The financial statements are prepared under the historical cost convention

The financial statements have been prepared on the going concern basis. This is considered appropriate as the ultimate beneficial shareholders will continue to provide financial support to the company for the foreseeable future.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

#### **1.2 Deferred taxation**

#### **1.3 Foreign currency translation**

The company's accounting records are maintained in US Dollars.

Transactions in other currencies are converted at the rate ruling at the date of the transaction.
