### **Annual Report of the Trustees**

The Trustees present their annual report and unaudited financial statements for the year ended 31 March 2007

### Structure, governance and management

The charitable company is governed by a Memorandum and Articles of Association and was incorporated on 27 September 1990. The Memorandum and Articles of Association was amended by a resolution dated 22 November 1990. The charitable company ("the charity") was registered as a charity by the Charity Commission on 18 December 1990.

The charity is constituted as a company limited by guarantee with a board of Trustees, who are also Directors of the charity for Companies Act purposes. There is no maximum number of Trustees that can be appointed but the minimum number is six. The Trustees meet a minimum of six times per annum to oversee the running of the organisation. Their responsibilities are defined in the Articles of Association. No remuneration is payable to the members of the Management Committee. Suitable candidates are identified and invited to join the Trustee body. Prospective Trustees are invited to attend the Centre and Trustees meetings to acquaint themselves with all aspects of the charity before they are formally invited to become Trustees.

Day to day activities are delegated to the manager and staff team. The Trustees regularly attend the centre and monitor activities

### Objectives and activities

The principal objects of the charity are to advance the education of persons with learning difficulties and to offer opportunities to develop the intellectual capacity and abilities of such persons that they may achieve their full potential both as individuals and members of society

To meet the aims and objectives of providing Educational and Training opportunities, people with learning disabilities are sponsored by Statutory Services, Charities and other organisations to attend the Centre on specified days each week. The variety of activities offered include needlework, cookery, arts and crafts, woodwork, gardening, singing, basic numeracy, literacy and computer skills, discussion and group work. We also provide a nail and hair care service.

We continue to maintain an experienced staff team, our staff to client ratio is set at a high level at all times. Supported by a team of volunteers, clients participate in activities and individual learning programmes. The size of the group will depend on the activity and where appropriate one-to-one support is given. In line with the recommendations of the Government's White Paper, "Valuing People", we offer a small day service which integrates wherever possible with mainstream community facilities.

### Achievements and performance

We aim to provide a safe, relaxed and stimulating environment where individuals can socialise, learn new skills and maintain existing skills. Most important of all is for our clients to enjoy a good quality of life that commands respect, dignity and choice

The programme of activities we offer changes every four months, in July, November and March. This gives clients the choice to access different activities and staff or remain the same. This approach is based on individual choice and is always accommodated.

in addition to the activities offered within the centre small groups access the community by using local shops, cafes and restaurants. Twice a week clients can go to a local sports centre to play badminton or use the gym

We have 58 clients on our register with an average daily attendance of 25

During the last year two members of staff gained level 2 in The National Vocational Qualification in Social Care (N V Q) and we also have a member of staff who is a qualified Assessor Other staff have also undertaken courses in First Aid, Administration of Medication, Food Hygiene, Food Safety and Management Systems

Through Hertfordshire Careers Services we have offered work experience to seven pupils from local schools. We continue to provide placements to students who are under taking Nursing or Social Work training and have a member of staff who is an approved Mentor.

### Financial review

With the financial statements showing a virtual breakeven position, the Trustees have not designated additional funds to the contingency fund this year

## Annual Report of the Trustees (cont'd)

### Plans for future periods

The charity aims to maintain staffing ratios and skills at the existing level to ensure that a positive and enhancing service is provided to all clients who attend the centre

### Reserves Policy

The Trustees policy is to retain sufficient reserves to protect the Centre against the erosion or loss of non-operating income over the next five years. The reserves policy is reviewed on an annual basis

The Trustees have designated funds to provide for the cost of maintenance that is required to the fabric of the charity's building. The provision exists in order to recognise that the building must be maintained to a "fit for purpose". Provisions will be made to the Fund in future to ensure that the level of the Fund meets the Centre's needs.

The level of reserves held at 31 March 2007 is shown on the Balance Sheet

### **Investment Powers**

Under the Memorandum and Articles of Association, the charity has the power to make any investment that the Trustees see fit

#### **Directors and Trustees**

The directors of the charitable company ('the charity') are its Trustees for the purpose of charity law and throughout this report are referred to as the Trustees. A list of the Trustees are given on the Legal and Administration page to the financial statements. All of the Trustees named on that page served during the year. The board of Trustees has the power to appoint additional Trustees as it sees fit. Those Trustees appointed during the period plus one third of the existing Trustees must retire by rotation at the next Annual General Meeting. All retiring Trustees are eligible for re-election.

### Remuneration

No remuneration is payable to the Trustees

### Risk review

The Trustees have reviewed the risks associated with the business and there are two principal areas as follows

- (a) the building lease was renewed for a period of 15 years in December 2005. Our insurers have provided advice on certain aspects of the building fabric and we have introduced a specific maintenance provision in these financial statements which will ensure that the appropriate costs of occupying the building are covered.
- (b) In addition to the building we depend upon maintaining a good quality of staff to deal with the varying needs of our clients. We are investing time in training and also ensuring that the staff/client ratios remain favourable. Thus we have procedures in place to monitor remuneration and training levels.

### Statement of Trustees responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (UK GAAP)

Company law requires the Trustees to prepare financial statements that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year. In doing so the Trustees are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue its operations

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 1985. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Annual Report of the Trustees (cont'd)

### Statement of Trustees responsibilities (continued)

In so far as the Trustees are aware, there is no relevant accounting information (information needed by the charity's Accountants in connection with preparing their report) of which the charity's Accountants are unaware, and each Trustee has taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant accounting information and to establish that the charity's Accountants are aware of that information

### Employee involvement and employment of the disabled

The Trustees wish to record thanks to all the staff who have contributed to the success of the charity during the year under review

The Trustees are not aware of any staff who are registered as disabled but have the necessary facilities to enable disabled people with the appropriate skills to work for the charity

### **Volunteers**

The Trustees also wish to record their heartfelt thanks to the many volunteers without whom the charity would be unable to maintain the quality of service at the level of expenditure that is currently enjoyed

### **Independent Reporting Accountants**

A resolution will be proposed at the forthcoming Annual General Meeting that Howard Wilson, Chartered Accountants, be reappointed as accountants for the ensuing year

By order of the Trustees
