DIRECTORS' REPORT

The directors submit the report and financial statements of the company in respect of the period to 31 December 2018.

STATEMENT OF GOING CONCERN

The financial statements have been prepared on the going concern basis, notwithstanding the Company had net liabilities of £82,877 as at 31 December 2018. The directors believe this to be appropriate as the Company's ultimate parent company has provided the Company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the Company to meet its liabilities as they fall due for payment.

The directors have considered the Company's funding relationship with The Weir Group PLC to date and have considered available relevant information relating to The Weir Group PLC's ability to continue as a going concern. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the financial statements.

ACTIVITIES

The company did not trade during the period, nor is it expected to do so within the foreseeable future.

The directors of the company during the period were:

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent, state whether applicable UK accounting standards have been followed and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that the financial statements comply with the above requirements.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
