Directors' Report

for the year ended 30th April 2013

The directors present their report and financial statements for the year ended 30th April 2013

Principal Activities

The principal activity of the Company is the commercial exploitation of the Advanced Liquid Pressure Forming process technology and its application to the manufacture of Aluminium Matrix Composites (AMCs)

Results and Dividends

The results for the financial period are given in the profit and loss account on page 7. The directors do not recommend the payment of a dividend for the year ended 30th April 2013.

Directors

The directors who served during the year were as follows

M D A Bentata

N P Collins

R S Bushby

C S Barton

D Price

Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Report (continued)

for the year ended 30th April 2013

Statement of Disclosure to Auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies

By order of the board

Independent Auditors' Report

to the Members of Composite Metal Technology Ltd

We have audited the financial statements of Composite Metal Technology Limited for the year ended 30th April 2013 on pages 7 to 18 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective Responsibilities of Directors and Auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the Audit and Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all of the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on Financial Statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 30th April 2013 and
 of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on Other Matter Prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Independent Auditors' Report (continued)

to the Members of Composite Metal Technology Ltd

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

These financial statements were approved by the Board of Directors on 18th September 2013 and were signed on their behalf by

C. source Barbon.

Christopher Barton

Director

Notes to the Accounts

for the year ended 30th April 2013

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements

11 Basis of preparation

The financial statements have been prepared under the historical cost convention, in accordance with applicable accounting standards

The financial statements have been prepared on a going concern basis. The Company is dependent upon the continued support of its parent undertaking and creditors. The directors of the parent undertaking are of the opinion that sufficient funds are available to enable the company to continue its support. In addition the parent undertaking has sufficient cash reserves enabling it to support the company for at least 12 months from the date of approval of these financial statements. Therefore, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing the financial statements.

1 2 Cash Flow Statement

The Company has taken advantage of the exemption available under FRS1 from the requirement to prepare a cash flow statement on the basis that one is included in the consolidated financial statements prepared by its parent, Composite Metal Technologies Plc

1.3 Fixed assets and depreciation

Depreciation is provided by the Company to write off the cost of tangible fixed assets over their estimated useful economic lives. The charge for depreciation is allocated in the year of addition and disposal to reflect the period of time for which the asset is held.

Plant and machinery 10% straight line Fixtures, fittings and office equipment 20% straight line Motor vehicles 20% straight line

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate the carrying value may not be recoverable

14 Patents

Patents are valued at cost less accumulated amortisation
Amortisation is calculated to write off the cost in equal annual instalment over their estimated useful lives

1 5 Research and development

Research and development expenditure is written off as incurred, except that development expenditure incurred on an individual project is capitalised when its future recoverability can be foreseen with reasonable assurance. Any expenditure carried forward is amortised during the years following completion of the development in line with the sales from the related projects. The period of write off is a maximum of 5 years.

Notes to the Accounts (continued)

for the year ended 30th April 2013

1 6 Contribution to pension funds

The Company contributes to external defined contribution pension schemes The amount charged to the profit and loss account in respect of pension costs is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

17 Operating leases

Rentals applicable to operating leases are charged to the profit and loss account on a straight line basis over the term of the lease

18 Stocks

Stocks are valued at the lower of cost and net realisable value

19 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

1 10 Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

1 11 Group accounts

The Company has taken advantage of the exemption in Financial Reporting Standard Number 8 from the requirement to disclose transactions with group companies on the grounds that consolidated financial statements are prepared by the parent company. The largest and smallest group for which consolidated financial statements are prepared is that headed by Composite Metal Technologies Plc, the Company's immediate and ultimate parent undertaking, a company registered in England and Wales. A copy of the group accounts can be obtained from Companies House, Crown Way, Maindy, Cardiff, CF14 3UZ

112 Turnover

Turnover represents the amounts receivable for goods and services net of VAT and trade discounts. In respect of long-term contract work under grants for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced

1 13 Investments

Fixed asset investments are stated at cost less provision for diminution in value

Notes to the Accounts (continued) for the year ended 30th April 2013

2. **Turnover**

All income arose within the EC Turnover is comprised as follows
