Amphenol Commercial and Industrial UK, Limited

Directors' Report

The directors present their annual report and the unaudited financial statements for the year ended 31 December 2016.

Principal activity

The company is an immediate parent company of Amphenol-Borg Limited, which owns Amphenol Limited. The directors expect that this activity will continue. The company has not traded in this or the preceding year and has made neither a profit nor a loss. The position of the company at the year end is shown on page 4.

Business review

The company has been dormant as defined in section 1169 of the Companies Act 2006 throughout the current and preceding financial period. It is anticipated that the company will remain dormant for the foreseeable future. Key performance indicators are not considered necessary for an understanding of the development, performance or position of the business of the company. There are no risks or uncertainties facing the company including those within the context of the use of financial instruments.

The company does not trade, its position at the balance sheet date is shown on page 4.

The directors have obtained confirmation from the parent company that it is their intention to continue to provide financial support to the company for a period of 12 months from the date of signing of the financial statements.

Further information in respect of the performance of the company's investments are held in those investments' relevant financial statements.

The directors consider that the group structure and strategy together with UK economic conditions are commensurate with reasonable prospects for the profitability trends to continue for UK operations in the medium term.

Going concern

The company has no loans from external sources and does not foresee any change to this external borrowing profile.

The company also has loans from its parent and subsidiaries and has confirmed that no repayment of these loans is required by the parent company during the next twelve months.

For these reasons the directors continue to adopt the going concern basis in preparing these accounts.

Principal risks and uncertainties

The main risks and uncertainties affecting the company are consistent with those affecting its investments and hence the value of those investments. Further information in respect of principal risks and uncertainties are held in those investments' relevant financial statements.

Financial risk management objectives and policies

The company's activities expose it to a number of financial risks including cash flow risk and credit risk.

As part of Amphenol Corporation, Amphenol Commercial and Industrial UK, Limited is subject to corporate guidance and controls in the areas of treasury and risk management. The company does not use financial derivatives to manage any of these risks nor for speculative purposes.

Cash flow risk

The company is not exposed to financial risks of foreign currency exchange rates.

Credit risk

The company's principal financial assets are intra group receivables and investments. No significant credit risk exists on these items due to the strength of the group companies.

Amphenol Commercial and Industrial UK, Limited

1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted and applied consistently are described below.

Consolidated financial statements

The financial statements contain information about Amphenol Commercial and Industrial UK, Limited as an individual company, and do not contain consolidated financial information as the parent of a group. The company is exempt under 401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements, as it and its subsidiary undertakings are included in the consolidated financial statements of Amphenol Corporation, an ultimate parent incorporated in the United States of America. Its accounts are drawn up in a manner considered to be equivalent to UK GAAP consolidated accounts, as required by the EU Seventh Directive.

Accounting convention

The financial statements are prepared under the historical cost convention.

Investments

Investments are stated at cost less provision for any impairment in value.

Going concern

The company has no loans from external sources and does not foresee any change to this external borrowing profile.

The company also has loans from its parent and subsidiaries and has confirmed that no repayment of these loans is required by the parent company during the next twelve months.

For these reasons the directors continue to adopt the going concern basis in preparing these accounts.

2. Profit and loss account

No profit and loss account is presented as the company did not trade and made neither a profit nor a loss in this or the preceding year.

There are no recognised gains or losses for the current and previous year. Accordingly, no statement of total recognised gains and losses or movement in shareholders' funds is given.

The company has no employees and paid no emoluments to directors..

3. Investment in subsidiary undertaking

The company's investment in subsidiary undertakings represents the cost of its 100% interest in the ordinary shares of Amphenol-Borg Limited, an intermediate parent company, incorporated in Great Britain. Amphenol-Borg Limited owns 100% of the issued share capital of Amphenol Limited which designs, develops, manufactures and markets connectors and connector systems, flat cable and unit assemblies for diversified markets.
