McGill University Trust was established as a charity to support the general welfare of McGill University and to encourage UK students to attend the University, through both a scholarship and bursary scheme and funding for McGill's UK student (university through recruitment. Donations are raised from alumni and friends of McGill based in the UK and the rest of Europe.

McGill University Development Fund. The transfer for the McGill University Trust Awards was only slightly higher than the previous year.

The Trust supported, through its endowment fund, scholarships awarded to two new UK recipients under the McGill University Trust Awards scholarship and bursary scheme.

McGill reinstated its UK Student Recruitment programme in autumn 2019 with a series of school visits, meetings and gatherings, but the Spring 2020 programme was disrupted by the Covid-19 outbreak. However, virtual meetings took place, so a lot was still achieved. Subject to prevailing local conditions, visits to the UK will resume for 2020-21. UK undergraduate enrolment continued to rise in 2019 with more applicants, offers of admissions and registrations occurring, to maintain their upward trend over the last five years. So good progress is being made by McGill to meet its objective to boost undergraduate participation at McGill by students from the UK, which is a testimony to the worth of this UK Student Recruitment programme.

The Trust's Endowment fund managed by McGill had a more challenging year due to the turmoil in financial markets brought on by the Covid-19 outbreak. In Canadian dollar terms, the value of the fund was down about 4% and there was a small fall in annual income earned.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

McGill University Trust is incorporated as a company limited by guarantee and governed by its memorandum and articles of association. The Board of Trustees undertakes the management of the Trust, one of whom, the Administrator, has the primary day to day responsibility for its administration. Trustees are appointed by the Board of Trustees after a selection process which takes into account personal knowledge of McGill and Canada. McGill's Student Enrolment and Student Aid Office administers the McGill University Trust Awards scheme.

This was the initial year for the Trust to be administered, at McGill's expense, by an outside organization, Chapel & York International Limited. The changeover went smoothly and service levels were well maintained.
