Report of the Directors

The Directors, who are also the Trustees of The Rothschild Archive Limited ("the charity"), present their Directors' report and financial statements for the year ended 31 March 2021 which have been prepared in accordance with the accounting policies set out on pages 18-19 and comply with the charity's Memorandum and Articles of Association, the Charities Act 2011, Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. The information on page 3 forms part of this report.

Governing Documents

The charity is a company limited by guarantee governed by its Memorandum and Articles of Association dated 27 January 1999.

Objects and Strategy

The charity's objects are to advance education for the public benefit by the acquisition, preservation and maintenance of the books, letters, manuscripts, other papers, chattels or artefacts which are or were previously in the ownership of the Rothschild family or the Rothschild family businesses for study by such scholars and other purposes as the charity considers appropriate. In particular, the charity will seek to encourage and develop increased access to these materials by the academic community and to make them more widely available by publication, exhibition and electronic distribution.

The Directors regularly review the charity's objects and activities to ensure they continue to reflect these aims. As part of these reviews, the Directors have considered the Charity Commission's general guidance on public benefit.

The charity has granted a licence in respect of the archive to N M Rothschild & Sons Limited. Under the licence, N M Rothschild & Sons Limited maintains and administers the archive at its sole expense in furtherance of the charity's objectives and under the overall direction of the Directors of the charity. In return, N M Rothschild & Sons Limited enjoys certain rights to exploit the archive for the purposes of its business.

Structure, governance and management

The Directors (who are also the Trustees for the purposes of charity law) of the charity who held office during the year, and to the date of this report, were as follows:

Baron Eric de Rothschild (Chairman)
Julien de Beaumarchais
Anthony Chapman (resigned December 2020)
John Grimond
Kate Rothschild
Baroness Ariane de Rothschild
Professor Emma Rothschild
Lionel de Rothschild
David Todd
Paul-André Rosental (Appointed November 2020)
Nicholas Wrigley (Appointed May 2021)

The number of Directors shall not be fewer than three and shall not exceed eleven. At all times a majority of the Directors shall be members of the Rothschild family. New Directors may be appointed by current Directors to fill a casual vacancy or as additional Trustees. Such appointments shall be confirmed by the members by ordinary resolution. The board may appoint one of their number to be Chairman. The

Charity registration number: 1075340

Company registration number: 3702208 (England & Wales)

The Rothschild Archive Limited

quorum for Directors' meetings is one third of the board of Directors and attendance may be by conference phone call. The Directors have established an investment sub-committee and an academic sub-committee. The Directors may delegate any of their powers to a committee consisting of one or more Directors. The board of Directors meets regularly as required.

The Directors have been supported throughout the year by the Secretary to the charity, and by the staff of the Archive.

The Directors consider that the board of Directors, comprise the key management personnel of the charity in charge of directing, controlling and managing the charity on a day-to-day basis. All Directors give of their time freely and no Director received remuneration in the year. Details of Directors' expenses and related party transactions are disclosed in notes 5 and 13 to the accounts.

New members of the board are provided with the published guidance for trustees issued by the Charity Commission and directed to the resources available on the organisation's website. Previous publications and accounts of the Archive are also made available. New members additionally meet with the Secretary, in advance of their first board meeting, so that they can familiarise themselves with the work of the Archive.

Achievements and performance

Directors meet regularly to review the work carried out by the archivists in support of the educational objectives of the Trust. Their meetings in this financial year have all taken place remotely during the global COVID-19 pandemic.

Thanks to the strong support of the IT department of Rothschild & Co combined with the Archive's own Business Continuity plan, the archivists were able to continue their connection with researchers from around the world even as they worked from home for significant periods of time. The collections were monitored constantly either remotely or, as soon as the more severe conditions of lockdown were lifted, by a member of staff.

The archivists supported researchers to the best of their ability by directing them to information already available on the Archive's website or by making some sources available to them remotely. It is likely that the Reading Room will begin to return to normal use in the third quarter of 2021.

While working from home the archivists undertook a number of projects to review and extend the Archive's finding aids.

The archivists asked colleagues from the business to submit their responses to the global pandemic – diary entries, letters, photographs etc., - to form a collection for the use of future historians.

The Archive's conservation programme continued with very little interruption. Digitisation work, especially in support of a specific project to analyse the bank's early cash books using AI, increased during the year.

The papers of Lionel de Rothschild (1882-1942), consisting not only of business papers during his partnership of N M Rothschild & Sons, but also of his work in support of German Jewish refugees in the 1930s and his dedication to horticulture form a significant part of the Archive's collection. His private papers, donated to the Archive by his descendants, have been consulted extensively during the production of a book about his creation of Exbury Gardens. *"The Eighth Wonder of the World"*:

Exbury Gardens and the Rothschilds by Lionel de Rothschild and Francesca Murray Rowlinson was published this year.

Several significant items from the collection relating to the history of the Rothschild family and business form part of a major new permanent gallery at the Jewish Museum in Frankfurt. The Museum was finally able to open its redeveloped site in October 2021.

<https://www.juedischesmuseum.de/en/>

The staff of the Archive offered support to curators at the Jewish Museum in Vienna as they prepared an exhibition on the history of the Rothschilds in Austria. The exhibition was scheduled to open in May 2021 but had to be delayed because of the pandemic. Approximately thirty items from the Archive's collection will feature in this temporary exhibition.

Future plans

The archivists will work on a project to review and catalogue papers relating to the post-WWI history of N M Rothschild & Sons. As long as remote working is a feature of life the revisions and refinement of the Archive's finding aids will take place. Plans on digital strategies that were submitted to senior management within Rothschild & Co will be developed.

Fundraising

The Trustees take seriously their responsibilities under the Charities (Protection and Social Investment) Act 2016 in respect of fundraising activities. The Archive is supported by a number of businesses and foundations controlled by members of the Rothschild family. It does not carry out any fundraising activity in order to raise funds from the general public. The Archive does not work directly with commercial sponsors or engage professional fundraisers. The Trustees are not aware of any complaints made in respect of fundraising during the year.

Further information on the Archive's collections and activities can be found on the website: <https://www.rothschildarchive.org/>

Review of financial position and reserves policy

During the year, the Archive received income of £1,527,305 (2020: £1,503,623) of which £1,420,205 (2020: £1,422,432) related to donated services and, £45,097 (2020: £30,335) related to additions to the Archive. The income was applied to furthering the objects of the charity.

The net assets of the charity increased by £1,195,892 during the year to £23,982,071 (2020: £22,786,219), largely due to valuation gains on the investment portfolio.

The unrestricted funds at 31 March 2021 of £64,471 will be retained to finance the charity's policy of charitable support. The restricted funds at 31 March 2021 will be retained to build a reserve against future need in relation to the long-term welfare of the collections in the Archive.

The Directors consider that no target is necessary for free reserves. Running costs are secured from N M Rothschild & Sons and the free reserve funds are adequate to support the small number of transactions each year.

Investment policy

The Directors intend that the real value of the charity's funds be maintained and enhanced over the long term by investment in a suitable portfolio. The Directors have appointed Rothschild Wealth Management (UK) Limited as discretionary investment managers.

The principal objective of the investment strategy is capital preservation with a focus on safety, consistent with a tolerance for low risk of capital loss and low volatility of return.

Grant policy

A limited number of Rothschild Archive Bursaries are available for researchers in full-time education who are pursuing research projects that will involve substantial use of The Rothschild Archive. The bursaries are designed to provide practical assistance with travel, accommodation or incidental costs associated with such work, rather than covering the full cost of research. The maximum sum usually granted to a successful applicant is £3,000. The Bursary and Education Committee reviews each application.

Guarantors

At 31 March 2021, there were ten members of the charity, being the ten Trustees. The liability of each of the members of the charity in the event of a winding-up is limited by guarantee to £1.

Internal controls and the mitigation of major risks

The Directors have identified and reviewed the major risks of the charity which are the safeguarding of assets held and market risks relating to the holding of investments. Internal controls to mitigate these risks, including an annual review, have been established. The Directors confirm that the controls implemented are appropriate to the size of the charity and the nature of its operation.

Statement of Directors' responsibilities

The Directors (who are also the Trustees for the purposes of charity law) are responsible for preparing the report of the Directors and the financial statements in accordance with applicable law and United Kingdom accounting standards.

Company law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure of information to auditor

The Directors who were in office at the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. Each of the Directors has confirmed that they have taken all the steps that they ought to have taken as Directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Saffery Champness LLP will therefore continue in office.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

By Order of the Board

Melanie Aspey, Secretary
New Court, St Swithin's Lane, London EC4N 8AL
3 December 2021

Independent auditors' report to the members of The Rothschild Archive Limited

Opinion

We have audited the financial statements of The Rothschild Archive Limited for the year ended 31 March 2021 which comprise the Statement of financial activities, Summary income and expenditure, Balance sheet, Statement of cash flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the charitable company's state of affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report to the Directors' which includes the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report to the Directors' which includes the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Annual Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and to take advantage of the small companies exemption in preparing the Directors' Annual Report and the Strategic Report.

Responsibilities of Directors

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the Directors (who are also Trustees of the charitable company for the purposes of charity law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditors under the Companies Act 2006 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

Identifying and assessing risks related to irregularities:

We assessed the susceptibility of the charitable company's financial statements to material misstatement and how fraud might occur, including through discussions with the Directors, discussions within our audit team planning meeting, updating our record of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charitable company by discussions with Directors and updating our understanding of the sector in which the charitable company operates.

Laws and regulations of direct significance in the context of the charitable company include the Companies Act 2006, and guidance issued by the Charity Commission for England and Wales.

Audit response to risks identified:

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charitable company's records of breaches of laws and regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charitable company's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

(forming part of the financial statements)

1. Summary of significant accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention, as modified by the revaluation of certain fixed asset investments, and applicable accounting standards in the United Kingdom. The financial statements have been prepared in £ sterling and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard (Charities SORP (FRS 102) second edition), the Companies Act 2006 and the Charities Act 2011.

The principal accounting policies set out below have been consistently applied in the presentation of the financial statements except where noted.

The Charity constitutes a public benefit entity as defined by Financial Reporting Standard 102 (FRS102).

At the time of preparing these accounts the Directors have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

Working patterns for the archivists fluctuated throughout the year in line with British Government restrictions imposed to deal with the COVID-19 pandemic. The archivists continued to support researchers in fulfilment of the Trust's charitable objectives.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Voluntary income

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Investment income

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

Donated services and gifts in kind

Donated professional services and gifts in kind are recognised as income when the charity has entitlement, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

On receipt, donated professional services and gifts in kind are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Notes to the financial statements

(forming part of the financial statements)

Summary of significant accounting policies (continued)

Expenditure

Expenditure (including VAT) is recognised on an accruals basis as a liability is incurred. The charity is not able to reclaim VAT incurred on its expenditure.

Charitable expenditure comprises direct expenses incurred on the defined charitable purposes of the charity. Grants are recognised in full in the statement of financial activities in the year in which the award is made.

Heritage assets

Heritage assets are recognised in the balance sheet at a valuation determined by the Directors. Professional valuations of the archive occur on a periodic basis and the Directors review the carrying value in the intervening periods. No depreciation has been provided as the assets are carried at valuation. Any gifts of archive assets are treated as heritage assets and included at valuation.

Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the market value. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The charity does not acquire put options, derivatives or other complex financial instruments.

Fund accounting

The unrestricted funds comprise those monies which may be used towards meeting the charitable objects of the charity at the discretion of the Directors.

The restricted funds comprise those monies subject to donor imposed conditions.

The endowment fund comprises those inalienable heritage assets and funds that have been donated to the charity subject to the restriction that they must be held as capital and used towards meeting the charitable objects of the charity.

Liabilities

Liabilities are recognised when the entity has an obligation to transfer economic benefits as a result of past transactions or events.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Significant judgements

The Directors consider that the most significant judgement area in the application of the accounting policies is the valuation of heritage assets which is set out in note 6.

Charity registration number: 1075340

Company registration number: 3702208 (England & Wales)

The Rothschild Archive Limited

Notes to the financial statements

(forming part of the financial statements)

5. Staff costs and directors' remuneration

No staff are employed by the charity and day-to-day operations are carried out by employees of N M Rothschild & Sons Limited. The costs of those employees, who are not considered to be key management personnel, are included as donated income and in the donated services expense in the statement of financial activities.

No emoluments or expenses were paid to the Directors during the year in respect of their services to the charity other than that disclosed below (2020: Nil).

The internal re-charge for travel and accommodation during the year was £Nil (2020: £5,759 incurred by one Trustee). These costs were in connection to a sequence of meetings, including the Trust's, which the Trustee combined for the sake of economy. The apportioning of these is not specifically associated with each meeting.

6. Heritage assets

	2021	2020
Cost/valuation	£	£
At 1 April	18,846,482	18,816,147
Additions during the year	45,097	30,335
At 31 March	18,891,579	18,846,482

The charity holds an archive collection comprising books, letters, volumes, manuscripts, other papers, chattels and artefacts which are or were previously in the ownership of the Rothschild family or Rothschild family businesses (the "Archive"). The Archive collections occupy approximately 2,650 linear metres of shelving. A professional valuation of the Archive was performed by L & J Gull Fine Arts in December 2017 which was based on replacement value and ascribed an uplift in value of £2,559,268. All subsequent additions are included at cost or, in the case of items donated, at valuation. The Directors are of the opinion that the carrying value of the Archive as at 31 March 2019 is a valid approximation of fair value.

Gold bars with a book value of £275,472 are also included in heritage assets. These gold bars are representative of those produced at the Royal Mint Refinery, a business operated by N M Rothschild & Sons Limited from 1852 to 1968. At 31 March 2021, the market value of the gold in these bars was £1,574,832 (2020: £1,611,186).

The charity seeks to encourage and develop increased access to the Archives by the academic community and to make them more widely available by publication, exhibition and electronic distribution. The charity rarely disposes of any of these assets. A detailed register of the assets held by the Archive is kept by the Charity.

The Archive is open to bona fide researchers by appointment only Monday to Friday (excluding public holidays). Archive material dated post 1945 is generally not available to researchers.

Notes to the financial statements

(forming part of the financial statements)

Five year financial summary of transactions relating to heritage assets:

	2021	2020	2019	2018	2017
	£	£	£	£	£
Donations at valuation	45,097	30,335	93,925	30,112	23,281
Total additions	45,097	30,335	93,925	30,112	23,281

There have been no disposals of heritage assets in any of the last five accounting periods and no impairment has been considered necessary.

7. Investments

	2021	2020
	£	£
At 1 April	3,585,674	3,725,297
Additions at cost	1,155,669	651,209

	22,902,149	1,503,623	(1,464,543)	(155,010)	22,786,219

There is an agreement in place whereby all income from various parts of the Rothschild business and family is treated as restricted and is to be utilised in maintaining the Archive in the event of the Rothschild business withdrawing support.

The final tranche of funding for the Rothschild Scientists project will be applied when recruitment and supervision of an archivist to catalogue material at the Natural History Museum is possible.

12. Liability of members

The charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability of the members is limited to £1 each.

Notes to the financial statements

(forming part of the financial statements)

13. Transactions with related parties

Related parties are defined in the Statement of Recommended Practice applicable to charities and include trustees, families of trustees and entities with which trustees have a significant interest in or significant influence over. The tables below exclude donations from related parties.

Amounts receivable from related parties are as follows:

		2021	2020
		£	£
Rothschild & Co Bank International Limited	Cash and cash equivalents	388,488	376,923
		388,488	376,923

Amounts recognised in the statement of financial activities were as follows:

		2021	2020
		£	£
Rothschild & Co Wealth Management (UK) Limited	Investment management fees paid	(34,151)	(32,859)
NM Rothschild & Sons Limited	Donated services	1,420,205	1,422,432
		1,386,054	1,389,573

During the year, a monetary donation of €30,000 (2020: €Nil) was made to The Rothschild Archive from a trustee of the Archive. This donation is included within restricted income but has no conditions attached.

Exbury book

The former CEO of Rothschild & Co allocated funds of £Nil (2020: £4,833) for the purchase of copies of a book about Exbury Gardens, the books to be used as corporate gifts. The designer of the book submitted her account via the Archive, as she is already a regular supplier and the charge will be offset against acquisition of finished books.
