## 3D EUROPEAN HOLDINGS LIMITED REPORT AND FINANCIAL STATEMENTS

### STRATEGIC REPORT

The directors present their strategic report and the audited financial statements for the year ended 31 December 2019.

#### PRINCIPAL ACTIVITY

The company has two principal activities:

- holding of the investments of the European subsidiaries, and
- collection and distribution of management fees between the parent and the European subsidiaries.

#### REVIEW OF THE DEVELOPMENT, PERFORMANCE AND POSITION OF THE BUSINESS

The results for the year are in line with director expectations.

With expected stability in the trading subsidiaries complemented by healthy industry growth rates, the directors believe that the holding company will continue to function in the existing structure through 2020.

#### PRINCIPAL RISKS AND UNCERTAINTIES

We are exposed to market risk from changes in interest rates and foreign currency exchange rates and commodity prices which may adversely affect our results of operations and financial condition. We seek to minimise these risks through regular operating activities as appropriate.

#### KEY PERFORMANCE INDICATORS

The business uses various KPI's to monitor the results of the business on an ongoing basis. Financial measures include Turnover, Gross Margin and Profit before tax, which are all line items disclosed on the face of the profit and loss account. Revenue has increased by 30% driven by extended headcount globalization which results in cross entity cost recharges, expenses have increased by 29% primarily in line with the corresponding revenue, as well as some foreign exchange pressure.

£'000	Révenue	Cost	GP Margin
2018	7,584	(-7,627)	-1%
2019	9,838	(-9,861)	-0.2%
Increase/(Decrease)	2,253	2,235	
Increase/(Decrease) %	30%	29%	

#### FUTURE PROSPECTS

The Holdings activity is determined by its continuation as the mechanism for management fee distribution. Its growth is therefore dependent on the growth of the wider 3D trading entities and any new acquisitions, along with an increase in the global and pan European roles within these subsidiary companies.

**3D EUROPEAN HOLDINGS LIMITED**  
**REPORT AND FINANCIAL STATEMENTS**

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF 3D EUROPEAN HOLDINGS LIMITED**

### **Opinion**

We have audited the financial statements of 3D European Holdings Limited ("the Company") for the year ended 31 December 2019, which comprise the Statement of Comprehensive Income, Statement of Financial Position, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *the Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

## Independent auditor's report (continued)

---

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report and Director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

### Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## 3D EUROPEAN HOLDINGS LIMITED

### NOTES TO THE ACCOUNTS Year Ended 31 December 2019

#### 1 ACCOUNTING POLICIES

3D European Holdings Limited is a private company limited by shares incorporated in England & Wales under the Companies Act. The address of the registered office is given on the Officers and Professional Advisers page and the nature of the group's operations and its principal activities are set out in the strategic report. The financial statements have been prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.

##### Company Disclosure Exemptions

As its results are included in 3D Systems Corporation's consolidated financial statements, the company has taken advantage of the following disclosure exemptions available in FRS 102:

- The requirement to present a statement of cash balances and related
- The requirement to disclose the company's financial instruments; and
- The requirement to disclose aggregate remuneration of the key personnel of the company as their remuneration is included in the total for the group as a whole.

##### Operating Income

Operating income consists of management charges received from subsidiary companies, and is included on an accruals basis.

##### Foreign Currencies

Transactions in foreign currencies are recorded using the exchange rate at the date of the transaction.

Assets and liabilities expressed in foreign currencies are translated into sterling at rates of exchange ruling at the end of the financial year. Foreign exchange differences are taken to the profit and loss account in the year in which they arise.

##### Deferred Taxation

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

##### Dividends

Dividends are recognised when they become legally payable. In the case of interim dividends to equity shareholders this is when they are paid by this company. In the case of final dividends this is when approved by the shareholders.

##### Reserves

The Company's reserves are as follows:

- Called up share capital reserve represents the nominal value of the shares issued.
- Profit and loss account represents cumulative profits or losses, net of dividends paid and other adjustments.

##### Investments

Investments are held at the lower of cost or net realisable value. The carrying values of fixed asset investments are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

##### Consolidation

The company has taken the exemption conferred by Section 401 of the Companies Act 2006 not to produce consolidated accounts as it is a wholly-owned indirect subsidiary of 3D Systems Corporation. Copies of the consolidated accounts of 3D Systems Corporation are publicly available from 333 Three D Systems Circle, Rock Hill, SC 29730, USA or from the United States Securities and Exchange Commission website at [www.sec.gov](http://www.sec.gov). These accounts therefore present the results of the company only.

##### Financial Instruments

The company holds or issues financial instruments to finance its operations and enters into contracts to manage risks arising from those operations and its sources of finance in accordance with its accounting policies.

##### Going Concern

The accounts have been prepared on a going concern basis after considering the forward cashflows of the business. The company has received loans from the parent company which are due on demand. A letter of support has been provided by the parent company stating they will not demand repayments on the loans within twelve months from the date of signing the accounts.
