ACTIVITIES

The Commonwealth Partnership for Technology Management Limited ('CPTM') is set up to provide advisory services to Commonwealth countries, institutions and organisations in the Commonwealth and beyond, with particular reference to technology and environmental assessment and management, and the inter-relationship between these issues and economic policy, to promote a global approach to the harnessing of technology for development through public and private sector partnerships, to foster the creation of other international partnerships between the public and private sectors for the benefit of Commonwealth countries, to use co-operative networking and resourcing to enhance national capacities of Commonwealth countries to manage technology for growth and sustainable development. The principal vehicle selected to fulfil these objectives is the series of annual Smart Partnership Dialogues held alternately in Malaysia and Southern & Eastern Africa, with occasional ones in the Caribbean.

The company was incorporated on 13 June 1995 and commenced its activities on 1 July 1995. The company is a not for profit organisation and any surplus at the year end is transferred to reserves to meet future running costs. Its annual income is derived from financial contributions made by Government and Corporate members of CPTM Limited and from the CPTM Endowment Fund.

FUTURE DEVELOPMENTS

The company will continue to provide advisory services as stated in the company's objects and to develop further the concept and practice of public/private sector partnership through co-operative networking and National and International Dialogues.

DIRECTORS' REPORT

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITOR

Each of the persons who is a director at the date of approval of this annual report confirms that

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditor. A resolution to reappoint them as auditor will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors

(A company limited by guarantee)**

We have audited the financial statements of Commonwealth Partnership for Technology Management Limited for the year ended 31 March 2012 which comprise the income and expenditure account, the balance sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (Effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its surplus for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime or take advantage of the small companies exemption in preparing the directors' report

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. The company is subject to corporation tax on its investment income and non-mutual trading income

Expenditure in the prior year was very high due to additional unexpected expenditure incurred in organising a scheduled 2010 Dialogue in Malaysia, which was postponed to June 2011. In addition, the company's country activities programme was more extensive than in recent years and this proved to be more costly than expected.
