Project S.E.E.D Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

The trustees record with great regret the passing of their longstanding founding-trustee, Dayan Chanoch Ehrentreu zt'l, in November 2022. His commitment to the organisation and keen interest in its progress, together with his sage advice, will be deeply missed.

Structure, governance and management

PROJECT S.E.E.D. Limited is a company incorporated in England and Wales under the Companies Act and limited by guarantee (company registration number 03805072) and is commonly known as "Seed". The company is a registered charity (charity registration number 1155460) and is governed by its Memorandum and Articles of Association.

The trustees encompass individuals with diverse backgrounds and experience. New trustees are appointed by the existing trustees in consultation with the Chief Executive Officer and National Director. There is no minimum or maximum time that an individual may be a Trustee. New trustees are given the opportunity to peruse the formal Accounts for the years prior to their appointment, as well as having access to information concerning Seed's investments and current financial situation. They are briefed by senior staff on all aspects of the day-to-day activities. Trustees meet formally at least three times a year, and are in frequent informal contact and the day-to-day management is delegated to Rabbi M. Herman (CEO) and Rabbi J. Grunfeld (ND). Seed works with a variety of different organisations to achieve aims which are of mutual benefit to all concerned. Pay and remuneration levels are determined by assessing current market levels, experience and job requirements.

Risk Management

The charity trustees have considered the major risks to which the charity is exposed and have reviewed those risks, collated a risk register and established systems and procedures to manage and periodically review those risks. Consideration is given to both the financial and non-financial risks that the charity faces. The trustees consider that the major risk, in these difficult economic times, is the financial risk arising from inadequate incoming resources. The trustees have taken steps to ensure that the charity's finances are closely monitored and that new initiatives are carefully considered in the context of their impact on the charity's financial position. The risk register is detailed in the quarterly trustee board pack.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

Objectives and activities

The charity's objective is the advancement of the Orthodox Jewish faith for the public benefit.

Seed provides adult and family Jewish education opportunities through formal and informal study experiences. Seed's mission is to equip parents to raise their children with a sophisticated understanding of their Judaism and a wholesome belief in themselves.

Through evaluation and assessment we can confirm we have been successful in achieving these objectives and have equipped thousands of parents with tools for better supporting, nurturing and engaging with their children and families.

The activities carried out by the charitable company can be broadly categorised into the following groups of programmes:

- Parenting and family development programmes, including mother and baby groups and mother and toddler groups introducing parenting skills and basic concepts in Judaism.
- Parent education programmes in schools, across London and Manchester, providing focused social and educational activities for parents of children in Jewish primary schools. The educational elements support parents and complement the school's Jewish Studies curriculum as well as introducing concepts and knowledge which are designed to build on their parenting skills and enhance their Jewish home life.
- Youth programmes including bar and bat mitzvah trips to Israel alongside new youth services and activities for teenagers in the London community.
- Provision of One-to-One learning centres, and home-based learning opportunities, where volunteers share educational resources with adult participants on a one-to-one basis. This happens remotely and face-to-face.
- Study groups, in which groups of participants meet regularly with a member of the Seed team for educational and focused discussion groups, in homes and at Seed centres.
- Large one-off events, usually related to significant dates in the Jewish calendar, which provide a mix of educational and social content.
- A community synagogue in the Edgware area (the Seed shul) providing follow-on opportunities from seminars, schools and early years programmes.
- Courses in key subjects pertaining to Jewish family life, including Hebrew reading, parenting and kashrut (dietary laws).
- Family seminars - residential weekends away including a Shabbat programme, lectures and children's groups.
- Study trips abroad for adults to Israel and Poland.
- Partnerships with various organisations to extend Seed programmes including, Connect in Borehamwood, where Seed partners with Aish and Olami and the Borehamwood Kollel project where Seed has partnered with the Kollel.

Project S.E.E.D Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

Seed closely measures its success through its database system by monitoring attendances and tracking the success of its programmes. All staff receive regular feedback and work to individual objectives, linked to organisational objectives, which are reviewed annually.

Most of the charity's output is undertaken by its paid employees, with assistance from outside experts, both paid and unpaid.

Seed uses the services of approximately 350 volunteers. The main area in which Seed uses the services of volunteers is as informal educators for our One 2 One programme. Each volunteer will contribute approximately one hour per week during term time. Their time will be spent tutoring a "partner" or student. Volunteers are generally not used in the course of generating income for Seed.

The charity does not usually make grants to other organisations but if it does so, the trustees ensure that they meet the charity's objectives.

Achievements and performance

In the past year, Seed recorded just under 50,000 attendances at over 1,700 events in person and online. We ran Hebrew Reading Crash Courses each academic term, aimed at helping parents of primary-school aged children learn to read Hebrew in just five sessions. We also ran a marriage enhancement course online in February and March for 24 couples as well as a number of parenting courses and our ongoing One2One programme. Our women's classes continue to be popular, with up to 200 women learning with Seed regularly.

Our Early Years Programme including Babies & Bagels, Dad Time and Partytime Shabbat have had excellent attendance levels this year, particularly in Manchester. The Seed Shul Seedlings programme for under 5s was revamped and now has around 12 families attending weekly services in Edgware. We have arranged Friday night dinners, special themed weeks and a variety of festival-based events.

In July we appointed our first ever Youth Directors to run dedicated programmes for the teenagers of the London community, including Shabbat and festival services as well as a range of engaging weekday social events such as a laser tag activity and hypnotist event. They regularly attract 20-30 teens to their programmes.

At the end of March, the Seed Shul celebrated the milestone of 100 member families. Recent innovations at the shul have included a new series of talks - 'Judaism at the Cutting Edge' - and a secondary school panel for families with children in Years 5 and 6, which had 50 attendees.

Seed's School Programme has flourished over the past year, producing high-quality, engaging resources and attracting thousands of participants. Innovations have included a Safari themed family day, a summer holiday family wall chart, Headbands game featuring heroes in Jewish history and professionally printed children's storybooks. Our musical Havdalah events in the winter were particularly successful, as well as new school-based Friday night dinners. Seed now runs regular parent-child events in nine primary schools in London and two in Manchester.

This year's Links Bat Mitzvah Programme was once again oversubscribed, with three groups totalling 57 pairs of mothers and daughters, 27 of whom took part in a February trip to Israel. We also ran a Connections Bar Mitzvah Trip for 23 pairs of fathers and sons. There were 22 participants on a Women's Israel Trip in January, and 30 adults took part in a trip to Poland in February. We re-launched the Seed Seminar in May for 20 families, followed by a more advanced seminar for 25 families in December and a third weekend away in February for a further 20 families.

Project S.E.E.D Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

In terms of wider-reaching projects, in May we worked in partnership with GIFT to bring the Clean Speech Project to 27 primary schools, 8 secondary schools, 17 shuls and 14 community organisations, aiming to encourage constructive, positive speech. We plan to expand this successful programme even further in the coming year. In September we published and distributed the third issue of the Seed 'Family Matters' magazine via schools, shuls and our centres to thousands of homes, prompting excellent feedback from across the community.

Fundraising

Seed organised its first post-Covid dinner followed by an online crowd-funding event on the 12th and 13th June 2022. We reached our initial goal of £1,000,000 and raised a total of more than £1,123,000. This helped significantly with our cash flow and planning.

Declaration of public benefit

The trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding what activities the charity should undertake. Seed's activities are open to anyone of the Orthodox Jewish faith, or anyone seeking to join the Orthodox faith through a recognised conversion programme. While it is necessary to make a charge for some of seed's activities, bursaries and subsidies are offered to individuals and families who are unable to meet the cost of such charges. As stated in "Achievement and Performance" above, seed tracks the number of attendances and attendees at its programmes, and also runs feedback and evaluation exercises after the majority of its events in order to assess public response and continue to tailor programming to have the maximum public benefit.

Safeguarding

As part of Seed's commitment to safeguarding we seek to ensure our programmes and activities are safe and those at risk of harm are protected. We have a strong commitment to protecting and promoting the health, wellbeing and safety of all engaged in our work. We have committed significant resources to ensure our designated safeguarding leads are fully trained and all our trustees are fully briefed on safeguarding. We have a Safeguarding Policy and Procedure which is reviewed each year.

In the year under review we:

- Reviewed our safeguarding policy to reflect any changes to legislation
- All trustees were informed of new Charity Commission guidance and reviewed the updated policy
- All staff participated in safeguarding training
- We had no significant safeguarding concerns or near misses related to our activity which required reporting to regulators

Project S.E.E.D Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

Financial review

The Trustees are conscious of the financial position, which is carefully monitored and kept under review.

The results for the year show a surplus of £1,493. A summary of the charity's transactions and of its financial position are shown in the financial statements together with the accompanying notes.

Our principal sources of funding are via voluntary income (donations), charges for trips, functions and events, and membership contributions.

There are no restrictions on the charity's power to invest. The Memorandum and Articles of Association authorises the trustees to make and hold investments using the general funds of the charity.

Reserves Policy

The charity aims to maintain free reserves at a level which provides sufficient funds to cover management and administration costs in the medium term, and to continue to expand our educational activities. At 5 April 2023, free reserves are regarded to be £943,109, which equate to unrestricted funds.

Plans for future periods

The overall objective of any given year at Seed is to increase the number of people who attend our programmes, and to increase the involvement of individual attendees in the level of programming Seed offers.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Project S.E.E.D Limited

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 5 April 2023

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 2 January 2024 and signed on behalf of the board of trustees by:

Mr M Bordon
Trustee

Mr D Rosenthal

Project S.E.E.D Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of Project S.E.E.D Limited

Year ended 5 April 2023

Opinion

We have audited the financial statements of Project S.E.E.D Limited (the 'charity') for the year ended 5 April 2023 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Project S.E.E.D Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of Project S.E.E.D Limited *(continued)*

Year ended 5 April 2023

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Project S.E.E.D Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of Project S.E.E.D Limited *(continued)*

Year ended 5 April 2023

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity through discussion with the trustees and identified financial reporting legislation and charity legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with the laws and regulations.
- We discussed with the trustees the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the charity's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the trustees during the planning and finalisation phases stages of our audit. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items.

Project S.E.E.D Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of Project S.E.E.D Limited *(continued)*

Year ended 5 April 2023

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Project S.E.E.D Limited

Company Limited by Guarantee

Independent Auditor's Report to the Members of Project S.E.E.D Limited *(continued)*

Year ended 5 April 2023

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, NW11 0PU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed below.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Project S.E.E.D Limited
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 5 April 2023

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Long leasehold property	-	Over the lease period
Fixtures and fittings	-	25% reducing balance
Equipment	-	25% reducing balance
Torah scrolls	-	2% straight line

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

Investments in joint ventures

Investments in jointly controlled entities accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in jointly controlled entities accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Notes to the Financial Statements *(continued)*

Year ended 5 April 2023

3. Accounting policies *(continued)*

Investments in joint ventures *(continued)*

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the joint venture arising before or after the date of acquisition.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Project S.E.E.D Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 5 April 2023

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee
