related to its financial risk management objectives in the Strategic Report.

### **Statement of disclosure of information to auditors**

We, the directors of the company who held office at the date of approval of these financial statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the company's auditors are unaware; and
- we have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

### **Re-appointment of independent auditors**

In accordance with s.485 of the Companies Act 2006, a resolution is to be proposed at the Annual General Meeting for re-appointment of PricewaterhouseCoopers LLP as auditors to the Company.

On behalf of the Board

M Lee  
**Director**  
25 September 2018

## **Statement of directors' responsibilities in respect of the financial statements**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent auditors' report to the members of BSC Filters Limited

### Report on the financial statements

#### Opinion

In our opinion, BSC Filters Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual report and financial statements (the "Annual Report"), which comprise: the balance sheet as at 31 December 2017; the profit and loss account, the statement of changes in equity for the year then ended; the accounting policies; and the notes to the financial statements.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

#### Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

## Independent auditors report to the members of the BSC Filters Ltd (continued)

### *Strategic Report and Directors' Report*

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

### **Responsibilities for the financial statements and the audit**

#### *Responsibilities of the directors for the financial statements*

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### *Auditor's responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

#### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

## **Other required reporting**

### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

## **Statement of accounting policies for the year ended 31 December 2017**

### **General information**

The principal activity of the company during the year was to design and manufacture filters for the microwave industry. The company is a private company limited by shares and is incorporated and domiciled in the UK. The address of its registered office is Unit 10-11, Stirling Park, York, YO30 4WU.

### **Statement of compliance**

The financial statements of BSC Filters Limited have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

### **Accounting policies**

These financial statements have been prepared on a going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standard in the United Kingdom. The principal accounting policies, which have been consistently applied to all years presented, are set out below.

### **Basis of preparation**

The financial statements are presented in sterling. They are prepared on a going concern basis and under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed below.

### **Disclosure exemptions**

The principle disclosure exemptions adopted by the Company in accordance with FRS 102 are as follows:

- the requirements of Section 7 Statement of Cash Flows and Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirement of Section 33 Related Party Disclosures paragraph 33.7 and;
- the requirements of Section 11 Basic Financial Instruments paragraphs 11.39 to 11.48A and Section 12 Other Financial Instruments Issues paragraphs 12.26 to 12.29.

The parent company in whose financial statements BSC Filters Limited's financial information is consolidated is Dover Corporation. Copies of the financial statements of Dover Corporation can be obtained by writing to Dover Corporation, 3005 Highland Parkway, Suite 200, Downers Grove, IL 60515, United States of America.

### **Critical accounting estimates**

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed below.

- Warranty provision
- Inventory provision
- Dilapidation provision

### **Turnover**

Turnover represents amounts receivable for goods net of VAT and trade discounts.

# **BSC Filters Limited**

## **Statement of accounting policies for the year ended 31 December 2017 (continued)**

### **Tangible assets and depreciation**

Tangible assets are stated at cost less depreciation. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and Machinery	straight line (over 3 to 7 years)
Fixtures and Fittings	straight line (over 3 to 7 years)
Computers	straight line (over 3 to 7 years)
Leasehold Improvements	over length of lease

### **Intangible assets and amortisation**

Intangible assets are stated at cost less amortisation. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use. Amortisation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer software	straight line (over 3 to 7 years)
-------------------	-----------------------------------

### **Stocks**

Stocks are valued at the lower of cost and net realisable value. Cost includes all costs incurred in bringing each product to its present location and condition and is determined based on the first in first out method. Net realisable value is the price at which stocks can be sold in the normal course of business after allowing for the costs of realisation.

### **Foreign currencies**

Transactions denominated in foreign currencies are translated into Sterling at the rates of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated into Sterling at rates of exchange ruling at the balance sheet date. All profits and losses arising on foreign currency translation are dealt with in the profit and loss account.

### **Pensions**

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year in which they are payable.

### **Taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on an undiscounted basis.

### **Provisions**

Provisions are recognised when the company has a present obligation as a result of a past event, it is probable that a transfer of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

### **Operating leases**

Rentals under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

### **Trade debtors**

Trade debtors are recognised and measured at their original invoiced amount less any provision for uncollectable amounts. An estimate for doubtful debts is made when the collection of the full amount is no longer probable. Bad debts are written off to the profit and loss account when they are identified.

### **Financial costs**

Costs associated with the issue of bank and their other borrowings are deferred and charged to the profit and loss account over the term of the respective loan at a constant rate.

# **BSC Filters Limited**

## **Statement of accounting policies for the year ended 31 December 2017 (continued)**

### **Share based payments**

The Group provides share-based payment arrangements to certain employees

Cash-settled share options are measured at fair value at the balance sheet date. The Group recognises a liability at the balance sheet date based on these fair values, taking into account the estimated number of options that will actually vest and the current proportion of the vesting period. Changes in the value of this liability are recognised in the income statement.

### 6 Tax on profit on ordinary activities (continued)

#### Factors affecting current and future tax changes

Changes to the UK corporation tax rates were substantively enacted as part of the Finance Bill 2015 (on 26 October 2015) and Finance Bill 2016 (on 7 September 2016). These include reductions to the main rate to reduce the rate to 19% from 1 April 2017 and to 17% from 1 April 2020. Deferred taxes at the balance sheet date have been measured using these enacted tax rates and reflected in these financial statements.
