NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. General information

Keller Finance Limited is a company incorporated in the United Kingdom under the Companies Act. The Company has not actively traded during the year. The address of the registered office is 2 Kingdom Street, London W2 6BD.

2. Accounting policies

2.1 Basis of preparation of financial statements

The Company meets the definition of a qualifying entity under FRS 100 (Financial Reporting Standard 100) issued by the Financial Reporting Council.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cashflow statement.

2.2 Going concern

The financial statements have been prepared on the going concern basis. The Company has net current liabilities of £918,443 (2020: £918,443). However, through its parent undertaking and ultimate parent undertaking, the Company has the ability to access additional funds from the Group's Multicurrency Revolving credit facility which will provide such funds as necessary to enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. This should enable the Company to continue in existence for the foreseeable future. The directors therefore believe it is appropriate to prepare the financial statements on a going concern basis.

2.3 Investments

Investments in subsidiaries are measured at cost less accumulated impairment.

2.4 Group accounts

The financial statements present information about the Company as an individual undertaking and not about its group. The Company has not prepared group accounts as it is exempt from the requirement to do so by section 400 of the Companies Act 2006 as it is a subsidiary undertaking of Keller Group plc, a Company registered in England and Wales, and is included in the consolidated accounts of that company.

2.3 Exceptional items

These are items which are exceptional by their size and/or are non-trading in nature, including amortisation of acquired intangibles and other non-trading amounts, including those relating to acquisitions and disposals.
