### **STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2020**

---

The Directors present their Strategic report on Airport Media International Limited (the 'Company') for the year ended 31 December 2020.

#### **Principal activities**

The Company is a member of the WPP plc Group (the 'Group'). The Company's principal activity is to act as an investment holding company.

#### **Future developments**

The Directors do not envisage any major change to the nature of the business in the foreseeable future.

#### **Business review**

The Company made a profit for the year ended 31 December 2020 of £1,875,000 which will be transferred to reserves (2019: a profit of £1,875,000 which was transferred to reserves).

The Directors are of the opinion that the current level of activity and performance is sustainable, due to the positive financial position of the Company, and will remain so for the foreseeable future. Further details are provided in the "Going concern and liquidity risk" section.

#### **Covid-19**

As the Company does not have any employees, the Company did not access any financial support measures made available by the UK and other governments.

The Directors will continue to monitor, review and take any appropriate steps to respond to the impact of the Covid-19 pandemic in the Company, as well as recognise and address the other current and emerging risks and uncertainties we face as a business.

The extent of the continued impact of the Covid-19 pandemic on our business will depend on numerous factors that we are not able to accurately predict, including the duration and scope of the pandemic, government actions to mitigate the effects of the pandemic and the intermediate and long-term impact of the pandemic on our clients' spending plans.

#### **Dividends**

The Company paid a final dividend of £1,875,000 in the current year to its ordinary shareholders (2019: £1,875,000).

#### **Going concern and liquidity risk**

The Directors have assessed the business activities and the potential impact that the global outbreak of Covid-19 may have on the liquidity, performance and financial position of the Company for at least the next 12 months.

As the Company is primarily an investment holder, there is no expected impact to the financial position of the Company as a result of Covid-19.

As at 31 December 2020, the Company has net current assets of £107,000 and net assets of £107,000 and can therefore meet its short- and long- term obligations as they fall due.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for at least the next 12 months from the date of signing the financial statements. Additionally, the Company is a subsidiary of WPP plc and is supported by the overall WPP plc financing and liquidity arrangements.

### STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

---

#### Going concern and liquidity risk (continued)

The Directors therefore continue to adopt the going concern basis of accounting in preparing the financial statements.

#### Financial risk management and principal risks and uncertainties

The Directors of the Company have considered the principal risks and uncertainties affecting the Company as at 31 December 2020 and up to date of this report. As the Company is primarily an investment holding company with a limited amount of transactions, the Directors believe that the Company has no principal risks and uncertainties other than going concern and liquidity. Going concern and liquidity risks are discussed above.

#### Financial key performance indicators

	2020	2019	Change
	£'000	£'000	%
Profit before taxation	1,875	1,875	-
Net assets	107	107	-

The Company is a wholly owned subsidiary of WPP plc. For this reason, the Company's Directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of WPP plc, which includes this Company, is discussed in the Group's annual report, which does not form part of this report. The financial statements of WPP plc are available at [www.wpp.com/investors](http://www.wpp.com/investors).

#### Directors' statement of compliance with duty to promote the success of the Company

The Directors of the Company, as those of all UK companies, must act in accordance with section 172 of the UK Companies Act 2006. The Directors are of the opinion that they have acted fairly and in good faith to promote the success of the Company for the benefits of its members.

The Directors have carried out these duties and have made decisions and undertaken short and long term strategies to maintain its financial performance and position. The Directors continue to recognise the importance of the Company's partnership with all stakeholders, including employees, members, suppliers, customers and the community, as well as maintaining its high standards of business conduct and reputation.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AIRPORT MEDIA INTERNATIONAL LIMITED**

---

#### **Opinion**

We have audited the financial statements of Airport Media International Limited (the 'Company') for the year ended 31 December 2020, which comprise the Income Statement, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's (the 'FRC's') Ethical Standard and have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's Report thereon. The Directors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AIRPORT MEDIA INTERNATIONAL LIMITED (CONTINUED)**

---

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- have not received all the information and explanations require for our audit.

#### **Responsibilities of directors**

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AIRPORT MEDIA INTERNATIONAL LIMITED (CONTINUED)

#### Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We considered the nature of the Company's industry and its control environment, and reviewed the Company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory frameworks that the Company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act, pensions legislation and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the Company's ability to operate or to avoid a material penalty. These included the UK Bribery Act.

We discussed among the audit engagement team including relevant internal specialists such as tax, valuations, pensions, IT, forensic and industry specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

#### Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

## 2. Accounting policies (continued)

### 2.3 Exemption from preparing consolidated financial statements

The Company is a wholly owned subsidiary of its ultimate parent Company and as such has taken advantage of the exemption from preparing group financial statements under section 400 of the Companies Act 2006. WPP plc, a Company incorporated in Jersey, is the Company's ultimate parent undertaking and controlling party. The largest group of undertakings for which group financial statements are prepared and which include the results of the Company are the consolidated financial statements of WPP plc. The registered address of WPP plc is 13 Castle Street, St Helier, Jersey, JE1 1ES. Copies of the consolidated financial statements can be obtained from [www.wpp.com/investors](http://www.wpp.com/investors). The smallest group of undertakings for which group financial statements are prepared and which include the results of the Company are the consolidated financial statements of WPP Jubilee Limited, registered in the England and Wales. The registered address of WPP Jubilee Limited is Sea Containers House, 18 Upper Ground, London, SE1 9GL, United Kingdom. The immediate parent undertaking is Poster Publicity Holdings Limited. These financial statements are separate financial statements.

### 2.4 Going concern

The Directors have assessed the ongoing business activities and the potential impact that the global outbreak of Covid-19 may have on the liquidity, performance and financial position of the Company for at least the next 12 months.

As the Company is primarily an investment holder, there is no expected impact to the financial position of the Company as a result of Covid-19.

As at 31 December 2020, the Company has net current assets of £107,000 and net assets of £107,000 and can therefore meet its short- and long- term obligations as they fall due.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for at least the next 12 months from the date of signing the financial statements. Additionally, the Company is a subsidiary of WPP plc and is supported by the overall WPP plc financing and liquidity arrangements.

The Directors therefore continue to adopt the going concern basis of accounting in preparing the financial statements.

### 2.5 Impact of new international reporting standards, amendments and interpretations

No new accounting standards or IFRIC interpretations have had a material impact on the Company for the year ended 31 December 2020.

### 2.6 Foreign currency translation

#### Functional and presentation currency

The Company's functional and presentational currency is Pounds Sterling (£).

#### Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

---

## AIRPORT MEDIA INTERNATIONAL LIMITED

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

---

#### **2. Accounting policies (continued)**

##### **2.6 Foreign currency translation (continued)**

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

##### **2.7 Investments in subsidiaries**

Investments in subsidiaries are measured at cost less accumulated impairment.

##### **2.8 Trade and other receivables**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Trade and other receivables are carried at original invoice amount less any provisions for doubtful debts.

Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade or other receivable is determined to be uncollectable it is written off, firstly against any provisions available and then to the income statement.

The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

To measure the expected credit losses, trade receivables and contract assets have been grouped based on shared credit risk characteristics and days past due. The contract assets relate to unbilled work in progress and have substantially the same risk characteristics as the trade receivables for the same types of contracts. The Company has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

Subsequent recoveries of amounts previously provided for are credited to the income statement. Long-term receivables are discounted where the effect is material.

##### **2.9 Dividends**

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

##### **2.10 Share capital**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from proceeds.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

---

#### 3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors are required to make judgements (other than those involving estimations) that have a significant impact on the amounts recognised and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision only affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year are addressed below:

#### *Impairment of investments*

Investments in subsidiaries and associates are held at cost less accumulated impairment losses. Annual impairment tests are carried out to ascertain if the carrying value of investments are impaired. These tests comprise a comparison between the carrying value of investment in subsidiary and associates and the net asset value of the subsidiary and associates. In some instances, valuations of subsidiary companies and associates are prepared. Valuations for impairment tests are based on established market multiples or risk-adjusted future cash flows over the estimated useful life of the asset, where limited, discounted using appropriate interest rates.

The assumptions relating to future cash flows, estimated useful lives and discount rates are based on business forecasts and are therefore inherently judgemental. Future events could cause the assumptions used in these impairment tests to change with a consequent adverse effect on the future results of the Company.

In the opinion of the Directors there are no critical judgements that have been made in the process of applying the accounting policies.

#### 4. Auditor's remuneration

	2020 £'000	2019 £'000
Fees payable to the Company's auditor and its associates for the audit of the Company's annual financial statements	1	1

The auditor's remuneration has been borne by other Group companies and is not recharged. There were no non-audit services provided by the Company's auditors in the current or prior year.

**7. Taxation**

	2020 £'000	2019 £'000
<b>Income tax charge</b>		
Current tax on profits for the year	-	-

**Factors affecting tax charge for the year**

The tax assessed for the year is lower than (2019 - lower than) the standard rate of corporation tax in the UK of 19% (2019 - 19%). The differences are explained below:

	2020 £'000	2019 £'000
Profit on ordinary activities before tax	1,875	1,875
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2019 - 19%)	356	356
<b>Effects of:</b>		
Non-taxable income	(356)	(356)
<b>Total tax charge for the year</b>	-	-

**Factors that may affect future tax charges**

The UK tax rate for the year ended 31 December 2020 is 19%. The reversal of a planned reduction to 17% was enacted in 2020, and therefore the rate used for deferred tax balances for 2020 is 19% (2019: 17%).

In the UK Budget on 3 March 2021, the Chancellor of the Exchequer announced an increase in the UK corporation tax rate from 19% to 25%, which is due to be effective from 1 April 2023. This change was not substantively enacted at the balance sheet date and hence has not been reflected in the measurement of deferred tax balances at the period end.
