#### **GOVERNANCE, STRUCTURE AND MANAGEMENT**

#### Constitution

The Melanie White Foundation Limited is a company limited by guarantee (Registration Number 03750780) and a registered charity (Registration Number 1077150)

#### **Directors**

The names of the directors who served during the period are set out as part of the reference and administrative information on page 1 of these Annual Report and Financial Statements

The Articles of Association require a minimum of two directors and a maximum of seven Directors may co-opt any person duly qualified to fill a vacancy in their number or as an additional director Decisions on investments and donations are taken by all directors

#### Directors' responsibilities statement

The charitable company's directors (who are also trustees of the Foundation for the purposes of charity law) are responsible for preparing the annual report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice

Company law requires the directors to prepare financial statements which give a true and fair view of the state of affairs of The Melanie White Foundation Limited at the year end and of its incoming resources and application of resources, including its income and expenditure, for the financial year then ended Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditures, of the charitable company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities' SORP),
- make judgements and estimates that are reasonable and prudent;

## Directors' responsibilities statement (continued)

- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The directors are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Each of the directors confirms that

- so far as the director is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- the director has taken all steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

# Risk management

The directors have identified the major risks to which the charity is exposed and remain confident that they have in place systems and procedures to mitigate the risks. They feel that the main risk to which the charity is exposed is the protection of assets and income. The income of the charity is mainly derived from the portfolio of investments held within the charity. The directors monitor the performance of the investments and regularly review their investment policy, meeting on a quarterly basis to consider the investment yields and capital growth.

# **OBJECTIVES, ACTIVITIES AND RELEVANT POLICIES**

# Charitable objectives and activities

The charity's principal activity is its grant-making programme. In accordance with its Articles of Association the charity is to promote any charitable purpose or support any charity selected by the directors. It is expressly contemplated that CLIC Sargent may be a beneficiary of the charity. The directors seek through their grant-making programme to support charitable projects in areas identified as being of particular interest to them. These areas include health, medicine, and social welfare. The directors do not anticipate any changes to their grant making priorities.

## **OBJECTIVES, ACTIVITIES AND RELEVANT POLICIES** (continued)

#### Charitable objectives and activities (continued)

The directors confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year Whilst the directors are mindful of their own obligation to ensure that the charity benefits the public generally, they take some assurance from the fact that recipients of grants are themselves regulated to ensure that they operate for the public benefit

# **Grant making policy**

Potential recipients of grants are identified by the directors individually, in areas where it is perceived that public benefit will be achieved. The opportunity to benefit is not restricted in any way except that grants are principally made to charitable organisations within the UK, not least to facilitate the directors being able to follow up on efficacy of the grants made

#### Investment policy

The investment strategy is set by the directors, who consider the charity's income requirements, the risk profile and the view of economic and market conditions. The investment objectives are to obtain a balanced return from both capital growth and income. The directors meet on a regular basis to consider the charity's portfolio and investment performance.

The charity, in particular is delighted that some of the funds donated to CLIC Sargent are used to support Paul's House.
