 - (ii) to confer on the Security Agent or confer on the Finance Parties Security over any property and assets of that Chargor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to the Transaction Security Documents; and/or
 - (iii) upon a Declared Default, to facilitate the realisation of the assets which are, or are intended to be, the subject of the Transaction Security.
- (b) Each Chargor shall (and the Parent shall procure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Finance Parties by or pursuant to the Finance Documents.

21.2 Specific security

Without prejudice to the generality of Clause 21.1 (*Further action*), each Chargor will promptly upon request by the Security Agent execute any document contemplated by that Clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to Clause 6 (*Exclusions*)).

22. POWER OF ATTORNEY

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any Delegate to be its attorney to take any action following a Declared Default which such Chargor is obliged to take under this Deed, including under Clause 21 (*Further Assurances*), or, if no Declared Default has occurred, which such Chargor has failed to take

within 20 Business Days of notification from the Security Agent of that failure. Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this Clause.

23. CURRENCY CONVERSION

All monies received or held by the Security Agent or any Receiver under this Deed may be converted from their existing currency into such other currency as the Security Agent or the Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Agent's spot rate of exchange for the purchase of the relevant currency in the London foreign exchange market on the relevant day. Each Chargor shall indemnify the Security Agent against all costs, charges and expenses incurred in relation to such conversion. Neither the Security Agent nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

24. CHANGES TO THE PARTIES

24.1 Chargors

No Chargor may assign any of its rights or obligations under this Deed.

24.2 Security Agent

The Security Agent may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Security Agent in accordance with the Intercreditor Agreement. Each Chargor shall, immediately upon being requested to do so by the Security Agent, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

24.3 Accession Deed

Each Chargor:

- (a) consents to new Subsidiaries of the Parent becoming Chargors as contemplated by the Finance Documents; and
- (b) irrevocably authorises the Parent to agree to and sign any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

25. MISCELLANEOUS

25.1 New accounts

- (a) If the Security Agent or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security (other than a Permitted Security) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Finance Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Security Agent or such other Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

25.2 Tacking

- (a) Each Finance Party shall perform its obligations under the Facilities Agreement (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

25.3 Land Registry

- (a) Save in respect of any Short Leasehold Property, each Chargor shall apply to the Chief Land Registrar (and consents to such an application being made by or on behalf of the Security Agent) for a restriction in the following (or substantially similar) terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [●] 2021 in favour of [●] referred to in the charges register or their conveyancer.”

- (b) Each Chargor:
 - (i) authorises the Security Agent to make any application which the Security Agent deems appropriate for the designation of this Deed, the Facilities Agreement or any other Finance Document as an exempt information document under rule 136 of the Land Registration Rules 2003;
 - (ii) shall use its reasonable endeavours to assist with any such application made by or on behalf of the Security Agent; and
 - (iii) shall notify the Security Agent in writing as soon as it receives notice of any person’s application under rule 137 of the Land Registration Rules 2003 for the disclosure of this Deed, the Facilities Agreement or any other Finance Document following its designation as an exempt information document.
- (c) No Chargor shall make any application under rule 138 of the Land Registration Rules 2003 for the removal of the designation of any such document as an exempt information document.
- (d) Each Chargor shall promptly make all applications to and filings with the Land Registry which are necessary or desirable under the Land Registration Rules 2003 to protect the Debenture Security.

25.4 Protective Clauses

- (a) Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to any Secured Party).

- (b) Clause 23 (*Guarantee and indemnity*) of the Facilities Agreement apply in relation to this Deed as if references to the obligations referred to in such clauses respectively were references to the obligations of each Chargor under this Deed.

26. NOTICES

26.1 Facilities Agreement

Subject to Clause 26.2 (*Notices through Parent*):

- (a) Clause 37 (*Notices*) of the Facilities Agreement (other than clauses 37.3 (*Delivery*) and 37.6 (*Electronic communication*)) is incorporated into this Deed as if fully set out in this Deed; and
- (b) the address and email addresses of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the execution pages to this Deed or subsequently notified from time to time by the relevant Party for the purposes of the Facilities Agreement or this Deed.

26.2 Notices through Parent

- (a) All communications and documents from the Chargors shall be sent through the Parent and all communications and documents to the Chargors may be sent through the Parent.
- (b) Any communication or document made or delivered to the Parent in accordance with this Clause 26 will be deemed to have been made or delivered to each of the Chargors.

27. CALCULATIONS AND CERTIFICATES

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

28. PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

29. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

30. AMENDMENTS AND WAIVERS

Any provision of this Deed may be amended only if the Security Agent and the Chargors so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Security Agent so agrees in writing. A waiver given or consent granted by the Security Agent

under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

31. COUNTERPARTS

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

32. RELEASE

32.1 Release

Upon the expiry of the Security Period (but not otherwise) the Security Agent shall, at the request and cost of the Chargors, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security Assets from the Debenture Security.

32.2 Reinstatement

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

33. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

34. ENFORCEMENT

34.1 Jurisdiction of English courts

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a “**Dispute**”).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 34.1 is for the benefit of the Finance Parties and Secured Parties only. As a result, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.
