DIRECTORS' REPORT (continued)

The directors present their annual report and the audited financial statements for the period ended 1 October 2005.

ACTIVITIES

٠. . .

The company is principally engaged in the manufacture of catering equipment.

REVIEW OF DEVELOPMENTS AND FUTURE PROSPECTS

To realign its continuing business activities and position itself for significant future manufacturing growth the company undertook a restructuring programme during the year. The programme involved the exit from certain product lines and sales channels together with significant investment in plant and equipment. The company recorded an operating loss of £ 2,028,833 (2004: £1,523,250) including restructuring costs of £785,000 (2004: £nil). The directors are confident that action plans in place will return the business to profitability.

RESULTS AND DIVIDENDS

The directors do not recommend the payment of an ordinary dividend for the period (2004: £Nil). The loss for the period transferred from reserves is £2,028,833 (2004: loss of £1,523,250 transferred from reserves).

STATEMENT OF DIRECTORS' RESPONSIBILITIES

United Kingdom company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company as at the end of the financial period and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting policies have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF VISCOUNT CATERING LIMITED

We have audited the financial statements of Viscount Catering Limited for the period ended 1 October 2005 which comprise the profit and loss account, the balance sheet, the statement of total recognised gains and losses, the reconciliation of movements in shareholders' funds and the related notes 1 to 18. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the statement of directors' responsibilities, the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibility is to audit the financial statements in accordance with relevant United Kingdom legal and regulatory requirements and auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report for the above period and consider the implications for our report if we become aware of any apparent misstatements.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 1 October 2005 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS Period ended 1 October 2005

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers during the period.

Tangible fixed assets

Depreciation is provided by the company on a straight line basis to write off the cost less the estimated residual value of tangible fixed assets over their estimated useful economic lives as follows:

Plant and machinery - 10-20% per annum Fixtures, fittings, tools and equipment - 10-33% per annum Motor vehicles - 25-33% per annum

Stocks

Stocks are valued at the lower of cost and net realisable value of individual items of stock. Work in progress includes the relevant proportion of manufacturing overheads attributable to the stage of completion, as well as bought in components and parts. Finished stocks include manufacturing overheads but exclude selling, distribution and administrative overheads. Net realisable value is based on estimated selling price less all further costs to completion and all relevant marketing, selling and distribution costs.

Pension costs

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in independently administered funds. The amount charged against profits represents the contributions payable to the extent that it is probable that an actual liability will crystallise,

Cash flow statement

Under Financial Reporting Standard 1 (Revised), the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking of a parent which prepares a consolidated cash flow statement.

Deferred taxation

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets and liabilities are not discounted. Deferred tax assets are recognised to the extent that it is considered more likely than not the asset will be recovered.

Investments

Investments are stated at cost less provision for impairment.

Operating leases

Rental charges are charged to the profit and loss account on a straight-line basis over the life of the lease.

NOTES TO THE FINANCIAL STATEMENTS Period ended 1 October 2005

2. TURNOVER

All turnover arises from the principal activity of the manufacture of catering equipment.
