Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BULL RING (GP) LIMITED

We have audited the financial statements of Bull Ring (GP) Limited for the year ended 31 December 2009 set out on pages 6 to 15. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www.frc.org.uk/apb/scope/UKNP.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its profit for the year then ended 31 December 2009,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or

NOTES TO THE ACCOUNTS

Year ended 31 December 2009

1 ACCOUNTING POLICIES

(a) Basis of accounting

The financial statements are prepared under the historical cost convention as modified by the revaluation of investment properties and in accordance with applicable United Kingdom accounting standards. The financial statements are prepared as if governed by the Companies Act 2006 except that, as explained below, investment properties are not depreciated.

(b) Joint arrangements

The financial statements include the financial statements of the Company together with the Company's share of assets and liabilities arising from joint arrangements in accordance with FRS9.

(c) Cash flow statement

Under Financial Reporting Standard 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds of its size.

(d) Net rental income

Rent increases arising from rent reviews due during the year are taken into account only to the extent that such reviews have been agreed with tenants at the accounting date. For newly developed properties, or other new leases, rental income is spread evenly over the period from the point at which the property is ready for its intended use to the date of the first rent review.

Differences between property operating expenditure incurred and that recovered from tenants through services charges are included in net rental income.

(e) Cost of properties

An amount equivalent to the net development outgoings, including interest, attributable to properties held for development or resale is added to the cost of such properties. A property is regarded as being in the course of development until ready for its intended use.

BULL RING (GP) LIMITED

NOTES TO THE ACCOUNTS

Year ended 31 December 2009

1 ACCOUNTING POLICIES (continued)

(f) Valuation of properties

Properties held for the long term are valued at the balance sheet date at market value. Surpluses and deficits arising from revaluation are taken to the revaluation reserve unless the deficits are considered permanent, in such case they are taken to the profit and loss account.

(g) Depreciation

In accordance with Statement of Standard Accounting Practice No 19 "Accounting for investment properties" no depreciation is provided in respect of freehold properties or leasehold properties with over 20 years to expiry. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are not held for consumption, but for investment, and the directors consider that to depreciate them would not give a true and fair view. Depreciation is only one amongst many factors reflected in the annual valuation of properties and accordingly the amount of depreciation which might otherwise have been charged cannot be separately identified or quantified. The directors consider that this policy results in the accounts giving a true and fair view.

(h) Investments

Fixed asset investments are stated at cost less provision for impairment.

(i) Deferred tax

In accordance with Financial Reporting Standard 19 "Deferred Tax" deferred tax is provided in respect of timing differences that may give rise to an obligation to pay more or less tax in the future.

2 ADMINISTRATION EXPENSES

The directors did not receive any remuneration for services to the Company in the current or preceding financial years.

The Company had no employees in either the current or preceding year.

The Bull Ring Limited Partnership has paid the auditors' remuneration of £2,000 (2008 £2,000) on behalf of the Company in both the current and preceding years.
