Notes to the Financial Statements
for the Year Ended 30 June 2020

1. STATUTORY INFORMATION

Altech Trading Company Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Tangible fixed assets are initially measured at cost. After initial recognition, tangible fixed assets are measured at cost less any accumulated depreciation and any accumulated impairment losses.

Depreciation is provided at the following annual rates, in order to write off each asset over its estimated useful life:

- Plant and machinery etc - 25% on reducing balance and 15% on reducing balance

Stocks

Stock is valued at the market value, after making due allowances for obsolete and slow moving items.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Notes to the Financial Statements - continued
for the Year Ended 30 June 2020

2. ACCOUNTING POLICIES - continued

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet and depreciated over their estimated useful lives.

Interest is charged to the profit and loss account on an actual basis over the term of the contract. The capital element of future payments is carried forward as a liability.

Significant judgements and estimates

No significant judgements or estimations have been applied in the preparation of the financial statements.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Creditors

Short term creditors are measured at the transaction price.
