Notes to the Abbreviated Accounts for the period ended 31 March 2014

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents owners subscriptions to cover accruing maintenance costs

Tangible assets depreciation policy

The directors consider that the freehold property is maintained in such a way that their residual value is at least equal to its net book value. As a result the corresponding depreciation would not be material and therefore is not charged in the profit and loss account. The directors perform annual impairment reviews in accordance with the requirements of the Financial Reporting Standard for Smaller Entities (effective April 2008) to ensure that the recoverable amount is not lower than the carrying value.
