DIRECTORS' REPORT

The directors present their report and financial statements for the year ended 31 December 2004.

PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The company's principal activity during the year continued to be the processing of store cards and related services.

RESULTS AND DIVIDENDS

The loss for the year, after taxation, was £386,807 (2003: profit of £92,190). The directors do not recommend the payment of an ordinary dividend (2003: £Nil).

DIRECTORS AND THEIR INTERESTS

The directors who served during the year were as follows:

Larry J Towe John P Gillies Michael Vollkommer Walter Korchun

The directors in office at the end of the year held no interests in the shares of the company at either their date of appointment or at 31 December 2004.

There are no other interests required to be disclosed by section 234 of the Companies Act 1985.

EMPLOYEE INVOLVEMENT

The company places considerable value on the involvement of its employees and has continued its previous practice of keeping them informed on matters affecting them as employees and on the various factors affecting the performance of the company. This is achieved through formal and informal meetings.

EMPLOYMENT OF DISABLED PERSONS

20th October 2005

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled every effort is made to ensure that their employment with the company continues and that appropriate training is arranged. It is the policy of the company that the training, career development and promotion of disabled persons should, as far as is possible, be identical with that of other employees.

AUDITORS

A resolution to re-appoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

By order of the board

Director

Michael Vollkommer

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CERTEGY CARD SERVICES LIMITED

We have audited the company's financial statements for the year ended 31 December 2004 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 18. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 December 2004 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS at 31 December 2004

1. ACCOUNTING POLICIES

Basis of Preparation

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards.

Under the provisions of FRS1 "Cash flow statements (Revised 1996)", the company has not prepared a cash flow statement, because its ultimate parent company, Certegy Inc, has prepared consolidated financial statements, which contains a cash flow statement and which are publicly available.

The accounts have been prepared on a going concern basis as Certegy Limited has committed to support the company to meet its commitments as and when they fall due.

Tangible fixed assets

Fixed assets are shown at cost, net of depreciation and any provision for impairment.

Costs of software developed to enable the company to provide services to third parties are capitalised. These costs include internal staff time, charges from other group companies and third party invoices.

Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less estimated residual value based on prices prevailing at the date of acquisition or revaluation, of each asset evenly over its expected useful life, as follows:

Office equipment - over 3 to 10 years

Software development costs - over 3 to 8 years

Stocks

Stocks are stated at the lower of cost incurred in bringing each product to its present location and condition, and net realisable value as follows:

Raw materials, consumables and

goods for resale - purchase cost on a first-in, first-out basis.

Contract work in progress - cost of direct materials and labour.

Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal.

The stock includes card, statements, letters etc, which be used in the management of the store card processing. It also includes contract costs incurred, but not yet billed, in the establishment of services to clients.

NOTES TO THE ACCOUNTS at 31 December 2004

ACCOUNTING POLICIES (continued)

Deferred Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Transactions in foreign currencies are initially recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date.

All differences are taken to the profit and loss account.

Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and are depreciated over their useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions

The company is part of the Certegy Retirement Savings Plan defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

NOTES TO THE ACCOUNTS at 31 December 2004

2. TURNOVER

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties.

Turnover is attributable to sales and services in the normal course of business.

c) Factors that may affect future tax charges

At 31 December 2004 the company has tax losses of approximately £2.2m (2003: £4.0m) carried forward for offset against future taxable profits of the company. The movement in the tax losses relates primarily to an adjustment in respect of prior years, resulting from the disclaimer of capital allowances.

d) Deferred tax

As at 31 December 2004 the company had an unrecognised deferred tax asset of £1,154,368 (2003: £1,280,948). A deferred tax asset has not been recognised as it is not regarded as more likely than not that suitable taxable profits will arise in the short term against which these losses can be offset.
