Spice Girls Ltd
Notes to the Abbreviated Accounts
For The Year Ended 31 August 2014

1 . Accounting Policies

1.1 . Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 . Going Concern Disclosure

The directors have not identified any material uncertainties related to events or conditions that may cast significant doubt about the company's ability to continue as a going concern.

1.3 . Turnover

Turnover is derived wholly from the principal activity of the company. Non-returnable advances received from record companies, licensees and sub-licensees are taken to income when contractually due. Returnable advances received from licensees are carried forward until they are recouped or returned. Royalties receivable from sub-licensees are recognised in respect of each of their royalty accounting periods ending within the company's financial year. The directors are of the opinion that no part of the company's worldwide market is substantially different from any other and therefore a geographical analysis of turnover and operating profit is not disclosed.

1.4 . Deferred Taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse. Deferred Tax Assets are only recognised to the extent that in the Directors' opinion the asset is more likely than not to be recovered in the foreseeable future.
