#### LIQUIDATOR'S ACTIONS SINCE LAST REPORT

Since my last report to creditors I have continued to investigate into the affairs of the company, the reason behind its financial position and the conduct of the Directors.

My investigations remain ongoing in conjunction with the liquidations of other connected companies and the bankruptcy of the former Director.

There is certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since my last progress report is contained in Appendix 1.

#### **RECEIPTS AND PAYMENTS**

My Receipts & Payments Account for the period from 9 November 2019 to 8 November 2020 is attached at Appendix 2.

#### Receipts

There have been no receipts during the reporting period.

#### **Payments**

#### ISA Quarterly Fees

The sum of £88.00 has been deducted by The Insolvency Service with respect to their quarterly fees charged at £22.00 per quarter.

#### LIABILITIES

#### Secured Creditors

An examination of the Company's mortgage register held by the Registrar of Companies, showed that the Company has no current charges over its assets.

The legislation requires that if the Company has created a floating charge after 15 September 2003, a prescribed part of the Company's net property (i.e. the money that would otherwise be available to the charge holder) should be ring-fenced for distribution to unsecured creditors. In this case there were no creditors secured by a floating charge such that the prescribed part provisions do not apply.

#### **Preferential Creditors**

The Director's guestionnaire did not list any preferential creditors. No claims have been received.

#### **Crown Creditors**

The Director's questionnaire listed HMRC with a debt of £550,000. HMRC's claim of £806,110.42 has been received.

#### Non-preferential unsecured Creditors (Excluding HMRC)

The Director's questionnaire listed 1 non-preferential unsecured creditor as being owed £86,000. I have not received any claims to date.

#### **DIVIDEND PROSPECTS**

Based upon the information currently available there will be no dividend to any class of creditor. Any dividend will be based upon the outcome of my investigations.

#### INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved.

As stated previously, my investigations into the affairs of the Company remain ongoing.

#### **LIQUIDATOR'S REMUNERATION**

My remuneration has not yet been agreed with creditors.

My total time costs to 8 November 2020 amount to £4,835.50, representing 22.6 hours of work at a blended charge out rate of £213.96 per hour. Of which £1,654.50, representing 8.2 hours of work at a blended

charge out rate of £201.77 per hour has been accrued since my last progress report. I have not been able to draw any remuneration in this matter as the basis of my remuneration has not yet been fixed by creditors.

Further information about creditors' rights can be obtained by visiting the creditors' information microsite published by the Association of Business Recovery Professionals (R3) at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors Guide to Liquidators' Fees' also published by R3, together with an explanatory note which shows MacIntyre Hudson LLP's fee policy are available at the link https://www.macintyrehudson.co.uk/?/guide-to-fees. Please note that there are different versions of the Guidance Notes and in this case you should refer to the April 2017 version.

#### **LIQUIDATOR'S EXPENSES**

I have incurred £84.42 to date which £2.57 was incurred in the period since 9 November 2019.

I have incurred the following expenses in the period since my last progress report:

Type of expense	Amount incurred/ accrued in the reporting period
Storage Costs	£2.57

#### **FURTHER INFORMATION**

An unsecured creditor may, with the permission of the Court, or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question), request further details of the Liquidator's remuneration and expenses within 21 days of their receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the Court, or with the concurrence of 10% in value of the unsecured creditors (including the creditor in question), apply to Court to challenge the amount of remuneration charged by the Liquidator as being excessive, and/or the basis of the Liquidator's remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

To comply with the Provision of Services Regulations, some general information about MacIntyre Hudson LLP can be found at https://www.macinturehudson.co.uk/?/guides-to-fees.

#### **SUMMARY**

The Liquidation will remain open until my investigations have completed. I estimate that this will take approximately 12 to 24 months and once resolved the Liquidation will be finalised and my files will be closed.

If creditors have any queries regarding the conduct of the Liquidation, or if they want hard copies of any of the documents made available on-line, they should contact Katherine Everitt by email at katherine.everitt@mhllp.co.uk, or by phone on 03330 100221
