The financial statements have been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors on 28 January 2019 and were signed on its behalf by:

Ms S Cosmovici - Director

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1. STATUTORY INFORMATION

Recaro Child Safety Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

3. ACCOUNTING POLICIES

Basis of preparation

Due to the company ceasing to trade the directors have decided to prepare the financial statements on a basis other than that of going concern, The financial statements have been prepared on a break-up basis at the year end. In adopting the break-up basis the following policies were implemented:

- All assets have been disclosed at values of which are expected to be realised
- All liabilities reflect the full amount of which they expect to be realised.

The parent company will continue to support the company and settle any outstanding liabilities.

Revenue recognition

Revenue is recognised when goods have been delivered to customers.

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation.

Depreciation is provided at the following annual rates in order to write off the cost of each asset, less residual value, over its estimated useful life.

Improvements to property - in accordance with the term of the lease

Office equipment - 10% - 33.3% on cost
Fixtures and fittings - 10% - 50% on cost
Motor vehicles - 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost is calculated as purchase price on a first in, first out basis. Net realisable value is the estimated selling price.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Page 3 continued...

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2018

3. ACCOUNTING POLICIES - continued

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Judgements and key sources of estimation uncertainty

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities at the date of financial position and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

Useful economic lives of property, plant and equipment

The annual depreciation charge for property, plant and equipment is sensitive to changes in estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended where necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and physical condition of the assets.

Holiday pay

Holiday pay is recognised as an expense in the period in which the service is received.

Going concern

The company has made the decision to cease trading from 31 December 2018. The directors consider it inappropriate to prepare the financial statements on a going concern basis and therefore the directors have prepared the financial statements on a break-up basis.

4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 6 (2017 - 8).
